ARTICLE 12 -- GRIEVANCE PROCEDURE

1201 For purposes of this Agreement "grievance" shall mean a dispute between a nurse; or between a group of nurses with a similar grievance; or between the Union and the Employer regarding the application, interpretation or alleged violation of this Agreement.

1202 Unless dismissed or suspended by the Employer a nurse shall continue to work in accordance with this Agreement until such time as the dispute has been resolved.

1203 A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

1204 A nurse or Union representative shall request permission from her/his immediate supervisor to leave her/his duties in order to process grievances; she/he shall report to her/his immediate supervisor upon her/his return; she/he shall be granted this permission when, in the opinion of her/his immediate supervisor, it will not prejudice care or student education or require any staff replacement in either area. She/he shall not suffer loss of salary when engaged in such activities during regular working hours.

1205 Complaint Stage:

A nurse shall, within fifteen (15) days of the occurrence of the grievance, attempt to resolve the grievance through discussion with her/his immediate supervisor outside the bargaining unit, and if the matter is not settled to her/his satisfaction the nurse may proceed with the grievance herself/himself or elect to be represented by a Union representative.

1206 Step One:

If the dispute is not resolved within the time period specified in 1205 above, the grievor and/or Union representative may, within a further ten (10) days submit the grievance in writing to the designated senior nursing manager/chief nursing officer or equivalent. The designated senior nursing manager/chief nursing officer or equivalent shall reply in writing within ten (10) days of receipt of the written grievance.

A grievance concerning general application or interpretation of the Agreement, including the question of whether the matter falls within the scope of this Agreement, or which affects a group of nurses in more than one (1) department, may be submitted as Step 1.

1207 Step Two:

If the dispute remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the designated senior administrative representative, and the designated senior administrative representative shall reply in writing within ten (10) days of receipt of the written grievance.

1208 For purposes of determining the lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1209 The time limits fixed in the grievance procedure may be extended by the mutual written consent of the Employer and the aggrieved nurse and/or the Union.

1210 Subject to the provision of 1209 above, and subject to Section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

ARTICLE 13 -- ARBITRATION PROCEDURE

1301 In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 12 is received from the designated senior administrative representative, the matter may then be referred to arbitration as hereinafter set forth.

1302 If mutual agreement is not reached by both parties to choose a single Arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in 1301 above, then the procedure stated below will be followed.

1303 Either party may submit the matter in dispute to a Board of Arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) nominee of the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

1304 Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in her/his place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

1305 Should the two (2) appointed nominees fail within ten (10) days to agree upon a Chairperson, the two (2) nominees shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

1306 It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board

shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

1307 The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another employer during the period of the layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

1310 For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union committee and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

1312 Nurses whose attendance is required at arbitration hearings related to the Agreement shall be given permission to be absent from work and shall not suffer any loss of salary as a result.

1313 The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as a disk/electronic version of an arbitration award.

ARTICLE 14 -- HOURS OF WORK

1401 Seventy-seven and one-half (77.50) hours shall constitute a bi-weekly period of work, excluding meal periods, but including rest periods.

1402 The meal period will be scheduled by the Employer and will be one-half (.50) of an hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 A rest period of fifteen (15) minutes will be allocated by the Employer during each continuous three (3) hour period of work.

1404 A shift shall be seven and three-quarter (7.75) consecutive hours of work exclusive of meal times and inclusive of two (2) fifteen (15) minute rest periods. This clause shall not, however, prevent trial and implementation of changes in shift length if mutually agreed between a majority of nurses whose schedule is affected, the Union representing those nurses whose schedule is affected, and the Employer. Any change in shift length agreements shall take the form of an addendum attached to and forming part of this Agreement.

1405 A full-time or part-time nurse who is advised not to report for her/his scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

1406 Where a nurse cannot arrive as scheduled at the Facility due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Highways, the nurse shall be rescheduled at a mutually agreeable time if possible during the following two (2) consecutive bi-weekly pay periods to work any hours missed. Where the scheduling of such shift cannot be accommodated or the nurse chooses not to be rescheduled, she/he may take the time from banked time which includes banked overtime, Recognized Holidays or vacation.

1407 Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, she/he shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift.

ARTICLE 15 -- SHIFT SCHEDULES

1501 Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to posting and granted, if possible in the judgment of the Employer.

1502 Requests for interchanges in posted shifts or a portion thereof shall also be submitted in writing, co-signed by the nurse willing to exchange shifts with the applicant. Where reasonably possible, interchanges in posted shifts are to be completed within the posted shift schedule. It is understood that any change in shifts or days off initiated by the nurses and approved by the Employer shall not result in overtime costs to the Employer.

1503 Night shift shall be considered as the first shift of each calendar day.

1504 Shift patterns for each nursing unit shall be planned by the Employer in meaningful consultation with the nurse(s) concerned and shall, unless otherwise mutually agreed between the nurse(s) concerned and the Employer, observe the conditions listed hereinafter:

- (a) a minimum of fifteen hours (15) off between assigned shifts.
- (b)
 - (i) a minimum of forty-seven (47) hours off at one time, or
 - (ii) where only "8" hour shifts are worked, a single weekday off may be permitted on a changeover from Day shift to Evening shift or in a staffing pattern that provides alternate weekends off. This is subject to meaningful consultation between the nurses affected and the Union.
- (c) a minimum of eight (8) days off within each period of four (4) consecutive weeks.
- (d) alternate weekends off shall be granted as often as reasonably possible, with each nurse receiving a minimum of every third weekend off.
- (e) a maximum of seven (7) consecutive days of work and preferably less between days off. It is understood that eight (8) consecutive days of work may be assigned for the purpose of meeting the requirements of sections 2204 and 2206 inclusive herein
- (f) nurses who are required to rotate shifts shall be assigned to work either Day shift and Evening shift, or Day shift and Night shift. There shall be at least as great a number of Day shifts assigned as there are Night (or Evening) shifts within each standard rotation pattern, whenever reasonably possible.
- (g) A nurse will receive consideration in scheduling to allow her/him to pursue academic course(s) to further her/his education. Whenever reasonably possible, subject to patient care requirements, the granting shall be based on the following:
 - (i) she/he submits her/his written request at least eight (8) weeks prior to commencing the academic course(s), and
 - (ii) another nurse(s) on the unit is (are) prepared to interchange her/his 'normally' scheduled shifts for the 'normally' scheduled shifts of the nurse attending the academic course(s), as agreed in writing,

- (iii) upon completion of the academic course(s) each nurse shall revert to her/his former rotation pattern.

Proof of registration in such course(s) shall be submitted by the nurse upon request.

ARTICLE 16 -- OVERTIME

1601 Overtime shall be authorized time worked which exceeds the normal daily shift as defined in Article 14 herein or the normal full-time hours in the rotation pattern in effect on each nursing unit for full-time nurses or the normal full-time hours in two (2) consecutive bi-weekly periods for part-time nurses. Overtime hours extending beyond the normal daily shift into the next calendar day shall continue to be paid at the overtime rates in accordance with Article 1602.

Authorization must be obtained prior to the start of any overtime work except in emergency situations. The Employer agrees the authorization in these emergency situations will not be unreasonably withheld. Payment for overtime worked when emergency circumstances prevent prior authorization shall be subject to a claim accompanied by a special written report prepared by the nurse before leaving the Facility substantiating the reason for the overtime work.

1602 Each nurse shall be paid at the rate of one and one-half (1.50) times her/his basic salary for the first three (3) hours of authorized overtime in any one (1) day, and at the rate of double her/his basic salary for hours worked in excess of three (3) hours in any one (1) day. A full-time nurse shall receive two (2) times her/his basic salary for all overtime worked on a scheduled day off. However, notwithstanding section 1601 above, all overtime worked on a Recognized Holiday shall be paid at two and one-half (2.50) times her/his basic salary.

1603 Notwithstanding sections 1601 and 1602 above, where a nurse works two consecutive shifts, the nurse shall be paid the full hours for both shifts and shall not be required to work an additional fifteen (15) minutes. She/he shall receive pay at the rate of double her/his basic salary for the additional shift, except when the additional shift is worked on a Recognized Holiday, she/he shall receive pay at the rate of two and one-half (2.50) times her/his basic salary for the additional shift.

1604 At the nurse's request, overtime shall be banked and shall be compensated by time off at overtime rates to be taken at a time mutually agreed. At the nurse's request, any banked overtime, or portion thereof, shall be paid out on a separate cheque without a surcharge on the dates designated by the Employer. At the nurse's request, any banked overtime or portion thereof shall be paid out at any time on a regular pay cheque. Overtime may be accumulated to a maximum of seventy-seven and one-half (77.50) hours at any one time. Any overtime in excess of seventy-seven and one-half (77.50) hours shall be paid as earned. All accumulated overtime must be

taken as time off or paid out by March thirty-first (31st) of each fiscal year. Accumulated overtime not taken as time off or paid out by this date shall be paid to the nurse in the last pay period of the fiscal year on a separate cheque without a surcharge.

1605 A full-time nurse reporting back to work upon request after leaving the grounds of the Facility following completion of a shift but before commencement of her/his next scheduled shift shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

1606 Overtime worked as a result of the changeover from Daylight Saving Time to Central Standard Time shall be deemed to be authorized overtime.

1607 Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work in accordance with 1601.

1608 In every period of overtime, a paid rest period of twenty (20) minutes shall occur during each continuous three (3) hours, unless the overtime worked is a full shift in which case regular meal/rest periods shall occur.

1609 A nurse required to work overtime for a period in excess of two (2) hours immediately following her/his regular shift shall receive a meal voucher for the facility cafeteria to cover the cost of a meal of up to five dollars (\$5.00) [seven dollars (\$7.00) effective June 1, 2010; eight dollars (\$8.00) effective April 1, 2012], or if this is not possible, a meal allowance of five dollars (\$5.00) [seven dollars (\$7.00) effective June 1, 2010; eight dollars (\$8.00) effective April 1, 2012] shall be provided.

ARTICLE 17 -- SHIFT PREMIUM AND WEEKEND PREMIUM

1701

- (a) An evening shift premium of one dollar (\$1.00) per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of the hours on that shift fall between 1800 hours and the next succeeding 2400 hours.
- (b) A night shift premium of one dollar and seventy-five cents (\$1.75) [one dollar ninety cents (\$1.90) effective October 1, 2011; two dollars and five cents (\$2.05) effective March 31, 2013] per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of hours on that shift falls between 2400 hours and 0600 hours.

1702 The Evening shift premium shall also be applicable to each hour worked after 1600 hours on a "modified" Day or Evening shift during which at least two (2) hours are worked between 1600 hours and the termination of the shift.

For purposes of application of this provision, a "modified" Day shift shall mean one that commences at a different time than the majority of Day shifts worked by nurses, and a "modified" Evening shift shall mean one that commences at a different time than the majority of Evening shifts worked by nurses. This provision shall be applicable from 1600 hours to the termination of the Day shift on a twelve (12) hour shift pattern.

1703 When a nurse is on standby, shift premium and weekend premium are payable only for hours actually worked on a callback.

1704 A weekend premium of one dollar thirty-five cents (\$1.35) [one dollar and fifty cents (\$1.50) effective October 1, 2011; one dollar and sixty-five cents (\$1.65) effective March 31, 2013] per hour shall be paid to a nurse for all hours actually worked on any shift where the majority of the hours on that shift fall between 0001 hours on the Saturday and 2400 hours on the following Sunday.

ARTICLE 18 -- STANDBY

1801 "Standby" shall refer to any period of time duly authorized by the Employer during which a nurse is required to be available to return to work without undue delay. Callback shall be limited to the unit(s) for which the nurse is on standby. Standby shall be assigned and scheduled in accordance with the provisions of Article 1501 whenever reasonably possible.

1802 Nurses required to be on standby shall receive two (2) hours basic pay per seven and three-quarter (7.75) hour shift or portion thereof.

1803 A nurse actually called back to work when she/he is on standby shall be paid for hours worked at the overtime rates, or may at the nurse's request, be granted time off which is the equivalent of overtime rates. The nurse will be guaranteed a minimum of three (3) hours at the overtime rate except when called in within three (3) hours of the commencement of her/his next shift. In such cases the nurse shall be paid at the overtime rate from the time she/he started work to the beginning of her/his shift.

1804 Standby allowance shall be paid for any time during which a nurse is actually called back to work.

1805 Assignment of standby shall be distributed as equitably as possible amongst those nurses qualified for the assignment.

1806 The Employer will provide parking space in near proximity to the site for the use of nurses on standby who are called back.

1807 Whenever reasonably possible, a pager (or alternate) shall be provided by the Employer to nurses during any period of assigned standby.

ARTICLE 19 – RESPONSIBILITY PAY

1901 A nurse temporarily assigned to perform all or substantially all of the duties of a more senior classification or a nurse designated as being "in charge" will receive an allowance of seventy cents (\$0.70) [eighty-five cents (\$0.85) effective October 1, 2011; one dollar (\$1.00) effective March 31, 2013] for each hour worked.

A Licensed Practical Nurse will receive responsibility pay when she/he is assigned charge nurse responsibilities by the Employer.

1902 It is understood that this allowance is applicable to one (1) nurse designated "in charge" from 1600 hours to the following 0800 hours; however, it is applicable to one (1) nurse designated "in charge" from 0800 hours to 1600 hours in the absence of the Facility Director at the Hospital or the Head Nurse at the Personal Care Home and Prairie View Lodge.

ARTICLE 20 – TRANSPORTATION ALLOWANCE/ESCORT DUTY

2001 A nurse who is required to terminate or commence her/his shift between the hours of 0001 and 0600 hours and who does not have her/his own transportation, will have transportation provided by the Employer at no cost to the nurse if such transportation is available.

2002 A nurse required to return to the facility on a callback as referenced in 1803 shall receive:

- (a) return transportation provided by the Employer, or
- (b) if she/he elects to use her/his own vehicle, she/he shall be reimbursed for all travel in accordance with the prevailing Province of Manitoba mileage rates, subject to a minimum guarantee of \$4.00 and a maximum payment of \$10.00 (\$15.00 effective October 1, 2010).

It is understood that any increases in the mileage rates shall be implemented as quickly as reasonably possible, retroactive to the date the Province of Manitoba mileage rates became effective.

2003 Where a nurse is required and authorized to use her/his privately owned vehicle on the Employer's business:

- (a) she/he shall be reimbursed by the Employer for all travel from the facility and between work locations in accordance with the prevailing Province of Manitoba mileage rates;

It is understood that any increases in the mileage rates shall be implemented as quickly as reasonably possible, retroactive to the date the Province of Manitoba mileage rates became effective.

- (b) She/he shall be reimbursed for parking expenses incurred away from the facility during the course of the authorized business.

2004 **Escort Duty:**

- (a) (i) A nurse called in to escort a patient when she/he is not on standby or provided she/he does not qualify for pay at overtime rates in accordance with Article 16, shall be paid for all time involved with the patient assignment including travel time required to return to the facility, subject to a minimum guarantee of four (4) hours at regular rates of pay. All hours worked in excess of seven and three-quarter (7.75) hours shall be paid in accordance with Article 16.
- (ii) When a nurse is required to escort a patient while on a scheduled shift, overtime rates of pay will apply in accordance with Article 16 for all hours worked in excess of the scheduled shift length (i.e. 7.75 hours, 11.625 hours).
- (iii) A full-time or part-time nurse scheduled or called in for escort duty when she/he is not on standby whose escort duty is cancelled, shall be paid or assigned work for a period of four (4) hours.
- (iv) When a nurse on escort duty is no longer involved with the patient assignment, time and return travel time will be paid as follows:
- For each subsequent 24 hour period that the nurse is awaiting return travel she/he shall be paid wages for one regular shift (or overtime in accordance with Article 16)
 - For each portion of a 24 hour period that the nurse is awaiting return travel or travelling to return to the facility, the nurse will be paid the greater of hours worked plus actual hours in travel status (or overtime in accordance with Article 16) or a prorated shift based on the portion of the 24 hour period away.

A casual nurse whose Escort Duty is cancelled prior to her/his arrival at the facility shall not be entitled to the payment or work noted above. If her/his

Escort Duty is cancelled after she/he has reported for duty, she/he shall be paid or assigned work for a period of four (4) hours.

It is understood that the full-time, part-time or casual nurse shall have the right to refuse the assigned work and as such she/he shall not be entitled to the minimum payment noted above.

- (b) A nurse going out on escort duty will not suffer any loss in basic salary as a result of missing any portion of a scheduled shift. Therefore, a nurse who is unable to return from escort duty in time to work a scheduled shift or portion thereof shall be paid for the missed hours at her/his basic salary. Where a nurse misses only a portion of her/his scheduled shift while on escort duty, she/he will be expected to work the remainder of her/his shift.
- (c) A nurse required for escort duty on a Recognized Holiday shall be paid in accordance with Article 22, and Article 16 if applicable, for all time involved with the patient assignment including travel time required to return to the facility.
- (d) A nurse on escort duty out of province/country shall be provided with a travel advance for all anticipated travel expenses (transportation, meals, accommodation) before commencing escort duty, unless the nurse chooses to make alternate arrangements. A nurse on escort duty within the province shall be provided with a ten dollar (\$10.00) meal advance at the commencement of escort duty, unless the nurse chooses to make alternate arrangements. A subsequent travel/expense claim will be submitted in accordance with the Employer travel policy.

ARTICLE 21 -- VACATIONS

2101 Unless otherwise agreed between the nurse and the Employer, the Employer will provide for vacation days to be taken on a consecutive basis, recognizing that five (5) vacation days [thirty-eight point seven five (38.75) hours] equals one (1) calendar week. The vacation year shall be from May 1st to April 30th. The dates used to calculate vacation earned shall be from the end of the last full pay period of April in one vacation accrual year to the end of the last full pay period of the following April. Vacation earned in any vacation year is taken in the following vacation year.

The nurse shall have the right to request which day of the week her/his vacation begins. Upon request, a nurse may be permitted to retain up to three (3) days of her/his regular vacation for the purpose of taking such time off for personal reasons such as religious observance or special occasion. Any such days not scheduled at the commencement of the vacation year shall be requested and duly considered in accordance with Article 1501.

2102 A nurse who has completed less than one (1) year of employment as at the cut-off date shall be entitled to a paid vacation at the rate of one and one-quarter (1.25) days per month worked, however, unless otherwise mutually agreed, the Employer is not obliged to permit earned vacation to be taken until a nurse has completed six (6) months of employment.

NOTE: Rate for Nurse IV and Nurse V occupational classifications shall be "1.66 days per month worked". This provision shall apply to each Nurse IV (where applicable) and Nurse V (where applicable) employed by the Employer on April 1, 1998. This provision will not apply to nurses who are newly employed as, or reclassified to, Nurse IV (where applicable) or Nurse V (where applicable) after April 1, 1998.

2103

(a) Except as provided in subsection (b) hereinafter, nurses shall be entitled to paid vacation calculated on the basis of vacation earned at the following rates:

<u>Length of Employment</u>	<u>Rate at Which Vacation Earned</u>
In the first three (3) years	Fifteen (15) days/three (3) weeks (116.25 hours) per year
In the fourth (4th) to tenth (10th) year inclusive	Twenty (20) days/four (4) weeks (155 hours) per year
In the eleventh (11th) to twentieth (20th) year inclusive	Twenty-five (25) days/five (5) weeks (193.75 hours) per year
In the twenty-first (21st) and subsequent years	Thirty (30) days/six (6) weeks (232.50 hours) per year

(b) In addition to (a) above, all nurses employed in the NIV or NV occupational classifications shall be entitled to paid vacation calculated on the basis of vacation earned at a rate which is five (5) days more than the rates at which vacation is earned in (a).

This provision shall apply to nurses employed in the classification of Nurse IV or higher on April 1, 1998. This Article will not apply to nurses who are newly employed as or reclassified to Nurse IV or higher after April 1, 1998.

2104 In recognition of length of service, each nurse shall receive an additional five (5) days of vacation on completion of twenty (20) years of continuous service, and on each subsequent fifth (5th) anniversary of employment (i.e. 25th, 30th, 35th, 40th, etcetera). Such days shall be taken during the vacation year in which the 20th or subsequent 5th anniversary occurs.

2105 For the purposes of determining the rate at which vacation is earned, the term of continuous service of a nurse will be deemed to include:

- (a) any periods when a nurse is receiving income protection benefits, is on paid vacation, is on paid leave of absence, is on unpaid leave of absence related to illness or disability of up to two (2) years
- (b) any period of Workers' Compensation up to two (2) years
- (c) any period of unpaid leave of absence of up to four (4) weeks
- (d) any period of layoff of less than eighteen (18) weeks
- (e) educational leave of up to two (2) years
- (f) any period of parenting leave.

2106 Nurses on Workers Compensation will continue to accrue paid vacation for a period of one (1) year from the date of the first absence from work, related to the occurrence of the compensable injury or illness.

2107 Terminal vacation pay shall be calculated in accordance with sections 2103 and 2105 and based on the nurse's rate of pay on the date of termination.

2108 The Employer shall notify each nurse, prior to her/his vacation, of the date and time upon which she/he is to report back to work following her/his vacation, but this will not preclude the making of a change during the nurse's vacation period if mutual agreement is reached between the Employer and the nurse.

2109 The Employer shall be responsible for posting the vacation entitlement lists, along with a list of the number of nurses in each occupational classification per unit that may be scheduled for vacation at one time, in an accessible location, by March 1st of each year. The vacation entitlement lists shall reflect each nurse's projected vacation entitlement as at April 30th of that year.

Beginning March 15th of each year, the Employer shall arrange an appointment with each nurse, in order of seniority, so that the nurse may indicate her/his choice of vacation dates, in writing. All of the nurse's earned vacation must be chosen at this time except for the three (3) days as per 2101. These appointments shall take place in person, unless otherwise mutually agreed, and shall include reviewing the vacation selected/approved to date.

The selected/ approved vacation schedule shall be updated on an ongoing basis and shall be posted daily in an accessible location. Once a nurse's vacation selection has been approved, it shall not be changed unless by mutual agreement and without displacing the request of another nurse.

Except in extenuating circumstances, a nurse who fails to indicate her/his choice of vacation dates in accordance with the above, shall have her/his vacation scheduled by the Employer. To the extent that it finds possible, the Employer shall give priority to those nurses in each occupational classification within each nursing unit having the most seniority within the facility.

The approved vacation schedule will be posted no later than May 1st. Approved vacation schedules within each nursing unit shall not be changed unless mutually agreed upon by the nurse and the Employer.

A nurse who transfers to another unit after her/his vacation request has been approved, shall have her/his vacation scheduled by the Manager of the new unit in consultation with the nurse within the time periods remaining during that vacation year.

Notwithstanding the above, as much as reasonably possible, the approved vacation of deleted and bumped nurses shall continue to be approved regardless of the unit they are displaced to. This shall not impact previously approved vacation of nurses in the new unit. If the displaced nurse prefers to reschedule the vacation at a time that is mutually agreeable to both the Employer and the nurse, that shall occur.

A nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year. Vacation may be paid out only in extenuating circumstances.

ARTICLE 22 -- RECOGNIZED HOLIDAYS

2201 For purposes of this Agreement, Recognized (paid) Holidays shall be New Year's Day (January 1st), Louis Riel Day (la journee Louis Riel), Good Friday, Easter Monday, Victoria Day, Canada Day (July 1st), the first Monday in August, Labour Day, Thanksgiving Day, Remembrance Day (November 11th), Christmas Day (December 25th), and Boxing Day (December 26th); and any other statutory holidays declared by federal or provincial authority.

2202 Whenever a Recognized Holiday falls on her/his scheduled days off, it is understood that this day off in lieu shall be banked in accordance with Article 2206, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse, or the nurse may request that she/he receive an extra day's pay at her/his basic rate of pay.

2203 A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times her/his basic pay and in addition it is understood that one (1) day off shall be banked in accordance with Article 2206, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse, or the nurse may request that she/he receive an extra day's pay at her/his basic rate of pay.

2204 A day off given in lieu of a Recognized Holiday shall be added to a weekend off or to scheduled days off unless otherwise mutually agreed.

2205 The Employer agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as reasonably possible over either Christmas Day or New Year's Day.

As much as reasonably possible, Christmas Eve and Boxing Day shall be assigned with Christmas Day; New Year's Eve shall be assigned with New Year's Day, unless otherwise mutually agreed.

2206 A nurse may accumulate up to four (4) days off in lieu of Recognized Holidays to be taken with scheduled days off or to complete a partial week of vacation or at such other time as is requested and granted in accordance with 1501. Unless otherwise agreed between the nurse concerned and the Employer, accumulated lieu days must be taken within the fiscal year in which they were earned.

ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION

2301 A nurse having accumulated income protection may claim basic pay for such income protection against such accumulation with respect to periods during which:

- (i) She/he was unable to work because of an incapacitation due to accident or illness, however, a nurse cannot receive income protection benefits for any period of time during which she/he is eligible for wage loss benefits from either the Workers Compensation Board or the Manitoba Public Insurance as a result of a motor vehicle accident [subject to 2303], or
- (ii) In the opinion of the Employer, her/his presence constituted a health hazard for patient and/or other employees and she/he was instructed by the Employer to leave her/his place of duty; or
- (iii) She/he attends an appointment related to a medical/dental examination and/or treatment, subject to 3704.

2302 Each nurse shall accumulate income protection at the rate of one and one-quarter (1.25) days for each full month of employment.

Note: For each one and one-quarter (1.25) days of income protection accumulated, one day* (80%) shall be reserved exclusively for the nurse's personal use as outlined in Article 2301. The remaining one-quarter (.25) of a day* (20%) shall be reserved for either the nurse's personal use as outlined in 2301, or for use in the event of family illness as specified in 2312. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

(*In the nurse's first year of employment, amend "one day" to read "three-quarters of a day" and amend "one-quarter of a day" to read "one-half of a day".)

2303

- (a) (i) A nurse who becomes injured or ill in the course of performing her/his duties must report such injury or illness as soon as possible to her/his immediate supervisor.
- (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.

Where a nurse is unable to work because of injuries sustained in a motor vehicle accident she/he must advise her/his supervisor as soon as possible and she/he must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a "waiting period" by MPI.

- (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPI decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (iv) Advance payment(s) shall not exceed the nurse's basic salary as defined in Article 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.
- (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the nurse.

- (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- (b)
- (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's basic salary as defined in Article 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
 - (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental care plan, *Disability & Rehabilitation plan, and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.
 - (iii) Further to this, the Employer shall notify Workers Compensation/Manitoba Public Insurance of salary adjustments at the time they occur.
 - (iv) In accordance with Section 41(6)(b) of the Workers Compensation Act of Manitoba, the Employer shall make application to the WCB by January 1, 1994 so that the WCB may

determine whether or not the supplements referenced in 2303(b)(i) shall continue in effect after January 1, 1995.

- (v) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits otherwise payable by the WCB/MPI, then such payment shall not be payable.
- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of 7A06 shall apply.
- (d) A nurse who is on D&R/WCB/MPI prior to the commencement of her/his vacation shall, upon her/his request, have her/his vacation displaced and such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. If the nurse's current annual vacation cannot be reasonably scheduled by the end of the current vacation year the nurse may elect to carry over to the next vacation year up to five (5) days of current annual vacation (pro-rated for part-time), however the nurse will not be allowed to select this vacation on the basis of seniority.

2304 The Employer shall be entitled to recover any income protection paid to a nurse if her/his employment is not continued beyond her/his probationary period, from the nurse's final termination cheque.

2305 A nurse who is unable to report for work due to illness shall inform the Employer prior to the commencement of her/his next scheduled shift(s). A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift(s) in question.

Prior to Day shift	--	One (1) hour
Prior to Evening shift	--	Three (3) hours
Prior to Night shift	--	Three (3) hours

A nurse returning to work following an absence of one week or more shall inform the Employer by 1200 hours the day prior to returning to work.

2306 The Employer, either at the time of notification by the nurse of claiming income protection, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's ability to perform her/his regular duties. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for her/him to resume her/his duties.

2307 Days off and Recognized Holidays or days given in lieu of Recognized Holidays which fall within a period of sick leave shall not be considered a part of, or charged to, the nurse's accumulated income protection.

2308 At the effective date of this Agreement, each nurse will retain income protection benefits accumulated and not used to that date.

2309 As soon as a nurse is aware of a date upon which surgery will occur, she/he shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for her/his intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to forty-eight (48) hours notice of cancellation.

2310 If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. Proof of such hospitalization and/or post-hospitalization period shall be provided if requested.

2311 The Employer will annually, on written request, provide each nurse with a statement of her/his accrued income protection credits.

2312 Subject to the provisions of 2302, a nurse may use income protection for the purpose of providing care in the event of an illness of a spouse, child or parent.

2313 A nurse who has completed the probationary period who is unable to perform her/his work by reason of an accident or illness not fully covered by income protection, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery; subject to review at three (3) months, or lesser intervals, at the discretion of the Employer.

ARTICLE 24 -- LEAVE OF ABSENCE

2401 The nurse will be required to submit a written request for any leave of absence unless otherwise herein stipulated. These requests will specify the reason for the leave and will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the agreement; however,

requests for education leave will be given special consideration. Except in emergencies, such requests must be made at least four (4) weeks in advance. The Employer shall notify the nurse of her/his decision in writing, within one (1) week of receipt of the request. Requests for extension of educational leave, maternity leave, paternity leave, adoption leave, and bereavement leave will be granted if reasonably possible.

Where a nurse requests to return to work prior to the expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired except as per 2408 C.6.

Where a nurse has been granted a leave of absence from her/his entire EFT, she/he shall be eligible to work additional available shifts. However, she/he shall not have preference over part-time nurses or casual nurses who offer to work these shifts. When she/he is awarded additional available shifts, she/he is compensated in accordance with Article 2703 (a) – (e).

Where a nurse has requested and been granted a partial leave of absence, she/he will be entitled to accrual of vacation, income protection credits, pre-retirement leave, and Recognized Holiday pay on a pro-rata basis.

2402 Overstaying of leave of absence without valid reason may be deemed as a resignation.

2403 The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For leaves of absence of sixty (60) weeks or less, the nurse is assured of being placed in the same occupational classification and at the same step on her/his salary scale on her/his return, but she/he cannot be assured of being placed in the same nursing unit, position or shift. In the case of longer leaves of absence, a nurse may be placed in any position covered by this Agreement and shall be reinstated at her/his previous salary, provided that such salary shall not exceed the maximum for the position in which she/he is placed. Notwithstanding 3001, a nurse not placed in her/his former position will be given consideration over other nurses for the first vacancy made available to her/him in a similar position.

Note: The following 2 paragraphs are in effect only for nurses who commenced a leave of absence prior to March 27, 2008. They do not apply to nurses who commenced a leave of absence on March 28, 2008 or later:

In cases where a Licensed Practical Nurse is eligible for or obtains a Registered Nurse/Registered Psychiatric Nurse designation, it is understood by the parties that should the nurse not be successful in obtaining a Registered Nurse/Registered Psychiatric Nurse position within the Facility, she/he shall be considered as laid-off.

In cases where a Licensed Practical Nurse has been granted an educational leave of absence to pursue a Registered Nurse/Registered Psychiatric Nurse designation and is unsuccessful, it is understood by the parties that she/he shall be considered as laid-off.

2404 There shall be no loss of income protection accumulations or vacation accumulations up to the date of any leave of absence whether granted with or without pay.

2405 Income protection and vacation benefits will continue to accrue during any period of an unpaid leave of absence, approved by the Employer of four (4) weeks or less.

2406 Professional Leave: If, in the opinion of the Employer it is in the best interests of patient care, nurses may, whenever practicable, be granted time off with pay in order to attend professional or educational meetings, conventions, workshops and institutes.

2407 Education Leave:

(a) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during working hours, the Employer shall pay registration or tuition fees, and approved expenses and shall ensure that the nurse suffers no loss of salary.

(b) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during non-working time, the Employer shall pay registration or tuition fees, and approved expenses and shall pay for the time of such attendance at straight time rates.

(c) Educational Development:

A nurse shall be granted, upon written request, funding up to a maximum of \$200 per fiscal year, to attend approved workshops, courses, and other programs that are relevant to nursing practice. Such requests must be submitted to the senior nursing manager or designate prior to attendance at such program. The \$200 allowance referenced herein shall be for reimbursement of tuition or registration and recommended/required books and shall occur upon satisfactory completion of the workshop, course, or educational program.

- (b) she will return to work on the date of the expiry of her maternity leave and where applicable, her parental leave, unless this date is modified as per C.6 below.
- (c) should she fail to return to work as provided under (a) and/or (b) above, she is indebted to the Employer for the full amount of pay received from the Employer as a maternity allowance during her entire period of maternity leave.
- (d) In the event the nurse does not complete the full period of service as required under Part (a) and (b) above, she shall repay a portion of the "top up" as follows:

5. Plan B does not apply to a newly hired nurse occupying a term position.

If requested by the nurse, extensions to leaves under this clause will be granted in accordance with 2401.

2. Except as outlined below, any nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year or pay out any monies owing.

Where Parenting leave is thirty-seven (37) weeks or less, vacation shall be scheduled and taken in accordance with the provisions of the Collective Agreement. No carry-over of vacation is permitted.

Where Maternity and/or Parental Leave exceeds thirty-seven (37) weeks, the nurse may elect to carry over to the next vacation year, up to five (5) days of current annual vacation. The balance of the current annual vacation will be paid out at a time immediately following the period during which EI benefits were payable (even if this period extends into the following vacation year).

Any vacation earned up to the time of the commencement of leave will be retained and will be available to be taken in the following vacation year.

3. Subject to 4. below, Parental Leave must commence no later than the first anniversary date of birth or adoption of the child or of the date on which the child comes into actual care and custody of the nurse.

Part-time nurses shall be entitled to a pro rata amount of this leave based on their hours paid at regular rate of pay in the previous six (6) months.

(2) weeks or one pay period, whichever is longer, before the day the nurse wants to end the leave.

ARTICLE 25 -- SENIORITY

2501 "Seniority" shall be defined as the length of the nurse's continuous employment from the last date on which she/he commenced work at the Facility, subject to Article 34 herein.

2502 Seniority shall be considered as a factor in vacancy selection (including promotion and transfer), demotion, and if all other posted selection criteria are equal, it shall be considered as the governing factor. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one classification to another.

2503 The seniority of a nurse will be retained but will not accrue if:

- (i) she/he is on any unpaid leave of absence in excess of four (4) consecutive weeks except those referenced in (ii) below, and those referenced in Article 2504;
- (ii) she/he is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or D & R, for a period of more

 - (v) she/he is on any period of unpaid leave of absence of less than four (4) weeks, except those referenced in (iv) above;
 - (vi) she/he is laid off for less than twenty-six (26) weeks;
 - (vii) she/he is on parenting leave;
 - (viii) she/he is on Educational Deferred Salary Leave.

Note: Accrual under these provisions is based on the nurse's regular EFT.

 - (iii) she/he is laid off for more than five (5) years;
 - (iv) she/he fails to report for duty within seven (7) days after notification to do so, subject to Article 2706;

2506

The Employer shall once annually, by January 31st, provide the Union with a seniority listing of names of nurses within the scope of this agreement, together with the length of each nurse's continuous employment with the Employer. Any alleged errors in the list will be reviewed by the Employer and corrected as soon as possible.

ARTICLE 26 -- NOTICE OF TERMINATION OF EMPLOYMENT

2601 Employment may be terminated voluntarily by a nurse or for just cause by the Employer subject to the following periods of written notice, exclusive of any vacation due:

- (a) for classifications other than Nurse IV or Nurse V -- four (4) weeks, and
- (b) for Nurse IV and Nurse V classifications -- six (6) weeks.

2602 Employment may be terminated with less notice or without notice:

- (a) by mutual agreement between the nurse and the Employer for special circumstances, or
- (b) during the probationary period of a newly hired nurse subject to Article 31 herein, or
- (c) in the event a nurse is dismissed for sufficient cause to justify lesser or no notice.

2603 The Employer may give equivalent basic pay in lieu of notice.

2604 Subject to other provisions contained in this Agreement relative to termination of employment, each nurse shall, unless otherwise mutually agreed, upon termination of her/his employment and within five (5) office working days following the completion of her/his last working shift, receive pay in lieu of unused vacation, and all salary earned to date of termination.

ARTICLE 27 -- LAYOFF AND RECALL

2701 When a reduction in the working force becomes necessary, nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified, competent and willing to perform the required work.

2702 Notice of intention of layoff or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- Layoffs of six (6) weeks or less - two (2) weeks notice;
- Layoffs of longer than six (6) weeks - four (4) weeks notice.

A nurse who is on layoff shall not be entitled to notice of layoff when she/he comes back to work on an incidental basis.

2703 No layoff of full-time or part-time nurses shall occur when casual nurses are being employed, unless no full-time or part-time nurse on staff is qualified, competent and willing to fill the position(s) in question.

Notwithstanding Article 3402, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided she/he is qualified, competent and willing to perform the required work. During the first three (3) years of a layoff, the nurse on layoff will receive preferential consideration for the assignment of such shifts provided that this will not result in her/him working in excess of her/his regular EFT commitment. During the period between three (3) to five (5) years, a laid off nurse may indicate availability for additional available shifts but will not receive preferential consideration over part-time nurses. Notwithstanding 1405, during the period between three (3) to five (5) years where a nurse does not work all or part of said additional available shift(s), for any reason, payment shall be made only in respect of hours actually worked; this is not applicable to the base EFT of a term position occupied by a laid off nurse.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

(a) vacation pay shall be calculated in accordance with section 2103 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,

(b) income protection accumulation shall be calculated as follows:

Additional available hours worked by the laid-off nurse -----	X	Entitlement of Full-time Nurse
Full-time hours		

(c) in the event the layoff is longer than twenty-six (26) weeks, seniority shall be calculated in accordance with regular hours worked,

(d) the nurse shall be paid four point six two percent (4.62%) of the basic rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours and shall be included in each pay cheque,

(e) participation in benefit plans is subject to the provisions of each plan.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 25.

However, a nurse on layoff who agrees to work in a term position shall retain her/his right to be recalled into a permanent position while working in the term position.

2704 No new nurses will be hired when other nurses are on layoff except for reasons of a special skill requirement.

2705 All nursing job vacancies, permanent and term, shall be posted in accordance with the terms of this agreement. Nurses on layoff shall be entitled to apply for these vacancies.

2706 Nurses shall be recalled in seniority order to available positions in equal or lower paid occupational classifications provided they are qualified to perform the required work. Such recall shall be made by registered mail or by personal service and shall provide for at least one (1) week's notice to report back to work.

The nurses affected will contact the Department of Nursing by telephone not later than four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have her/his employment terminated.

2707 In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise her/his seniority rights, subject to her/his ability, performance and qualifications, to displace a nurse in a position of equal or lower classification. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

2708 Laid off nurses shall be entitled to apply for nursing job vacancies other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local during the period when any nurses are on layoff.

2709 Accumulated vacation entitlement shall be paid out at time of layoff except where, prior to the date of layoff, a nurse has been awarded a term or permanent position which commences within four (4) weeks of date of layoff.

2710 Nurses who are absent from work due to a leave of absence for any reason shall be advised of layoff or deletion of their position in accordance with this Agreement and shall be required to comply with all provisions of this Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence.

ARTICLE 28 -- PROMOTION AND SECONDMENT

2801 Upon promotion, a nurse shall receive a salary applicable to her/his new classification which provides an increase of at least one increment above her/his former salary. A promotion shall mean an increase in classification from one occupational classification to another.

2802 The nurse's anniversary date of employment prior to promotion shall continue to govern with respect to increments.

2803 The first three (3) calendar months following a nurse's promotion shall be considered to be a trial period, and the Union shall be notified by the Employer. During the first six (6) weeks of this trial period, the nurse may return to her/his former position at her/his request or be returned to her/his former position by the Employer. During the last six (6) weeks of this trial period, she/he may return to her/his former classification at her/his request or be returned to her/his former classification by the Employer.

2804 In the event of a temporary lateral secondment being necessitated by an unforeseen staffing shortage on a nursing unit, this secondment will be made as close to the commencement of the shift as possible. Selection of the nurse to be seconded shall be based on ability and experience and shared as equally as possible.

Orientation will be provided of sufficient duration to assist the nurse in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, and fire and disaster plans.

ARTICLE 29 -- DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE

2901 In all instances where the Employer considers that a nurse warrants disciplinary action, the Employer shall make every effort to take such action at a meeting with the nurse and shall give the nurse advance notice of the nature of the complaint. The nurse may be accompanied at the meeting by a Union representative.

2902 If the action referred to in the above clause results in a written warning, suspension, demotion or dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons either by registered mail or personal service.

2903 A nurse who is demoted due to inadequate performance shall be paid at the step of the lower scale that corresponds to her/his level of experience.

2904 If a nurse is reclassified to a lower paid position because of changing conditions within the Facility, she/he will retain her/his current salary level until the salary scale of the lower position reaches her/his level of salary.

The application of this provision as it relates to the deletion, layoff/recall procedure shall be limited to a three (3) year period from the date the nurse assumes a position in the lower paid classification or until the salary scale of the lower position reaches her/his level of salary whichever occurs first.

2905 A nurse shall be given the opportunity to examine any document which is placed in her/his personnel file, including, but not limited to, those documents which

may be utilized to substantiate a disciplinary action against her/him, and her/his reply to any such document shall also be placed in her/his personnel file. Upon written request the nurse shall also receive an exact copy of such document.

2906 A nurse accompanied by a Union representative if she/he so elects may examine her/his personnel file upon request. A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in her/his personnel file. The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter. Any nurse who has been terminated may consult her/his file and upon written request shall receive copies of specified documents so long as the written request is made within sixty (60) days of her/his termination.

2907 There shall be one (1) personnel file maintained by the Employer for each nurse.

ARTICLE 30 -- VACANCIES, TERM POSITIONS AND NEW POSITIONS

3001 Subject to section 3002 herein, the Employer agrees to post notices of vacant, term or new positions covered under this Agreement for at least seven (7) days to enable nurses presently in the employ of the Employer to apply for same. Such posting shall not preclude the Employer from advertising outside the site premises. All postings shall state minimum qualifications required, the equivalent to full-time (E.F.T.) and date of closing of the competition. Job descriptions shall be available to applicants on request.

3002 The Employer will be required to post a notice of vacancy for only five (5) days for a vacancy that is created by:

- (a) a nurse terminating employment and not giving the full period of notice as specified in Article 26 herein, or
- (b) a transfer occasioned by posting.
- (c) Where a term position has been created due to a leave of absence where less than four (4) weeks notice has been given.

3003 Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written application for the vacant, term or new position.

3004 Each nurse who applies for a posted vacancy will be notified in writing of the disposition of her/his application. The name of the successful applicant and the position awarded will be posted on the bulletin board for a period of seven (7) calendar days with a copy of this information forwarded to the Union.

In the case of a nurse from the bargaining unit being awarded a position, her/his transfer shall be carried out within the time frame of the period of notice of termination for the position from which she/he is transferring, unless otherwise mutually agreed between the nurse and the Employer.

3005 The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, her/his placement on such scale, and any special conditions that may be applicable to her/his appointment.

3006 "Term Position":

A position occupied by a full-time or part-time nurse for a specified period of time, up to a maximum of sixty (60) weeks, where patient/client/resident census or workload necessitates a temporary increase in staffing, if mutually agreed, to replace a nurse(s) who is/are on vacation or leave of absence, or to carry out a special short term project or where the Employer has provided notice of permanent deletion of position(s) under the Memorandum of Understanding regarding Employment Security, or as otherwise mutually agreed between the Union and the Employer. If the Employer determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Articles 34 and 35 when the Employer decides that a term position is not required.

The Employer shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Employer so requests and the Union agrees.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Employer shall state on the job posting that the said term position is an "Indefinite Term" which will expire subject to a minimum of twenty-four (24) hours notice. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on maternity or parental leave wants to exercise her/his right to return from such leave earlier than anticipated, having given appropriate notice as per 2408 C.6, the Employer shall state on the job posting that the said term position is a "maternity or parental leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

On expiry of the term position the nurse:

- (a) newly hired from outside the Facility or a casual nurse from within the facility shall be entitled to exercise her/his seniority rights to obtain any vacant position for which she/he is qualified, without interruption of seniority or benefits if the position commences within four (4) weeks of the expiry of the term position.
- (b) who was employed by the Employer immediately prior to accepting the term position shall return to her/his former position if reasonably possible. A nurse not returned to her/his former position shall be returned to her/his former occupational classification and employment status.

ARTICLE 31 – PROBATIONARY PERIOD

3101 The period from the date of last employment to the completion of three (3) calendar months of employment for full-time nurses [and from the date of last employment to the later of completion of four (4) calendar months or thirty (30) shifts worked for part-time nurses] will be recognized as a probationary period. During such period the nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer from extending the probationary period of a full-time or part-time nurse up to an additional three (3) calendar months providing that the Employer gives written notification to the Union specifying the reason(s) for the extension.

ARTICLE 32 -- PERFORMANCE APPRAISALS

3201 The Employer shall complete a written appraisal of a nurse's performance at least bi-annually. Upon request, the nurse shall be given an exact copy of the appraisal.

3202 The nurse shall have an opportunity to read such document.

3203 The nurse's signature on such document merely signifies that the contents of the document have been read.

3204 If the nurse disputes the appraisal, she/he may file a reply to the document in accordance with Article 29, and/or she/he may file a grievance under Article 12 of this Agreement.

ARTICLE 33 -- DAMAGE TO PERSONAL PROPERTY

3301 In recognition of the fact that during the performance of their duties nurses may have their clothing or other personal property damaged, the Employer agrees to make appropriate compensation for same in accordance with Employer policy.

ARTICLE 34 -- SPECIAL UNDERSTANDINGS RE PART-TIME NURSES

3401 A part-time nurse shall be assigned and committed to work her/his EFT as agreed to in writing at the time of commencing employment. This written agreement shall only be revised when the nurse secures an alternate position in accordance with the provisions of the Collective Agreement.

3402 Part-time nurses who make known to the Employer that they wish to work occasional additional available shifts shall be given preference for such shifts unless the part-time nurse has already worked in that day. Assignment of these additional shifts shall be distributed as equitably as possible amongst those nurses qualified for the assignment.

3403 A part-time nurse called back to work hours in excess of a shift (as defined in 1404) in any one (1) day shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

3404 Except for part-time nurses who agree to work on a greater number of weekends, it is understood that a part-time nurse may be required to work on alternate weekends.

3407 Part-time nurses will be paid four point six two percent (4.62%) of their basic pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 16) and shall be included in each regular pay cheque.

3408 A part-time nurse shall receive increments (calculated from the date of her/his last increment, or her/his starting date as the case may be) on the basis of one (1) increment for each 1343 hours worked or one (1) year's service, whichever occurs later. In the case of the increment being given on the basis of 1343 hours worked, it shall be applied to the pay period next following completion of 1343 hours worked.

3409 Seniority accumulated by a part-time nurse up to December 31, 1978 shall be retained; and effective from January 1, 1979 seniority will be calculated in accordance with regular hours worked.

3410 Subject to Article 3806, a nurse whose employment status changes from part-time to full-time shall be entitled to receive an increment on the later of :

(a) one (1) calendar year from the date of his/her last increment, or date of employment as the case may be;

(b) on completion of 2015 hours calculated under the formula:

$$B = 2015 - (A \times 3/2)$$

B = number of hours remaining to be worked as part-time to earn an increment.

3412 Where a Recognized Holiday (or the Employer's designated lieu day) falls on a part-time nurse's normally scheduled day of work but the nurse's department/unit/program is closed, it is recognized that the nurse shall receive an unpaid leave of absence unless she/he requests one of the following options:

- The nurse(s) may request to use one (1) of her/his retained vacation days or banked overtime in accordance with Article 1501; or
- Notwithstanding Article 3402, the nurse may request to be scheduled for an alternate shift, subject to the availability of work and provided she/he is qualified to perform the required work. This alternate shift must be requested a minimum of 2 weeks in advance of, and scheduled within, the posted shift schedule in which the Recognized Holiday falls. It is understood that this rescheduled shift will be payable at the nurse's basic rate of pay.

3503 Casual nurses are paid in accordance with the salaries specified in Appendices "A" and "B" and receive a starting salary as described in Article 38.

A casual nurse shall receive increments (calculated from the date of her/his last increment, or the nurse's start date as the case may be) on the basis of one (1) increment for each 2015 regular hours worked. Such increment shall be applied on the first day of the first pay period following completion of 2015 hours.

A “year” or “the annual HSA benefit” is defined as the calendar year – January 1st to December 31st.

In order to be eligible for the HSA, a nurse must be enrolled in the “Enhanced” Extended Health Care Plan.

Nurses hired on or after April 1, 2010, who become enrolled in the “Enhanced” Extended Health Care Plan will commence HSA coverage following one (1) year participation in the “Enhanced” Extended Health Care Plan.

Unutilized HSA monies are not carried over to the subsequent year.

ARTICLE 40 – OVERPAYMENTS

4001 The Employer may not make deductions from wages unless authorized by statute, by Court Order, by Arbitration Award, by this Agreement, by the Union or to correct an overpayment error made in good faith. Where an error has been made in good faith, the Employer shall be entitled to recover any overpayment made, for a period of time that does not extend further back than twelve (12) months from date of discovery, provided:

- (a) Once the error is discovered, notice and a detailed breakdown of the error is given by the Employer to the affected nurse and the Union as soon as practicable;
- (b) The proposed recovery is made in as fair and reasonable a manner as possible; and,
- (c) The proposed recovery is made over a period of time which is no less than the period during which the overpayment was made unless otherwise agreed between the Employer and the nurse.

In the event the nurse retires from, or leaves the employ of the Employer before the Employer is able to fully recover an overpayment as contemplated in this Article, the Employer shall be entitled to make a full recovery at the time of retirement or termination of employment of that nurse and reduce accordingly any payments that might be owing to that nurse to recover the overpayment.

17. Re: Mentorship

The Employer and the Union acknowledge that Mentorship is every nurse's professional responsibility. In the case of new Graduate Nurses, a more intensive approach to mentorship may be warranted.

The Employer and the Union believe that Mentorship of new Graduate Nurses is necessary and important and will facilitate transition from the student role to the practicing professional role and build a culture of support that will foster the retention of new Graduate Nurses. Further, the Employer and the Union recognize that this may be accomplished in a variety of ways dependant on the unique circumstances and demographics of each workplace. Mentoring may represent an opportunity for late career nurses who are interested in imparting their experience and knowledge.

For the purposes of this Memorandum of Understanding, a "Mentor" is defined as an experienced Registered Nurse, Registered Psychiatric Nurse or Licensed Practical Nurse engaged in a formal relationship of a determined length with a new graduate

nurse(s) in order to assist the graduate nurse(s) in successfully adjusting to the working environment and performing her/his new role as a professional nurse.

Prior to the commencement of a mentorship relationship, the Employer and the nurse will discuss work assignment adjustments required in order for successful mentorship completion.

The Employer will identify attributes required for a mentorship role based on leadership skills, clinical expertise, professionalism, interpersonal skills and advocacy of the nursing profession.

A Registered Nurse or Registered Psychiatric Nurse or Licensed Practical Nurse shall receive an additional \$0.70 per hour for each hour assigned by the Employer as a mentor.

18. Re: Portability

1. A nurse who is/was employed by an Employer in Manitoba who participates at MNU Central Table negotiations, who is awarded a position with another Employer in Manitoba who participates at MNU Central Table negotiations, and who commences employment with this Employer within six (6) weeks of termination of employment from her/his former Employer, will be entitled to portability of benefits as specified hereinafter:
 - (i) accumulated income protection benefits;
 - (ii) length of employment applicable to rate at which vacation is earned;
 - (iii) length of employment applicable to pre-retirement leave;
 - (iv) length of employment applicable for qualification for the Magic 80 pension provisions;
 - (v) length of employment applicable to next increment date;
 - (vi) continuation of all Benefit Plans;
 - (vii) seniority credits (in accordance with receiving Collective Agreement).

The following Portability Guidelines are not part of the Collective Agreement but are here for guidance in interpretation

Guidelines for the Implementation of the Memorandum re: Portability

1. *The provisions of the Portability Memorandum shall be effective [retroactive to] April 1, 2002.*
2. *Where portability is implemented retroactively, the items ported shall be on a "go forward" basis. No processes [e.g. vacation selection, vacancy selection] or access to benefits [e.g. income protection] shall be adjusted retroactively.*

3. *The onus is on the nurse to advise her/his new Employer that there are benefits/seniority to port.*
4. *The provisions of the memorandum only apply where a nurse terminates from one Employer and commences employment with another Employer. It does not apply to "merge" employment/benefits etc. from two or more Employers to one of those Employers.*
5. *Once notified of portability of benefits/seniority, the receiving Employer shall notify the sending Employer by forwarding a "Portability Form" to the sending facility. That facility will complete the form as soon as possible and forward to the receiving facility. The Portability Benefits Transfer form shall be provided in its entirety to the receiving Union.*
6. *Portability applies for employment into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are ported at the time of employment. Should the nurse not obtain a permanent position in accordance with the new Employer's collective agreement, all seniority and benefits shall terminate, unless she/he in turn obtains employment with another MNU Employer where portability applies, and within the time lines specified.*
7. *Employment terminates with the sending facility and commences with the receiving facility, in order for Portability to apply. Therefore, accrued vacation is paid out by the sending facility; only the accrual rate is ported.*
8. *A nurse who occupies a casual position at a receiving facility AND a permanent or term position at a sending facility, AND who subsequently obtains a permanent or term position at a receiving facility, will be allowed to transfer seniority and benefits accrued in the permanent or term position at the sending facility, to the newly acquired permanent or term position in the receiving facility. The seniority accrued as a casual at a receiving facility cannot be added to the seniority being transferred with the permanent/term position.*

NOTE: Current contract provisions re placement on salary scale when nurses resign a permanent or term position and remain on the casual roster continue to apply.

19. Re Nurse Weekend Worker (Hereinafter referred to as Weekend Worker)

Where the Employer chooses to implement a Weekend Worker position(s) the Employer and the Union mutually agree that the following shall apply:

- (a) All provisions of the Collective Agreement shall apply except as noted herein.
- (b) Occupied positions will not be deleted in order to create a Weekend Worker position(s).

- (c) A nurse working a weekend schedule will be scheduled to work on every weekend. This may include working one or all days on the weekend as well as shifts during the week. Article 1504(d) and 3404 shall not apply to Weekend Workers.
- (d) Weekend Workers positions shall be posted in accordance with the provisions of the Collective Agreement.
- (e) A nurse replacing a Weekend Worker shall not be entitled to the rate of pay applicable to the Weekend Worker. However, the Weekend Worker who interchanges a shift with a non Weekend Worker shall be paid at her/his Weekend Worker rate of pay for the interchanged shift.
- (f) A Weekend Worker who picks up additional available shifts shall not receive the Weekend Worker rate of pay for such shifts.
- (g) The establishment and/or existence of a Weekend Worker shall not form the basis for reclassification and/or pay adjustments of any classification under the Collective Agreement.
- (h) The Employer maintains the right to discontinue a Weekend Worker schedule with a minimum of six (6) weeks notice, at which time the schedule may be converted to normal scheduling requirements pursuant to the Collective Agreement and the rate of pay shall revert to the prevailing rate of pay for that occupational classification. Deletion of Weekend Worker incumbents is not required for schedule conversions where there are no other changes in the position except the conversion from a Weekend Worker rotation to a regular rotation.
- (i) Appendix "A" – Salaries for Weekend Worker positions shall be fifteen percent (15%) higher than the prevailing rate for that occupational classification.

20. Re: Increase of EFT

Notwithstanding Article 30, the EFT of a part-time nurse may be increased in accordance with the following process:

The parties agree that it may be of mutual benefit to the nurses and the Employer to allow part-time nurses, who request to do so, to increase their EFT.

- (a) Requests to permanently increase EFTs shall be made in writing by part-time nurses at a date determined by the parties which shall be set no earlier than September 1, 2010. The nurses shall indicate the maximum EFT to which they wish to increase.

- (b) A nurse may increase her/his EFT up to a 1.0 EFT.
- (c) In considering requests, the Employer shall consider such factors as current EFTs, shift assignments, shift schedules, the unit(s) needs and the requirements of Article 15. If the request by nurses within a unit exceed the availability within that unit as determined by the Employer, the Employer shall offer in order of seniority. The final determination shall be made no later than December 31, 2010.
- (d) A part-time nurse shall not be permitted to increase her/his EFT while other nurses are on layoff from that unit unless such laid off nurses have been recalled or have declined recall.
- (e) Where any request to change EFT has been approved, the Employer shall issue a letter to the nurse confirming the nurse's new EFT in accordance with this Collective Agreement along with an effective date.
- (f) Copies of all requests and responses to requests to adjust EFT shall be provided to the Union.
- (g) Any changes to a master rotation as a result of changing EFTs shall be done in accordance with the provisions of 1504 and shall be completed prior to the commencement of the vacation scheduling period.
- (h) The Employer is not prevented from exercising any of its normal management rights as a result of this Memorandum of Understanding including, without limitation, the right to post vacant positions.

For the duration of this Collective Agreement, the Employer and the Union shall meet on or before May 31st annually to determine if they wish to repeat the EFT adjustment process in the following year. There must be mutual agreement to repeat this process.

21. Re: Secondment of a Nurse Elected to Serve as President of the Manitoba Nurses' Union

The Employer and the Union agree each with the other as follows:

1. A nurse employed by the Employer who is elected to the full-time position of President of the Manitoba Nurses' Union, shall be considered as continuing in the employ of the Employer during the nurse's term of office as President of the Manitoba Nurses' Union and shall be considered to be seconded to the Manitoba Nurses' Union during the term of office.

2. For the purposes of administering the period of secondment, the Accounting and Information Technology Coordinator of the Manitoba Nurses' Union shall function as the official contact person in any dealings with the Employer. In addition the Accounting and Information Technology Coordinator of the Manitoba Nurses' Union shall be accountable for:

- (i) notifying the Employer, in writing, of the official commencement and termination date of the President's term of office;
- (ii) determining the bi-weekly payroll record of the President and notifying the Employer of same.

The Union shall save the Employer harmless from any claim from the President arising from alleged error(s) in the payroll record.

3. Reimbursement of Employer Costs

The Manitoba Nurses' Union shall assume the responsibility for reimbursing the Employer for total recovery of payroll and related costs associated with the President's term of office, as follows:

- (i) gross salary, including paid vacation, income protection and any other paid leave of absence authorized by the Accounting and Information Technology Coordinator
- (ii) Employer portion of C.P.P.;
- (iii) Employer portion of E.I.;
- (iv) Workers Compensation premiums;
- (v) Payroll tax;
- (vi) Employer portion of Benefit Plan premiums (pension plan, group life insurance plan, dental plan);
- (vii) Pre-retirement leave.

The Employer shall provide the Accounting and Information Technology Coordinator with a monthly statement of the above-referenced payroll expenses incurred during the nurse's period of secondment to President of the Manitoba Nurses' Union.

4. Income Protection

- (i) The Union President will accumulate income protection credits at the rate of one and one-quarter (1.25) days per month during the period of secondment. In the event that the Manitoba Nurses' Union President is absent during the secondment period due to accident or illness and the income protection credits accumulated during the period of secondment are insufficient to cover full payment of sick leave, the Employer will pay the Manitoba Nurses' Union President from income protection credits accumulated prior to the secondment period and bill the costs to the Manitoba Nurses' Union, subject

to paragraphs (ii) and (iii) below.

- (ii) Upon the nurse's return to work following the period of secondment the amount of income protection accumulated during the period of secondment will be reconciled against the amount of income protection utilized during this same period. In the event the difference is positive i.e. the amount accumulated is greater than the amount utilized, the nurse will be eligible to utilize the difference (unutilized income protection credits) at a future date. It is understood that utilization of these income protection credits may only occur once the nurse exhausts all income protection credits accumulated during her/his normal course of employment with the Employer.
- (iii) It is further understood that these income protection credits shall not be stored in the nurse's income protection bank within the computerized payroll system. Following the period of secondment, a record of these credits will be provided to the nurse along with a copy in the personnel file of the nurse. In the event and at the point that the nurse wishes to utilize these income protection credits, she/he will advise the Human Resources Department. The Employer will pay said income protection and bill the Manitoba Nurses' Union for the cost.

5. Disability & Rehabilitation Plan (D & R)

The President will have coverage under the HEBP Disability & Rehabilitation (D & R) Plan. During the D & R elimination period, if income protection credits earned during the period of secondment are insufficient to cover full payment, the Employer will pay the Manitoba Nurses' Union President from income protection credits accumulated prior to the secondment period and bill the costs to the Manitoba Nurses' Union, subject to paragraphs 4.(ii) and 4.(iii) above.

6. Accumulation of Paid Vacation

The President will accumulate vacation credits at the rate of six (6) weeks per year.

For the purposes of reconciliation, the Employer is financially responsible for the vacation earned by the nurse while she/he is engaged in her/his normal course of employment with the Employer and the Manitoba Nurses' Union is financially responsible for the vacation earned by the nurse during the period of secondment.

7. Seniority/Service

- (i) Seniority shall continue to accrue during the period of secondment.
- (ii) Following the expiry of the period of secondment, the Manitoba Nurses'

Union President's normal increment date will be delayed for a period of time equivalent to the period of secondment. The time worked between the date of the last increment to the date that the nurse assumed the office of Manitoba Nurses' Union President shall count toward the granting of the next increment.

8. This Memorandum of Understanding shall remain in force until revised by mutual agreement between the parties or until terminated by either party.

Re: Job Sharing

1. When a full-time position is posted, two (2) nurses may apply to equally share that position. The decision to allow two (2) nurses to split a full-time position rests solely with Management who will consider the needs of the area.
2. In the event that one (1) nurse in the job sharing position is in receipt of vacation, income protection, or is on an L.O.A., the other nurse in the job sharing position may be offered first option to refuse the additional available shifts created by the absent nurse in the job sharing position.
3. In the event that one (1) of the nurses sharing a full-time position resigns, the position will be posted as full-time with the following wording noted on the job posting:

"This full-time position is currently being filled by two (2) nurses working part-time. The remaining nurse wishes to continue working her/his half of the rotation and she/he will be allowed to do so if another nurse is willing to work the other half of the rotation. If you wish to apply for the other half of this rotation, please apply in the normal manner stating same."
4. Providing there is another nurse willing to share the full-time rotation the remaining nurse will be maintained in the shared position.
5. If no nurse is willing to share the rotation with the remaining nurse, the posted position will be offered to the remaining nurse as full-time and will be granted to her/him if she/he wishes to change from part-time to full-time.
6. If the remaining nurse refuses to accept the position on a full-time basis, the position may be offered as full-time to the most suitable applicant for the full-time job posting.
7. The remaining nurse will then be offered any part-time position that is currently vacant and if none is available, she/he shall be dealt with in accordance with Article 27, excluding 2701, 2704, 2705 paragraph 3, and 2707.

8. The initial job sharing position shall be on a trial period for six (6) months from the date of implementation. At the end of that six (6) month period an evaluation of the job sharing position will be conducted. In the event that the job sharing position is discontinued at the end of the six (6) month period, the two (2) nurses in the job sharing position shall be returned to their former positions.
