## **ARTICLE 12 -- GRIEVANCE PROCEDURE**

**1201** For purposes of this Agreement "grievance" shall mean a dispute between a nurse; or between a group of nurses with a similar grievance; or between the Union and the Employer regarding the application, interpretation or alleged violation of this Agreement.

**1202** Unless dismissed or suspended by the Employer a nurse shall continue to work in accordance with this Agreement until such time as the dispute has been resolved.

**1203** A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

**1204** A nurse or Union representative shall request permission from her/his immediate supervisor to leave her/his duties in order to process grievances; she/he shall report to her/his immediate supervisor upon her/his return; she/he shall be granted this permission when, in the opinion of her/his immediate supervisor, it will not prejudice care or student education or require any staff replacement in either area. She/he shall not suffer loss of salary when engaged in such activities during regular working hours.

**1205** Complaint Stage:

A nurse shall, within fifteen (15) days of the occurrence of the grievance, attempt to resolve the grievance through discussion with her/his immediate supervisor outside the bargaining unit, and if the matter is not settled to her/his satisfaction the nurse may proceed with the grievance herself/himself or elect to be represented by a Union representative.

**1206** Step One:

If the dispute is not resolved within the time period specified in 1205 above, the grievor and/or Union representative may, within a further ten (10) days submit the grievance in writing to the designated senior nursing manager/chief nursing officer or equivalent. The designated senior nursing manager/chief nursing officer or equivalent shall reply in writing within ten (10) days of receipt of the written grievance.

A grievance concerning general application or interpretation of the Agreement, including the question of whether the matter falls within the scope of this Agreement, or which affects a group of nurses in more than one (1) department, may be submitted as Step 1.

**1207** Step Two:

If the dispute remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the designated senior administrative representative, and the designated senior administrative representative shall reply in writing within ten (10) days of receipt of the written grievance.

**1208** For purposes of determining the lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

**1209** The time limits fixed in the grievance procedure may be extended by the mutual written consent of the Employer and the aggrieved nurse and/or the Union.

**1210** Subject to the provision of 1209 above, and subject to Section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

## **ARTICLE 13 -- ARBITRATION PROCEDURE**

**1301** In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 12 is received from the designated senior administrative representative, the matter may then be referred to arbitration as hereinafter set forth.

**1302** If mutual agreement is not reached by both parties to choose a single Arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in 1301 above, then the procedure stated below will be followed.

**1303** Either party may submit the matter in dispute to a Board of Arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) nominee of the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

**1304** Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in her/his place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

**1305** Should the two (2) appointed nominees fail within ten (10) days to agree upon a Chairperson, the two (2) nominees shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

**1306** It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

**1307** The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

**1308** In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another employer during the period of the layoff, suspension or discharge.

**1309** Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

**1310** For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

**1311** Nothing in this Collective Agreement shall preclude a nurse or the Union committee and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

**1312** Nurses whose attendance is required at arbitration hearings related to the Agreement shall be given permission to be absent from work and shall not suffer any loss of salary as a result.

**1313** The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as a disk/electronic version of an arbitration award.

## **ARTICLE 14 -- HOURS OF WORK**

**1401** Seventy-seven and one-half (77.50) hours shall constitute a bi-weekly period of work, excluding meal periods, but including rest periods.

**1402** The meal period will be scheduled by the Employer and will be one-half (.50) of an hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

**1403** A rest period of fifteen (15) minutes will be allocated by the Employer during each continuous three (3) hour period of work.

**1404** A shift shall be seven and three-quarter (7.75) consecutive hours of work exclusive of meal times and inclusive of two (2) fifteen (15) minute rest periods. This clause shall not, however, prevent trial and implementation of changes in shift length if mutually agreed between a majority of nurses whose schedule is affected, the Union

representing those nurses whose schedule is affected, and the Employer. Any change in shift length agreements shall take the form of an addendum attached to and forming part of this Agreement.

**1405** A full-time or part-time nurse who is advised not to report for her/his scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

**1406** In the event that Polar Bears constitute an immediate danger to nurses travelling to and from the Worksite, the Employer shall ensure that nurses are reimbursed for, or provided with transportation.

**1407** Where a nurse cannot arrive as scheduled at the Worksite due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Highways, the nurse shall be rescheduled at a mutually agreeable time if possible during the following two (2) consecutive bi-weekly pay periods to work any hours missed. Where the scheduling of such shift cannot be accommodated or the nurse chooses not to be rescheduled, she/he may take the time from banked time which includes banked overtime, Recognized Holidays or vacation.

**1408** Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, she/he shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift.

## **ARTICLE 15 -- SHIFT SCHEDULES**

**1501** Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. **1502** Requests for interchanges in posted shifts or a portion thereof shall also be submitted in writing, co-signed by the nurse willing to exchange shifts with the applicant. Where reasonably possible, interchanges in posted shifts are to be completed within the posted shift schedule. It is understood that any change in shifts or days off initiated by the nurses and approved by the Employer shall not result in overtime costs to the Employer.

**1503** Night shift shall be considered as the first shift of each calendar day.

**1504** Shift patterns for each nursing unit shall be planned by the Employer in meaningful consultation with the nurse(s) concerned and shall, unless otherwise mutually agreed between the nurse(s) concerned and the Employer, observe the conditions listed hereinafter:

- (a) a minimum of fifteen hours (15) off between assigned shifts.

There shall be at least as great a number of Day shifts assigned as there are Night (or Evening) shifts within each standard rotation pattern, whenever reasonably possible.
- (g) A nurse will receive consideration in scheduling to allow her/him to pursue academic course(s) to further her/his education. Whenever reasonably possible, subject to patient care requirements, the granting shall be based on the following:
  - (i) she/he submits her/his written request at least eight (8) weeks prior to commencing the academic course(s), and

**1602** Each nurse shall be paid at the rate of one and one-half (1.50) times her/his basic salary for the first three (3) hours of authorized overtime in any one (1) day, and at the rate of double her/his basic salary for hours worked in excess of three (3) hours in any one (1) day. A full-time nurse shall receive two (2) times her/his basic salary for all overtime worked on a scheduled day off. However, notwithstanding section 1601 above, all overtime worked on a Recognized Holiday shall be paid at two and one-half (2.50) times her/his basic salary.

**1603** Notwithstanding sections 1601 and 1602 above, where a nurse works two consecutive shifts, the nurse shall be paid the full hours for both shifts and shall not be required to work an additional fifteen (15) minutes. She/he shall receive pay at the rate of double her/his basic salary for the additional shift, except when the additional shift is worked on a Recognized Holiday, she/he shall receive pay at the rate of two and one-half (2.50) times her/his basic salary for the additional shift.

At the nurse's request, any banked overtime, or portion thereof, shall be paid out on a separate cheque without a surcharge on the dates designated by the Employer. At the nurse's request, any banked overtime or portion thereof shall be paid out at any time on a regular pay cheque. All accumulated overtime must be taken as time off or paid out by March thirty-first (31<sup>st</sup>) of each fiscal year. Accumulated overtime not taken as time off or paid out by this date shall be paid to the nurse in the last pay period of the fiscal year on a separate cheque without a surcharge.

**1605** A full-time nurse reporting back to work upon request after leaving the site following completion of a shift but before commencement of her/his next scheduled shift shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

**1606** Overtime worked as a result of the changeover from Daylight Saving Time to Central Standard Time shall be deemed to be authorized overtime.

**1607** Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work in accordance with 1601.

**1608** In every period of overtime, a paid rest period of twenty (20) minutes shall occur during each continuous three (3) hours, unless the overtime worked is a full shift in which case regular meal/rest periods shall occur.

**1609** A nurse required to work overtime for a period in excess of two (2) hours immediately following her/his regular shift shall receive a meal voucher for the facility cafeteria to cover the costs of a meal of up to five dollars (\$5.00) [seven dollars (\$7.00) effective June 1, 2010; eight dollars (\$8.00) effective April 1, 2012], or if this is not possible, a meal allowance of five dollars (\$5.00) [seven dollars (\$7.00) effective June 1, 2010; eight dollars (\$8.00) effective April 1, 2012] shall be provided.

**2108** The Employer shall notify each nurse, prior to her/his vacation, of the date and time upon which she/he is to report back to work following her/his vacation, but this will not preclude the making of a change during the nurse's vacation period if mutual agreement is reached between the Employer and the nurse.

**2109** The Employer shall be responsible for posting the vacation entitlement lists, along with a list of the number of nurses in each occupational classification per unit/site that may be scheduled for vacation at one time, in an accessible location, by March 1st of each year. The vacation entitlement lists shall reflect each nurse's projected vacation entitlement as at April 30th of that year.

To the extent that it finds possible, the Employer shall give priority to those nurses in each occupational classification within each nursing unit having the most seniority within the site.

The approved vacation schedule will be posted no later than May 1st. Approved vacation schedules within each nursing unit shall not be changed unless mutually agreed upon by the nurse and the Employer.

A nurse who transfers to another unit/site after her/his vacation request has been approved, shall have her/his vacation scheduled by the Manager of the new unit/site in consultation with the nurse within the time periods remaining during that vacation year.

Notwithstanding the above, as much as reasonably possible, the approved vacation of deleted and bumped nurses shall continue to be approved regardless of the unit they are displaced to. This shall not impact previously approved vacation of nurses in the new unit. If the displaced nurse prefers to reschedule the vacation at a time that is mutually agreeable to both the Employer and the nurse, that shall occur.

A nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year. Vacation may be paid out only in extenuating circumstances.

## **ARTICLE 22 -- RECOGNIZED HOLIDAYS**

**2201** For purposes of this Agreement, Recognized (paid) Holidays shall be New Year's Day (January 1st), Louis Riel Day (la journee Louis Riel), Good Friday, Easter Monday, Victoria Day, Canada Day (July 1<sup>st</sup>), the first Monday in August, Labour Day, Thanksgiving Day, Remembrance Day (November 11<sup>th</sup>), Christmas Day (December 25<sup>th</sup>), and Boxing Day (December 26<sup>th</sup>); and any other statutory holidays declared by federal or provincial authority.

**2202** Whenever a Recognized Holiday falls on her/his scheduled days off, it is understood that this day off in lieu shall be banked in accordance with Article 2206, or

the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse, or the nurse may request that she/he receive an extra day's pay at her/his basic rate of pay.

**2203** A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times her/his basic pay and in addition it is understood that one (1) day off shall be banked in accordance with Article 2206, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse, or the nurse may request that she/he receive an extra day's pay at her/his basic rate of pay.

**2204** A day off given in lieu of a Recognized Holiday shall be added to a weekend off or to scheduled days off unless otherwise mutually agreed.

**2205** The Employer agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as reasonably possible over either Christmas Day or New Year's Day.

As much as reasonably possible, Christmas Eve and Boxing Day shall be assigned with Christmas Day; New Year's Eve shall be assigned with New Year's Day, unless otherwise mutually agreed.

**2206** A nurse may accumulate up to four (4) days off in lieu of Recognized Holidays to be taken with scheduled days off or to complete a partial week of vacation or at such other time as is requested and granted in accordance with 1501. Unless otherwise agreed between the nurse concerned and the Employer, accumulated lieu days must be taken within the fiscal year in which they were earned.

## **ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION**

**2301** A nurse having accumulated income protection may claim basic pay for such income protection against such accumulation with respect to periods during which:

- (i) She/he was unable to work because of an incapacitation due to accident or illness, however, a nurse cannot receive income protection benefits for any period of time during which she/he is eligible for wage loss benefits from either the Workers Compensation Board or the Manitoba Public Insurance as a result of a motor vehicle accident [subject to 2303], or
- (ii) In the opinion of the Employer, her/his presence constituted a health hazard for patient and/or other employees and she/he was instructed by the Employer to leave her/his place of duty; or

- (iii) She/he attends an appointment related to a medical/dental examination and/or treatment, subject to 3704.

**2302** Each nurse shall accumulate income protection at the rate of one and one-quarter (1.25) days for each full month of employment.

**Note:** For each one and one-quarter (1.25) days of income protection accumulated, one day\* (80%) shall be reserved exclusively for the nurse's personal use as outlined in Article 2301. The remaining one-quarter (.25) of a day\* (20%) shall be reserved for either the nurse's personal use as outlined in 2301, or for use in the event of family illness as specified in 2312. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

(\*In the nurse's first year of employment, amend "one day" to read "three-quarters of a day" and amend "one-quarter of a day" to read "one-half of a day".)

**2303**

- (a)
  - (i) A nurse who becomes injured or ill in the course of performing her/his duties must report such injury or illness as soon as possible to her/his immediate supervisor.
  - (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.  
  
Where a nurse is unable to work because of injuries sustained in a motor vehicle accident she/he must advise her/his supervisor as soon as possible and she/he must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a "waiting period" by MPI.
  - (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPI decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
  - (iv) Advance payment(s) shall not exceed the nurse's basic salary as defined in Article 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.

- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.
  - (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the nurse.
  - (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
  - (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- (b)
- (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's basic salary as defined in Article 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.  
  
The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
  - (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental care plan, \*Disability & Rehabilitation plan, and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject

to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.

- (iii) Further to this, the Employer shall notify Workers Compensation/ Manitoba Public Insurance of salary adjustments at the time they occur.
  - (iv) In accordance with Section 41(6)(b) of the Workers Compensation Act of Manitoba, the Employer shall make application to the WCB by January 1, 1994 so that the WCB may determine whether or not the supplements referenced in 2303(b)(i) shall continue in effect after January 1, 1995.
  - (v) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits otherwise payable by the WCB/MPI, then such payment shall not be payable.
- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of 7A06 shall apply.
- (d) A nurse who is on D&R/WCB/MPI prior to the commencement of her/his vacation shall, upon her/his request, have her/his vacation displaced and such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. If the nurse's current annual vacation cannot be reasonably scheduled by the end of the current vacation year the nurse may elect to carry over to the next vacation year up to five (5) days of current annual vacation (pro-rated for part-time), however the nurse will not be allowed to select this vacation on the basis of seniority.

**2304** The Employer shall be entitled to recover any income protection paid to a nurse if her/his employment is not continued beyond her/his probationary period, from the nurse's final termination cheque.

**2305** A nurse who is unable to report for work due to illness shall inform the Employer prior to the commencement of her/his next scheduled shift(s). A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift(s) in question.

Prior to Day shift	--	One (1) hour
Prior to Evening shift	--	Three (3) hours
Prior to Night shift	--	Three (3) hours

A nurse returning to work following an absence of one week or more shall inform the Employer by 1200 hours the day prior to returning to work.

**2306** The Employer, either at the time of notification by the nurse of claiming income protection, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's ability to perform her/his regular duties. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for her/him to resume her/his duties.

**2307** Days off and Recognized Holidays or days given in lieu of Recognized Holidays which fall within a period of sick leave shall not be considered a part of, or charged to, the nurse's accumulated income protection.

**2308** At the effective date of this Agreement, each nurse will retain income protection benefits accumulated and not used to that date.

**2309** As soon as a nurse is aware of a date upon which surgery will occur, she/he shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for her/his intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to forty-eight (48) hours notice of cancellation.

**2310** If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. Proof of such hospitalization and/or post-hospitalization period shall be provided if requested.

**2311** The Employer will annually, on written request, provide each nurse with a statement of her/his accrued income protection credits.

**2312** Subject to the provisions of 2302, a nurse may use income protection for the purpose of providing care in the event of an illness of a spouse, child or parent.

**2313** A nurse who has completed the probationary period who is unable to perform her/his work by reason of an accident or illness not fully covered by income protection, upon providing an acceptable medical certificate, shall be granted unpaid leave of

absence as required for recovery; subject to review at three (3) months, or lesser intervals, at the discretion of the Employer.

## **ARTICLE 24 -- LEAVE OF ABSENCE**

**2401** The nurse will be required to submit a written request for any leave of absence unless otherwise herein stipulated. These requests will specify the reason for the leave and will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the agreement; however, requests for education leave will be given special consideration. Except in emergencies, such requests must be made at least four (4) weeks in advance. The Employer shall notify the nurse of her/his decision in writing, within one (1) week of receipt of the request. Requests for extension of educational leave, maternity leave, paternity leave, adoption leave, and bereavement leave will be granted if reasonably possible.

Where a nurse requests to return to work prior to the expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired, except as per 2408 C.6.

Where a nurse has been granted a leave of absence from her/his entire EFT, she/he shall be eligible to work additional available shifts. However, she/he shall not have preference over part-time nurses or casual nurses who offer to work these shifts. When she/he is awarded additional available shifts, she/he is compensated in accordance with Article 2703 (a) – (e).

Where a nurse has requested and been granted a partial leave of absence, she/he will be entitled to accrual of vacation, income protection credits, pre-retirement leave, and Recognized Holiday pay on a pro-rata basis.

**2402** Overstaying of leave of absence without valid reason may be deemed as a resignation.

**2403** The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For leaves of absence of sixty (60) weeks or less, the nurse is assured of being placed in the same occupational classification within the site and at the same step on her/his salary scale on her/his return, but she/he cannot be assured of being placed in the same nursing unit, position or shift. In the case of longer leaves of absence, a nurse may be placed in any position covered by this agreement within a fifty (50) kilometre radius of the originating site, unless a greater distance is mutually agreed between the Employer and the nurse, and shall be reinstated at her/his previous salary, provided that such salary shall not exceed the maximum for the position in which she/he is placed. Notwithstanding 3001, a nurse not placed in her/his former position will be given

consideration over other nurses for the first vacancy made available to her/him in a similar position within the sites comprising the Regional Health Authority.

**Note: The following 2 paragraphs are in effect only for nurses who commenced a leave of absence prior to April 7, 2008. They do not apply to nurses who commenced a leave of absence on April 8, 2008 or later:**

In cases where a Licensed Practical Nurse is eligible for or obtains a Registered Nurse/Registered Psychiatric Nurse designation, it is understood by the parties that should the nurse not be successful in obtaining a Registered Nurse/Registered Psychiatric Nurse position within the site, she/he shall be considered as laid-off.

In cases where a Licensed Practical Nurse has been granted an educational leave of absence to pursue a Registered Nurse/Registered Psychiatric Nurse designation and is unsuccessful, it is understood by the parties that she/he shall be considered as laid-off.

**2404** There shall be no loss of income protection accumulations or vacation accumulations up to the date of any leave of absence whether granted with or without pay.

**2405** Income protection and vacation benefits will continue to accrue during any period of an unpaid leave of absence, approved by the Employer of four (4) weeks or less.

**2406** Professional Leave: If, in the opinion of the Employer it is in the best interests of patient care, nurses may, whenever practicable, be granted time off with pay in order to attend professional or educational meetings, conventions, workshops and institutes.

**2407** Education Leave:

(a) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during working hours, the Employer shall pay registration or tuition fees, and approved expenses and shall ensure that the nurse suffers no loss of salary.

(b) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during non-working time, the Employer shall pay registration or tuition fees, and approved expenses and shall pay for the time of such attendance at straight time rates.

(c) Educational Development:

A nurse shall be granted, upon written request, funding up to a maximum of \$200 per fiscal year, to attend approved workshops, courses, and other programs that are relevant to nursing practice. Such requests must be submitted to the senior nursing manager or designate prior to attendance at such program. The \$200 allowance referenced herein shall be for reimbursement of tuition or registration and recommended/required books

and shall occur upon satisfactory completion of the workshop, course, or educational program.

5. Plan B does not apply to a newly hired nurse occupying a term position.

If requested by the nurse, extensions to leaves under this clause will be granted in accordance with 2401.
2. Except as outlined below, any nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year or pay out any monies owing.
- Where Parenting leave is thirty-seven (37) weeks or less, vacation shall be scheduled and taken in accordance with the provisions of the Collective Agreement. No carry-over of vacation is permitted.
- Where Maternity and/or Parental Leave exceeds thirty-seven (37) weeks, the nurse may elect to carry over to the next vacation year, up to five (5) days of current annual vacation. The balance of the current annual vacation will be paid out at a time immediately following the period during which EI benefits were payable (even if this period extends into the following vacation year).
- Any vacation earned up to the time of the commencement of leave will be retained and will be available to be taken in the following vacation year.
- 3. Subject to 4. below, Parental Leave must commence no later than the first anniversary date of birth or adoption of the child or of the date on which the child comes into actual care and custody of the nurse.
  - 4. Where a nurse takes Parental Leave in addition to Maternity Leave, the nurse must commence the Parental Leave immediately on the expiry of the Maternity Leave without a return to work unless otherwise approved by the Employer.
  - 5. Three (3) days of paid leave of absence (23.25 hours) shall be granted to a full-time nurse prior to the commencement of Maternity,

Paternity, or Adoption Leave or at the time of the birth or adoption of a child. If the nurse is taking a Maternity, Paternity, or Adoption Leave, the nurse will use this three (3) days of paid leave to replace scheduled hours of work immediately prior to the Sunday of the week the Maternity, Paternity, or Adoption Leave commences.

Part-time nurses shall be entitled to a pro rata amount of this leave based on their hours paid at regular rate of pay in the previous six (6) months.

6. A nurse may end Maternity or Parental leave earlier than the expiry date of the leave by giving the Employer written notice at least two (2) weeks or one pay period, whichever is longer, before the day the nurse wants to end the leave.

**2409**      Union Leave:

(a) Leave of absence without loss of salary or benefits shall be granted to Union representatives for the purpose of attendance at Manitoba Nurses' Union meetings. It is understood that requests for such leave of absence will be made at least two (2) weeks in advance and also that the Manitoba Nurses' Union will reimburse the Employer for the cost of the salary and the benefits.

(b) Subject to six (6) weeks notice, a nurse elected or selected to a full-time or part-time position with the Manitoba Nurses' Union or the Canadian Federation of Nurses' Unions/Canadian Labour Congress or College of Registered Nurses of Manitoba or College of Licensed Practical Nurses of Manitoba or College of Registered Psychiatric Nurses of Manitoba, shall be granted leave of absence without loss of seniority, salary or benefits for a period of up to two (2) years. Such leave shall be renewed each year, on request, during her/his term of office. It is understood that the Manitoba Nurse' Union will reimburse the Employer for the total recovery of payroll and related costs.

**2410**      Jury and Witness Duty: A nurse required to attend a court proceeding, other than a court proceeding occasioned by the nurse's private affairs where she/he is a party to that proceeding, shall receive leave of absence at her/his regular basic rate of pay, and remit to the employer any jury or witness fees received, only for those days she/he was normally scheduled to work. The nurse shall not request reimbursement for, or be required to remit any reimbursement of expenses for such duty.

Bereavement leave may be extended by up to two (2) additional working days as may be necessitated by reason of travel to attend the funeral.

One (1) bereavement leave day may be retained at the nurse's request for use in the case where actual interment or cremation is at a later date.

(b) Necessary time off up to one day at basic pay will be granted to a nurse to attend a funeral as a pallbearer.

Necessary time off up to one day at basic pay may be granted a nurse to attend either a funeral or initial memorial service as a mourner. Special consideration will be given to requests for leave related to the death of significant other persons under this provision.

(c) When a family member of a nurse's immediate family becomes ill, the Employer agrees to allow compassionate leave to such a nurse. The leave shall be of such duration to allow for care and comfort of the nurse's ill relative. It is understood that a request for such a leave be considered on an individual basis by the Employer and it is understood that this leave is without pay.

(d) For the purpose of this section, a day is defined as a calendar day irrespective of the number of hours per day scheduled for the affected nurse.

shall be granted paid pre-retirement leave on the basis of four (4) days per year of employment.

Subject to the above, pre-retirement leave for any period of layoff up to a maximum of five (5) years will be calculated on a pro rata basis, based on the following formula:

$$\frac{\text{Hours Worked During Layoff}}{\text{Annual Full-time Hours}} \quad \times \quad \text{Entitlement of a Full-Time Nurse}$$

(b)

Part-time nurses who:

- (i) retire at age sixty-five (65) years; or

- (v) terminate employment at any time due to permanent disability

shall be granted paid pre-retirement leave as specified above on a pro rata basis. Calculation will be based on the following formula:

$$\frac{\text{Average Annual Hours Actually Worked From Last Date of Employment}}{\text{Annual Full-time Hours}} \quad \times \quad \text{Entitlement of a Full-time Nurse}$$

Subject to the above, pre-retirement leave for any period of layoff up to a maximum of five (5) years will be calculated on a pro rata basis, based on the following formula:

- (c) Calculation of pre-retirement leave entitlement shall begin from the date of the nurse's last commencing employment with the Employer and shall be based on the nurse's total length of continuous employment on the date of retirement.

Note: It is understood that for the purposes of calculation of pre-retirement leave entitlement, for nurses employed within two (2) or more sites that now comprise the Regional Health Authority, the earliest of their employment dates will apply.

- (d) Payment shall, at the option of the nurse, be made in a lump sum or as a continuation of salary until scheduled retirement date.

**NOTE:** Where a nurse chooses to take a lump sum payment, the retirement date shall be her/his last day worked.

- (e) Effective October 1, 2007, where a nurse is entitled to pre-retirement leave in accordance with the conditions listed above, and the nurse dies prior to receiving this benefit, it is understood that the pre-retirement leave benefit shall be paid to her/his estate.

## ARTICLE 25 -- SENIORITY

**2501** "Seniority" shall be defined as the length of the nurse's continuous employment from the last date on which she/he commenced work with the Employer, subject to Article 34 herein.

**2502** Seniority shall be considered as a factor in vacancy selection (including promotion and transfer), demotion, and if all other posted selection criteria are equal, it shall be considered as the governing factor. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one classification to another.

**2503** The seniority of a nurse will be retained but will not accrue if:

- (i) she/he is on any unpaid leave of absence in excess of four (4) consecutive weeks except those referenced in (ii) below, and those referenced in Article 2504;
- (ii) she/he is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or D & R, for a period of more than two (2) years from the date of the first absence from work related to the injury or illness;

- (iv) she/he is laid off for more than twenty-six (26) weeks and less than five (5) years;

- (ii) she/he is on any period of Employer paid income protection;
- (iii) she/he is on an educational leave of absence up to two (2) years;
- (iv) she/he is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or D & R for a period of up to two (2) years from the date of the first absence from work related to the injury or illness;
- (v) she/he is on any period of unpaid leave of absence of less than four (4) weeks, except those referenced in (iv) above;
- (vi) she/he is laid off for less than twenty-six (26) weeks;
- (vii) she/he is on parenting leave;
- (viii) she/he is on Educational Deferred Salary Leave.

Note: Accrual under these provisions is based on the nurse's regular EFT.

- 2505** The seniority of a nurse will terminate if:
- (i) she/he resigns;
  - (ii) she/he is discharged, and not reinstated under the grievance procedure;
  - (iii) she/he is laid off for more than five (5) years;
  - (iv) she/he fails to report for duty within seven (7) days after notification to do so, subject to Article 2706;
  - (v) she/he fails to report for work as scheduled at the end of a leave of absence, vacation, or suspension without valid reason.
  - (vi) she/he obtains a permanent position outside the bargaining unit; or a term position outside the bargaining unit which is greater than fifty-four (54) weeks.

**2506** The Employer shall once annually, by January 31st, provide the Union with a seniority listing of names of nurses within the scope of this agreement, together with the length of each nurse's continuous employment with the Employer. Any alleged errors in the list will be reviewed by the Employer and corrected as soon as possible.

## **ARTICLE 26 -- NOTICE OF TERMINATION OF EMPLOYMENT**

**2601** Employment may be terminated voluntarily by a nurse or for just cause by the Employer subject to the following periods of written notice, exclusive of any vacation due:

- (a) for classifications other than Nurse IV or Nurse V -- four (4) weeks, and
- (b) for Nurse IV and Nurse V classifications -- six (6) weeks.

**2602** Employment may be terminated with less notice or without notice:

- (a) by mutual agreement between the nurse and the Employer for special circumstances [It is agreed that transfer of a spouse of less than four (4) weeks notice shall constitute reasonable cause for lesser notice to be given.], or
- (b) during the probationary period of a newly hired nurse subject to Article 31 herein, or
- (c) in the event a nurse is dismissed for sufficient cause to justify lesser or no notice.

**2603** The Employer may give equivalent basic pay in lieu of notice.

**2604** Subject to other provisions contained in this Agreement relative to termination of employment, each nurse shall, unless otherwise mutually agreed, upon termination of her/his employment and within five (5) office working days following the completion of her/his last working shift, receive pay in lieu of unused vacation, and all salary earned to date of termination.

## ARTICLE 27 -- LAYOFF AND RECALL

**2701** When a reduction in the working force becomes necessary, nurses will be laid off in reverse order of seniority within their occupational classification within the site, subject only to more senior nurses being qualified, competent and willing to perform the required work.

**2702** Notice of intention of layoff or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- Layoffs of six (6) weeks or less - two (2) weeks notice;
- Layoffs of longer than six (6) weeks - four (4) weeks notice.

A nurse who is on layoff shall not be entitled to notice of layoff when she/he comes back to work on an incidental basis.

**2703** No layoff of full-time or part-time nurses shall occur within a site when casual nurses are being employed within that site, unless no full-time or part-time nurse on staff within that site is qualified, competent and willing to fill the position(s) in question.

Notwithstanding Article 3402, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided she/he is qualified, competent and willing to perform the required work. During the first three (3) years of a layoff, the nurse on layoff will receive preferential consideration for the assignment of such shifts at the site of layoff, provided that this will not result in her/him working in excess of her/his regular EFT commitment. In addition, during the first three (3) years of layoff, if a laid off nurse indicates her/his availability for additional available shifts at any of the other sites comprising the Regional Health Authority, she/he will receive preferential consideration over part-time nurses for the assignment of such shifts, provided that this will not result in her/his working in excess of her/his regular EFT commitment. During the period between three (3) to five (5) years, a laid off nurse may indicate availability for additional available shifts within any of the sites comprising the Regional Health Authority but will not receive preferential consideration over part-time nurses.

Notwithstanding 1405, during the period between three (3) to five (5) years where a nurse does not work all or part of said additional available shift(s), for any reason, payment shall be made only in respect of hours actually worked; this is not applicable to the base EFT of a term position occupied by a laid off nurse.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

- (a) vacation pay shall be calculated in accordance with section 2103 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,
- (b) income protection accumulation shall be calculated as follows:
- $$\frac{\text{Additional available hours worked by the laid-off nurse}}{\text{Full-time hours}} \times \text{Entitlement of Full-time Nurse}$$
- (c) in the event the layoff is longer than twenty-six (26) weeks, seniority shall be calculated in accordance with regular hours worked,
- (d) the nurse shall be paid four point six two percent (4.62%) of the basic rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours and shall be included in each pay cheque,
- (e) participation in benefit plans is subject to the provisions of each plan.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 25.

However, a nurse on layoff who agrees to work in a term position shall retain her/his right to be recalled into a permanent position while working in the term position.

**2704** No new nurses will be hired at a site when other nurses are on layoff from that site, except for reasons of a special skill requirement.

**2705** All nursing job vacancies, permanent and term, shall be posted in accordance with the terms of this agreement. Nurses on layoff shall be entitled to apply for these vacancies.

**2706** Nurses shall be recalled in seniority order to available positions in equal or lower paid occupational classifications at the originating site or at other sites within a fifty (50) kilometre radius of the originating site provided they are qualified to perform the required work. In addition, at the time of layoff, nurses may request recall to sites outside the fifty (50) kilometre radius. Such recall shall be made by registered mail or by personal service and shall provide for at least one (1) week's notice to report back to work.

The nurses affected will contact the Department of Nursing by telephone not later than four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have her/his employment terminated.

**2707** In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise her/his seniority rights, subject to her/his ability, performance and qualifications, to displace a nurse in a position of equal or lower classification within the site. Where it is not possible due to seniority level or where there are no positions available within .2 of the EFT of the position occupied by the nurse at the time of the deletion, the nurse shall be entitled to exercise her/his seniority rights, subject to her/his ability, performance and qualifications, to displace a nurse in a position of equal or lower classification within any of the other sites comprising the Regional Health Authority. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

**2708** Laid off nurses shall be entitled to apply for nursing job vacancies in any of the sites comprising the Regional Health Authority, other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local/Worksite during the period when any nurses are on layoff.

**2709** Accumulated vacation entitlement shall be paid out at time of layoff except where, prior to the date of layoff, a nurse has been awarded a term or permanent position which commences within four (4) weeks of date of layoff.

**2710** Nurses who are absent from work due to a leave of absence for any reason shall be advised of layoff or deletion of their position in accordance with this Agreement and shall be required to comply with all provisions of this Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence.

## **ARTICLE 28 -- PROMOTION AND SECONDMENT**

**2801** Upon promotion, a nurse shall receive a salary applicable to her/his new classification which provides an increase of at least one increment above her/his former salary. A promotion shall mean an increase in classification from one occupational classification to another.

**2802** The nurse's anniversary date of employment prior to promotion shall continue to govern with respect to increments.

**2803** The first three (3) calendar months following a nurse's promotion shall be considered to be a trial period, and the Union shall be notified by the Employer. During the first six (6) weeks of this trial period, the nurse may return to her/his former position at her/his request or be returned to her/his former position by the Employer. During the last six (6) weeks of this trial period, she/he may return to her/his former classification at her/his request or be returned to her/his former classification by the Employer.

**2804**

- (a) In the event of a temporary lateral secondment being necessitated by an unforeseen staffing shortage on a nursing unit in any site within the Regional Health Authority, this secondment will be made as close to the commencement of the shift as possible if the secondment is within one (1) site and with as much notice as possible if the secondment is from one (1) site to another within the Regional Health Authority. Selection of the nurse to be seconded shall be based on ability and experience and shared as equally as possible amongst the nurses in each site. It is understood that secondments will only occur within a fifty (50) kilometre radius of the originating site, unless a greater distance is mutually agreed between the Employer and the nurse.
- (b) Nurses who are seconded from one site to another within the Regional Health Authority shall be eligible for transportation reimbursement in accordance with the prevailing Province of Manitoba mileage rates subject to a minimum guarantee of four dollars (\$4.00) and in accordance with the following formula:
- Distance (in kms) from the nurse's home to the new worksite minus the distance (in kms) from the nurse's home to the nurse's originating worksite.
- It is understood that any increases in the mileage rates shall be implemented as quickly as reasonably possible, retroactive to the date the Province of Manitoba mileage rates became effective.
- (c) If required, orientation will be provided of sufficient duration to assist the nurse in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, and fire and disaster plans.

## **ARTICLE 29 -- DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE**

**2901** In all instances where the Employer considers that a nurse warrants disciplinary action, the Employer shall make every effort to take such action at a meeting with the nurse and shall give the nurse advance notice of the nature of the complaint. The nurse may be accompanied at the meeting by a Union representative.

**2902** If the action referred to in the above clause results in a written warning, suspension, demotion or dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons either by registered mail or personal service.

**2903** A nurse who is demoted due to inadequate performance shall be paid at the step of the lower scale that corresponds to her/his level of experience.

**2904** If a nurse is reclassified to a lower paid position because of changing conditions within the Regional Health Authority, she/he will retain her/his current salary level until the salary scale of the lower position reaches her/his level of salary.

The application of this provision as it relates to the deletion, layoff/recall procedure shall be limited to a three (3) year period from the date the nurse assumes a position in the lower paid classification or until the salary scale of the lower position reaches her/his level of salary whichever occurs first.

**2905** A nurse shall be given the opportunity to examine any document which is placed in her/his personnel file, including, but not limited to, those documents which may be utilized to substantiate a disciplinary action against her/him, and her/his reply to any such document shall also be placed in her/his personnel file. Upon written request the nurse shall also receive an exact copy of such document.

**2906** A nurse accompanied by a Union representative if she/he so elects may examine her/his personnel file upon request. A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in her/his personnel file. The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter. Any nurse who has been terminated may consult her/his file and upon written request shall receive copies of specified documents so long as the written request is made within sixty (60) days of her/his termination.

**2907** There shall be one (1) personnel file maintained by the Employer for each nurse.

## **ARTICLE 30 -- VACANCIES, TERM POSITIONS AND NEW POSITIONS**

**3001** Subject to section 3002 herein, the Employer agrees to post notices of vacant, term or new positions covered under this Agreement at each site comprising the Regional Health Authority on the same date for at least seven (7) days to enable nurses presently in the employ of the Regional Health Authority to apply for same. Such posting shall not preclude the Employer from advertising outside the Regional Health Authority. All postings shall state minimum qualifications required, the equivalent to full-time (E.F.T.) site(s) of the position and date of closing of the competition. Job descriptions shall be available to applicants on request.

**3002** The Employer will be required to post a notice of vacancy for only five (5) days for a vacancy that is created by:

- (a) a nurse terminating employment and not giving the full period of notice as specified in Article 26 herein, or
- (b) a transfer occasioned by posting.
- (c) Where a term position has been created due to a leave of absence where less than four (4) weeks notice has been given.

**3003** Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written application for the vacant, term or new positions, with first preference being given to applicants from the site where the vacancy occurs.

**3004** Each nurse who applies for a posted vacancy will be notified in writing of the disposition of her/his application. The name of the successful applicant and the position awarded will be posted on the bulletin board for a period of seven (7) calendar days with a copy of this information forwarded to the Union.

In the case of a nurse from the bargaining unit being awarded a position, her/his transfer shall be carried out within the time frame of the period of notice of termination for the position from which she/he is transferring, unless otherwise mutually agreed between the nurse and the Employer.

**3005** The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, her/his placement on such scale, and any special conditions that may be applicable to her/his appointment.

**3006** "Term Position":

A position occupied by a full-time or part-time nurse for a specified period of time, up to a maximum of sixty (60) weeks, where patient/client/resident census or workload necessitates a temporary increase in staffing, if mutually agreed, to replace a nurse(s) who is/are on vacation or leave of absence, or to carry out a special short term project or where the Employer has provided notice of permanent deletion of position(s) under the Memorandum of Understanding regarding Employment Security, or as otherwise mutually agreed between the Union and the Employer. If the Employer determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Articles 34 and 35 when the Employer decides that a term position is not required.

The Employer shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Employer so requests and the Union agrees.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Employer shall state on the job posting that the said term

position is an "Indefinite Term" which will expire subject to a minimum of twenty-four (24) hours notice. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on maternity or parental leave wants to exercise her/his right to return from such leave earlier than anticipated, having given appropriate notice as per 2408 C.6, the Employer shall state on the job posting that the said term position is a "maternity or parental leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

On expiry of the term position the nurse:

- (a) newly hired from outside the Regional Health Authority, or a casual nurse from within the Regional Health Authority, shall be entitled to exercise her/his seniority rights to obtain any vacant position within the sites comprising the Regional Health Authority for which she/he is qualified, without interruption of seniority or benefits if the position commences within four (4) weeks of the expiry of the term position.
- (b) who was employed by the Employer immediately prior to accepting the term position shall return to her/his former position if reasonably possible. A nurse not returned to her/his former position shall be returned to her/his former occupational classification and employment status within the site.

## **ARTICLE 31 – PROBATIONARY PERIOD**

**3101** The period from the date of last employment to the completion of three (3) calendar months of employment for full-time nurses [and from the date of last employment to the later of completion of four (4) calendar months or thirty (30) shifts worked for part-time nurses] will be recognized as a probationary period. During such period the nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer from extending the probationary period of a full-time or part-time nurse up to an additional three (3) calendar months providing that the Employer gives written notification to the Union specifying the reason(s) for the extension.

## ARTICLE 32 -- PERFORMANCE APPRAISALS

**3201** The Employer shall complete a written appraisal of a nurse's performance at least bi-annually. Upon request, the nurse shall be given an exact copy of the appraisal.

**3202** The nurse shall have an opportunity to read such document.

**3203** The nurse's signature on such document merely signifies that the contents of the document have been read.

**3204** If the nurse disputes the appraisal, she/he may file a reply to the document in accordance with Article 29, and/or she/he may file a grievance under Article 12 of this Agreement.

## ARTICLE 33 -- DAMAGE TO PERSONAL PROPERTY

**3301** In recognition of the fact that during the performance of their duties nurses may have their clothing or other personal property damaged, the Employer agrees to make appropriate compensation for same in accordance with Regional Health Authority policy.

## ARTICLE 34 -- SPECIAL UNDERSTANDINGS RE PART-TIME NURSES

**3401** A part-time nurse shall be assigned and committed to work her/his EFT as agreed to in writing at the time of commencing employment. This written agreement shall only be revised when the nurse secures an alternate position in accordance with the provisions of the Collective Agreement.

**3402** Part-time nurses who make known to the Employer that they wish to work occasional additional available shifts shall be given preference for such shifts unless the part-time nurse has already worked in that day with such preference being given on the following basis within the sites comprising the Regional Health Authority:

- (i) First, among nurses on each unit/ward where the shift is available who meet the provisions above, and who have requested additional shifts, if mutually agreed between the Employer and the Union;
- (ii) Second, among those nurses within that site, who meet the provisions above, and who have requested additional shifts;
- (iii) Third, among those nurses from other sites comprising the Regional Health Authority who meet the provisions above and who have requested additional shifts.

**3403** A part-time nurse called back to work hours in excess of a shift (as defined in 1404) in any one (1) day shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

**3404** Except for part-time nurses who agree to work on a greater number of weekends, it is understood that a part-time nurse may be required to work on alternate weekends.

**3405**

(a) Vacation pay shall be calculated as follows:

$$\frac{\text{Hours Paid at Regular Rate of Pay (during vacation year)}}{\text{Full-time Hours}} \times \text{Entitlement of a Full-time Nurse}$$

(b) Part-time nurses shall receive their entitled vacation over a period of time equivalent to the vacation period of a full-time nurse (includes travel time as per 2103 of local variations), and shall be paid her/his earned vacation proportionately during each week of scheduled vacation.

**3406** Income protection accumulation for part-time nurses shall be calculated as follows:

$$\frac{\text{Hours Paid at Regular Rate of Pay}}{\text{Full-time Hours}} \times \text{Entitlement of Full-time Nurses}$$

**3407** Part-time nurses will be paid four point six two percent (4.62%) of their basic pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 16) and shall be included in each regular pay cheque.

**3408** A part-time nurse shall receive increments (calculated from the date of her/his last increment, or her/his starting date as the case may be) on the basis of one (1) increment for each 1343 hours worked or one (1) year's service, whichever occurs later. In the case of the increment being given on the basis of 1343 hours worked, it shall be applied to the pay period next following completion of 1343 hours worked.

**3409** Seniority accumulated by a part-time nurse up to October 25, 1980 shall be retained; and effective from October 26, 1980 seniority will be calculated in accordance with regular hours worked.

**3410** Subject to Article 3806, a nurse whose employment status changes from part-time to full-time shall be entitled to receive an increment on the later of :

(a) one (1) calendar year from the date of his/her last increment, or date of employment as the case may be;

(b) on completion of 2015 hours calculated under the formula:

$$B = 2015 - (A \times 3/2)$$

A = number of hours during which seniority was accrued under part-time status since the date of her/his last increment, or starting date as the case may be.

B = number of hours remaining to be worked as full-time to earn an increment.

**3411** Subject to Article 3806, a nurse whose employment status changes from full-time to part-time shall be entitled to receive an increment on the later of:

(a) one (1) calendar year from the date of her/his last increment, or date of employment as the case may be;

(b) on completion of 1343 hours calculated under the formula:

$$B = 1343 - (A \times 2/3)$$

A = number of hours during which seniority was accrued under full-time status since the date of her/his last increment, or starting date as the case may be.

B = number of hours remaining to be worked as part-time to earn an increment.

**3412** Where a Recognized Holiday (or the Employer's designated lieu day) falls on a part-time nurse's normally scheduled day of work but the nurse's department/unit/program is closed, it is recognized that the nurse shall receive an unpaid leave of absence unless she/he requests one of the following options:

- The nurse(s) may request to use one (1) of her/his retained vacation days or banked overtime in accordance with Article 1501; or
- Notwithstanding Article 3402, the nurse may request to be scheduled for an alternate shift, subject to the availability of work and provided she/he is qualified to

perform the required work. This alternate shift must be requested a minimum of 2 weeks in advance of, and scheduled within, the posted shift schedule in which the Recognized Holiday falls. It is understood that this rescheduled shift will be payable at the nurse's basic rate of pay.

## **ARTICLE 35 -- SPECIAL UNDERSTANDINGS RE CASUAL NURSES**

**3501** A casual nurse is one called in occasionally by the Employer to replace a full-time or part-time nurse or to supplement regular staff coverage in situations of unforeseen staff shortage.

**3502** Casual nurses will receive vacation pay at the rate of six percent (6%) of all hours paid at basic salary including hours worked on Recognized Holidays in a bi-weekly pay period.

**3503** Casual nurses are paid in accordance with the salaries specified in Appendices "A" and "B" and receive a starting salary as described in Article 38.

A casual nurse shall receive increments (calculated from the date of her/his last increment, or the nurse's start date as the case may be) on the basis of one (1) increment for each 2015 regular hours worked. Such increment shall be applied on the first day of the first pay period following completion of 2015 hours.

When a nurse elects to terminate her/his full-time or part-time position and immediately requests to have her/his name placed on a casual roster, the following conditions will apply:

- (a) Such casual nurse will be paid in accordance with the salary specified in Appendices "A" and "B";
- (b) She/he will receive the salary of the occupational classification into which she/he is assigned and at the same increment level that had been attained while working as a full-time or part-time nurse.

Effective September 30, 2009, the Employer will pay the entire premium to a maximum of 2.3%.

The parties agree that income protection credits and Workers Compensation benefits will be used where applicable, to offset the elimination period. Once the elimination period has been exhausted, the nurse will commence drawing disability benefits.                    - \$125.00 for part-time nurses

Hours paid at overtime rates do not count in the annual determination of whether a nurse qualifies for the full-time benefit.

A “year” or “the annual HSA benefit” is defined as the calendar year – January 1<sup>st</sup> to December 31<sup>st</sup>.

In order to be eligible for the HSA, a nurse must be enrolled in the “Enhanced” Extended Health Care Plan.

Nurses hired on or after April 1, 2010, who become enrolled in the “Enhanced” Extended Health Care Plan will commence HSA coverage following one (1) year participation in the “Enhanced” Extended Health Care Plan.

Unutilized HSA monies are not carried over to the subsequent year.

## **ARTICLE 40 – OVERPAYMENTS**

**4001** The Employer may not make deductions from wages unless authorized by statute, by Court Order, by Arbitration Award, by this Agreement, by the Union or to correct an overpayment error made in good faith. Where an error has been made in good faith, the Employer shall be entitled to recover any overpayment made, for a period of time that does not extend further back than twelve (12) months from date of discovery, provided:

- (a) Once the error is discovered, notice and a detailed breakdown of the error is given by the Employer to the affected nurse and the Union as soon as practicable;
- (b) The proposed recovery is made in as fair and reasonable a manner as possible; and,
- (c) The proposed recovery is made over a period of time which is no less than the period during which the overpayment was made unless otherwise agreed between the Employer and the nurse.

In the event the nurse retires from, or leaves the employ of the Employer before the Employer is able to fully recover an overpayment as contemplated in this Article, the Employer shall be entitled to make a full recovery at the time of retirement or termination of employment of that nurse and reduce accordingly any payments that might be owing to that nurse to recover the overpayment.

## APPENDIX “F” – BI-WEEKLY REMOTENESS ALLOWANCES

Remoteness Allowances shall be paid subject to the following eligibility.

A. Dependent Supporting or Non-dependent Supporting Status:

Non-dependent supporting status will be assumed for all employees eligible for Remoteness Allowances, and claims for dependent supporting status will be subject to the following criteria and conditions:

1. The employee shall be supporting one or more dependents where a dependent includes:

spouse living with and dependent on the employee for main and continuing support; this is presumed to be the wife in a marriage whether or not gainfully employed, unless satisfactory evidence is produced to the contrary;

unmarried dependent children under 18 years of age;

unmarried dependent children over 18 but under 21 years if in full time attendance at a school or university or similar educational institution;

unmarried children of any age if mentally or physically disturbed.

2. There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement must have been in existence for at least one year prior to the application.
3. A claim, with appropriate attestation, notarized where considered necessary, for payment of depending supporting status allowances, will be submitted to the Facility when first requesting the allowance, and renewed annually thereafter prior to the fiscal year.
4. Where both spouses are employees of the Facility or Departments or Agencies to which these regulations apply, the dependent supporting rate will be paid to one partner only and the other partner will not receive either the dependent or single rate of Remoteness Allowance.

B. Hourly Rated Personnel:

Remoteness Allowances are to be determined separately from hourly wage rates. Except for employees hired on an "if, as and when" basis,

Remoteness Allowances are to be considered on a daily basis, i.e. 1/10th of the bi-weekly rate, up to the maximum amount for the bi-weekly period, for the following conditions:

1. For each day the employee is at work irrespective of the number of hours worked;
2. For each day that the employee is recognized as being a "stand-by";  
or
3. In order to qualify for the daily rate, an employee hired on an "if, as and when" basis, would be required to work one-half or greater of the normal working hours (i.e. 7.75 hours in any one day).

C. Locations and Residence:

The Remoteness Allowance applicable to the location at which the employee has established his residence and maintains a family home is normally that which prevails, since the residence would be within normal daily travel distance to the employee's headquarters. In any case where the employee does not have a residence established on a continuing basis in relation to his headquarters, the location of the employee's official headquarters, as established by the employing authority, shall be considered the location for Remoteness Allowance.

D. Occupants of Government Owned or Supplied Property:

Where properties have been reappraised in 1974 or 1975 the full rental, as assessed by the Department of Municipal Affairs and approved by Management Committee, representing a fair rental of that property, is paid by the employee, the full Remoteness Allowance will be paid. Other situations will be examined individually and the full Remoteness Allowance may be reduced accordingly.

E. Limitations:

The Remoteness Allowances for dependent supporting or non-dependent supporting employees as indicated, represent a maximum hourly taxable allowance relative to paid employment. They are payable during paid holidays and vacations taken during continued employment, during authorized paid sickness leave and as limited in paragraph B above for hourly-rated employees. They are not payable during periods of absence without pay, nor payable at "time and a half" or other premium pay scales, nor included as part of regular weekly earnings in calculation of vacation wages on termination of employment.

F. Geographic Eligibility:

No location will be included for remoteness allowance that is two hundred and fifty (250) kilometres or less from the centre of the metropolitan area of the City of Winnipeg or the City of Brandon, unless that location is a distance of sixty-five (65) kilometres or more by the most direct road to a provincial trunk highway or paved provincial road, and the aggregate distance to the highway or paved road and then to Winnipeg or Brandon totals two hundred (200) or more kilometres. nurse(s) in order to assist the graduate nurse(s) in successfully adjusting to the working environment and performing her/his new role as a professional nurse.

Prior to the commencement of a mentorship relationship, the Employer and the nurse will discuss work assignment adjustments required in order for successful mentorship completion.

The Employer will identify attributes required for a mentorship role based on leadership skills, clinical expertise, professionalism, interpersonal skills and advocacy of the nursing profession.

2. *Where portability is implemented retroactively, the items ported shall be on a "go forward" basis. No processes [e.g. vacation selection, vacancy selection] or access to benefits [e.g. income protection] shall be adjusted retroactively.*

3. *The onus is on the nurse to advise her/his new Employer that there are benefits/seniority to port.*
4. *The provisions of the memorandum only apply where a nurse terminates from one Employer and commences employment with another Employer. It does not apply to "merge" employment/benefits etc. from two or more Employers to one of those Employers.*
5. *Once notified of portability of benefits/seniority, the receiving Employer shall notify the sending Employer by forwarding a "Portability Form" to the sending facility. That facility will complete the form as soon as possible and forward to the receiving facility. The Portability Benefits Transfer form shall be provided in its entirety to the receiving Union.*
6. *Portability applies for employment into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are ported at the time of employment. Should the nurse not obtain a permanent position in accordance with the new Employer's collective agreement, all seniority and benefits shall terminate, unless she/he in turn obtains employment with another MNU Employer where portability applies, and within the time lines specified.*
7. *Employment terminates with the sending facility and commences with the receiving facility, in order for Portability to apply. Therefore, accrued vacation is paid out by the sending facility; only the accrual rate is ported.*
8. *A nurse who occupies a casual position at a receiving facility AND a permanent or term position at a sending facility, AND who subsequently obtains a permanent or term position at a receiving facility, will be allowed to transfer seniority and benefits accrued in the permanent or term position at the sending facility, to the newly acquired permanent or term position in the receiving facility. The seniority accrued as a casual at a receiving facility cannot be added to the seniority being transferred with the permanent/term position.*

*NOTE: Current contract provisions re placement on salary scale when nurses resign a permanent or term position and remain on the casual roster continue to apply.*

The Employer and the Union agree each with the other as follows:

1. A nurse employed by the Employer who is elected to the full-time position of President of the Manitoba Nurses' Union, shall be considered as continuing in the employ of the Employer during the nurse's term of office as President of the Manitoba Nurses' Union and shall be considered to be seconded to the Manitoba Nurses' Union during the term of office.
2. For the purposes of administering the period of secondment, the Accounting and Information Technology Coordinator of the Manitoba Nurses' Union shall function

as the official contact person in any dealings with the Employer. In addition the Accounting and Information Technology Coordinator of the Manitoba Nurses' Union shall be accountable for:

- (i) notifying the Employer, in writing, of the official commencement and termination date of the President's term of office;
- (ii) determining the bi-weekly payroll record of the President and notifying the Employer of same.

The Union shall save the Employer harmless from any claim from the President arising from alleged error(s) in the payroll record.

### 3. Reimbursement of Employer Costs

The Manitoba Nurses' Union shall assume the responsibility for reimbursing the Employer for total recovery of payroll and related costs associated with the President's term of office, as follows:

- (i) gross salary, including paid vacation, income protection and any other paid leave of absence authorized by the Accounting and Information Technology Coordinator
- (ii) Employer portion of C.P.P.;
- (iii) Employer portion of E.I.;
- (iv) Workers Compensation premiums;
- (v) Payroll tax;
- (vi) Employer portion of Benefit Plan premiums (pension plan, group life insurance plan, dental plan);
- (vii) Pre-retirement leave.

The Employer shall provide the Accounting and Information Technology Coordinator with a monthly statement of the above-referenced payroll expenses incurred during the nurse's period of secondment to President of the Manitoba Nurses' Union.

### 4. Income Protection

- (i) The Union President will accumulate income protection credits at the rate of one and one-quarter (1.25) days per month during the period of secondment. In the event that the Manitoba Nurses' Union President is absent during the secondment period due to accident or illness and the income protection credits accumulated during the period of secondment are insufficient to cover full payment of sick leave, the Employer will pay the Manitoba Nurses' Union President from income protection credits accumulated prior to the secondment period and bill the costs to the Manitoba Nurses' Union, subject to paragraphs (ii) and (iii) below.

- (ii) Upon the nurse's return to work following the period of secondment the amount of income protection accumulated during the period of secondment will be reconciled against the amount of income protection utilized during this same period. In the event the difference is positive i.e. the amount accumulated is greater than the amount utilized, the nurse will be eligible to utilize the difference (unutilized income protection credits) at a future date. It is understood that utilization of these income protection credits may only occur once the nurse exhausts all income protection credits accumulated during her/his normal course of employment with the Employer.
- (iii) It is further understood that these income protection credits shall not be stored in the nurse's income protection bank within the computerized payroll system. Following the period of secondment, a record of these credits will be provided to the nurse along with a copy in the personnel file of the nurse. In the event and at the point that the nurse wishes to utilize these income protection credits, she/he will advise the Human Resources Department. The Employer will pay said income protection and bill the Manitoba Nurses' Union for the cost.

5. Disability & Rehabilitation Plan (D & R)

The President will have coverage under the HEBP Disability & Rehabilitation (D & R) Plan. During the D & R elimination period, if income protection credits earned during the period of secondment are insufficient to cover full payment, the Employer will pay the Manitoba Nurses' Union President from income protection credits accumulated prior to the secondment period and bill the costs to the Manitoba Nurses' Union, subject to paragraphs 4.(ii) and 4.(iii) above.

6. Accumulation of Paid Vacation

The President will accumulate vacation credits at the rate of six (6) weeks per year.

For the purposes of reconciliation, the Employer is financially responsible for the vacation earned by the nurse while she/he is engaged in her/his normal course of employment with the Employer and the Manitoba Nurses' Union is financially responsible for the vacation earned by the nurse during the period of secondment.

7. Seniority/Service

- (i) Seniority shall continue to accrue during the period of secondment.
- (ii) Following the expiry of the period of secondment, the Manitoba Nurses' Union President's normal increment date will be delayed for a period of time equivalent to the period of secondment. The time worked between the date

of the last increment to the date that the nurse assumed the office of Manitoba Nurses' Union President shall count toward the granting of the next increment.

8. This Memorandum of Understanding shall remain in force until revised by mutual agreement between the parties or until terminated by either party.
