

## **ATTENTION: LICENSED PRACTICAL NURSES**

### ***One-time offering of the Red River College Diploma Nursing Accelerated (RN) Program for Licensed Practical Nurses only***

Red River College will be offering a special one-time delivery of the Diploma Nursing Accelerated (RN) Program for Licensed Practical Nurses only beginning in May of 2011 in Winnipeg. You must be a post-1997 (i.e. 1998 or later) graduate of the Assiniboine Community College Practical Nursing Program and be currently licensed and employed as an LPN to be considered for this program. ***Applications are currently being accepted for this program. Please write "LPN to DNA" at the top of your application form.***

For information about the special offering and the admission process, please go the Red River College website at:

[www.rrc.mb.ca](http://www.rrc.mb.ca) ...look up the Diploma Nursing Accelerated Program by clicking on Programs and Courses; clicking on the Alphabetic Listing under fulltime programs; clicking on the letter D; clicking on Diploma Nursing (Accelerated)

***\*\* If you want to access information about LPNs and the new BN Program follow the same directions as above except click on the letter N and then click on Nursing Baccalaureate.***
