1203 A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

1204 A nurse or Union representative shall request permission from their immediate supervisor to leave their duties in order to process grievances; they shall report to their immediate supervisor upon their return; they shall be granted this permission when, in the opinion of their immediate supervisor, it will not prejudice care, student education or require any staff replacement in either area. They shall not suffer loss of pay when engaged in such activities during regular working hours.

1205 Complaint Discussion Stage
A nurse shall, within fifteen (15) days of the occurrence of the grievance, attempt to resolve the matter through discussion with their immediate supervisor outside the bargaining unit, and if the matter is not settled to their satisfaction the nurse may proceed with a grievance themselves or elect to be represented by a Union representative.

1206 Step One
If the grievance is not resolved within the time period specified in Article 1205 above, the grievor and/or Union representative may, within a further ten (10) days submit the grievance in writing to the Executive Director or designate. The Executive Director or designate shall reply in writing within ten (10) days of receipt of the written grievance.

A grievance concerning general application or interpretation of the Collective Agreement, including the question of whether the matter falls within the scope of this Collective Agreement, or which affects a group of nurses may be submitted at Step 1.

1207 Step Two

If the grievance remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the Human Resources Business Partner. The Human Resources Business Partner shall reply in writing within ten (10) days of receipt of the written grievance.

1208 For purposes of determining the lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1209 The time limits fixed in the grievance procedure may be extended by the mutual agreement of the Employer and the Union and shall be confirmed in writing. The parties agree that "in writing" includes electronic communications such as email.

1210 Subject to the provision of Article 1209 above, and subject to Section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

1211 Should a grievance arise out of the discharge of a nurse, it shall proceed directly to Step 2 of the Grievance Procedure. It must be submitted in writing within ten (10) days following the date of discharge.

1212 Employer's Grievance

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation by the Union or a number of nurses, of this Collective Agreement by forwarding a written statement of such grievance to the Local President of the Union with a copy to the Manitoba Nurses' Union Labour Relations Officer providing it is presented within twenty (20) days after the circumstances giving rise to the grievance have originated or occurred. The President of the Union shall give their decision within ten (10) days after receipt of the written grievance, and failing settlement the grievance may be submitted to arbitration by the Employer in accordance with the provisions of Article 13.

ARTICLE 13 -- ARBITRATION PROCEDURE

1301 In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 1207 is received from the Human Resources Business Partner, the matter may then be referred to arbitration by the Union or the Employer as hereinafter set forth.

1302 A referral for arbitration shall be made in writing by either party, addressed to the other party to this Collective Agreement, within the time defined in Article 1301. The referral for arbitration shall contain the names of three (3) proposed sole Arbitrators. The other party shall, within ten (10) days of the receipt of such notice, notify the party who referred the matter to arbitration of the acceptance of one of the Arbitrators named or propose others. Where the parties are unable to agree on the choice of a single Arbitrator, the party who referred the matter to arbitration may make application to the Manitoba Labour Board to select an Arbitrator or proceed as outlined in Article 1303.

1303 If mutual agreement is not reached by both parties to choose a sole Arbitrator, in accordance with the process in Article 1302, then the party who referred the matter to arbitration shall submit the matter in dispute to a Board of Arbitration by giving notice to the other party within seven (7) days and such notice shall contain the party's one (1) nominee of the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be the Chairperson of the Board of Arbitration.

1304 Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in their place by the party who made the original appointment, then the other party to the dispute may request the Manitoba Labour Board to select a substitute.

1305 Should the two (2) appointed Arbitrators fail within ten (10) days to agree upon a Chairperson, the two (2) Arbitrators shall forward a request to the Manitoba Labour Board to select a Chairperson.

1306 It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

1307 The Arbitrator or Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to Arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternative award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another employer during the period of layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during Arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares and each party shall bear the cost of its nominee to any Board of Arbitration.

1310 For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend in writing any of the stipulated time limits.

1312 Nurses whose attendance is required at arbitration hearings related to this Collective Agreement shall be given permission to be absent from work and shall not suffer any loss of salary as a result.

1313 The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as an electronic version of the Arbitration award.

1314 In the interest of settling a grievance prior to an arbitration hearing and providing the parties mutually agree, the assistance of a grievance mediator may be requested from the Manitoba Labour Board and the expenses and fees of the mediator shall be borne equally by the parties.

ARTICLE 14 -- HOURS OF WORK

1401 Eighty (80) hours shall constitute a bi-weekly period of work.

1402 The meal period will be scheduled by the Employer and will be one-half (.50) hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 Two (2) rest periods of fifteen (15) minutes each will be allocated by the Employer; one (1) to be taken during the first four (4) hour period of work, and one (1) to be taken during the last four (4) hour period of work.

1404 A shift shall be eight and one-quarter (8.25) consecutive hours of work including two (2) fifteen (15) minute rest periods and including a one-half (.50) hour meal period, of which fifteen (15) minutes shall be paid.

1405 A full-time or part-time nurse who is advised not to report for their scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

1406

- (a) Where a nurse cannot arrive at the Home due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Infrastructure and Transportation, the nurse shall be rescheduled at a mutually agreeable time during the following two (2) consecutive bi-weekly pay periods to work any hours missed, provided that the rescheduling shall not result in any overtime. Where the scheduling of such shift cannot be agreed upon or the nurse chooses not to be rescheduled, the nurse may take time from banked time which includes banked overtime, Recognized Holidays or vacation.
- (b) Where a nurse is unable to leave the facility due to the conditions outlined in (a) above, and is required to work, they shall be paid at the overtime rates outlined in Article 16.
- (c) Where a nurse is required to stay at or near the facility due to the conditions outlined in (a) above, in order to ensure their ability to attend their next scheduled shift, the Employer shall provide accommodation and meals for the duration.

1407 Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, they shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift.

ARTICLE 15 -- SHIFT SCHEDULES

1501 Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to posting and granted, if possible in the judgment of the Employer and a decision shall be communicated to the nurse within one (1) week of the request. Requests for interchanges in posted shifts shall be submitted in writing. Such requests for interchanges shall be co-signed by the nurse willing to exchange shifts with the applicant and must be approved in advance by the Employer.

1502 It is understood that any change in shifts or days off initiated by the nurses and approved by the Employer shall not result in overtime costs to the Employer.

1503 Night shift shall be considered as the first shift of each calendar day (i.e. midnight to midnight). By way of example, the first shift of Saturday is the night shift which starts on Friday night and for which the majority of hours occurs on Saturday morning.

1504 Master rotations for each nursing unit shall be planned by the Employer in meaningful consultation with the nurse(s) concerned. The process for meaningful consultation shall include:

- Employer proposes a master rotation including the Employer established criteria and provides to MNU to ensure compliance.
- The amended or new master rotation is provided to nurses to review. Nurses are provided with a reasonable time to submit feedback.
- Employer has the sole discretion to select the new master rotation and provides rationale for the selection.

Master rotations shall observe the conditions listed hereinafter:

- a) A minimum of two (2) regular shifts off between assigned shifts as defined in Article 1401.
- b) A minimum of eight (8) days off in each four (4) consecutive week period;
- c) A nurse shall receive alternate weekends off;
- d) A maximum of seven (7) consecutive days of work shall be scheduled;
- e) Shift patterns shall be either permanent days, evenings or nights or day evening or day night rotations. There shall be at least as great a number of day shifts assigned as there are night (or evening) shifts within each standard rotation pattern, whenever reasonably possible.
- f) A nurse will receive consideration in scheduling to allow them to pursue academic course(s) to further their education. Whenever reasonably possible, subject to resident care requirements, the granting of such consideration shall be based on the following:
 - i. The nurse submits their written request at least eight (8) weeks prior to the commencement of the academic course(s); and
 - ii. Another nurse(s) is/are prepared to interchange “normally” scheduled shifts for the “normally” scheduled shifts of the nurse attending the academic course(s), as agreed in writing;
 - iii. Upon completion of the academic course(s) each nurse shall revert to their former rotation pattern.

Proof of registration in such course(s) shall be provided to the Employer upon request.

- g) No nurse shall work more than a total of sixteen (16) consecutive hours (inclusive of regular and overtime hours) in a twenty-four (24) hour period, unless otherwise mutually agreed between the nurse and Employer.

1505 The Christmas schedule shall be posted by November 15th and shall not be altered without mutual agreement between the Employer and the nurses affected.

ARTICLE 16 -- OVERTIME

1601 Overtime shall be authorized time worked in excess of eight (8) hours per day or one hundred sixty (160) hours in any two (2) consecutive bi-weekly periods. Authorization must be obtained prior to the start of any overtime work except in emergency situations. The Employer agrees the authorization in these emergency situations will not be unreasonably withheld. Payment for overtime worked when emergency circumstances prevent prior authorization shall be subject to a claim accompanied by a special written report prepared by the nurse before leaving the Home substantiating the reason for the overtime work.

1602 Each nurse shall be paid at the rate of two (2) times their basic salary for all authorized overtime in any one (1) day. A full-time nurse shall receive two (2) times their basic salary for all overtime worked on a scheduled day off. However, notwithstanding Article 1601 above, all overtime worked on a Recognized Holiday shall be paid at two and one-half (2.50) times their basic salary.

1603 Notwithstanding Articles 1601 and 1602 above, whenever a nurse works two (2) consecutive shifts, the nurse shall receive pay at the rate of double their basic pay for the second shift, except when the second consecutive shift is worked on a Recognized Holiday, they shall receive pay at the rate of two and one-half (2.50) times their basic pay for the second shift.

1604 By mutual agreement between the Employer and the nurse, overtime may be compensated by time off at overtime rates. The lieu time shall be scheduled at a time mutually agreed to by the nurse and the Employer. All accumulated overtime must be taken as time off or paid out by March 31st and September 30th of each year.

1605 A nurse reporting back to work upon request after leaving the grounds of the Home following completion of a shift but before commencement of their next scheduled shift shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time they start to work to the beginning of their shift.

1606 Overtime worked as a result of the time changeover from Daylight Savings Time to Central Standard Time shall be payable at overtime rates. It is understood that nurses working a short shift as a result of such changeover will be paid only for time actually worked.

1607 Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work in accordance with Article 1601

No nurse shall be required to work overtime against their wishes when other qualified nurses are able and willing to perform the required work. Any nurse who alleges they were mandated while other qualified nurses were able and willing to work will address the concern with the Director of Care or designate prior to referring any such matters through the grievance process.

1608 Re: Rest Periods

In every period of overtime, a paid rest period of twenty (20) minutes shall occur during each continuous three (3) hours, unless the overtime worked is a full shift in which case regular meal/rest periods shall occur.

1609 Re Meal Allowance

A nurse who is authorized to work overtime for a period of three (3) hours or more immediately following their regular shift shall be supplied with a meal, or if this is not available a meal ticket. Effective September 2, 2025, the nurse will receive a meal allowance of twelve dollars (\$12.00).

1610 A nurse shall not be required to take time off during regular hours to equalize any overtime worked.

ARTICLE 17 – SHIFT PREMIUM AND WEEKEND PREMIUM

1701

- (a) An evening shift premium of two dollars (\$2.00) [two dollars and twenty-five cents (\$2.25) effective September 2, 2025] per hour shall be paid to a nurse for all hours actually worked between 1700 hours and 2300 hours.
- (b) A night shift premium of three dollars and fifty cents (\$3.50) [three dollars and seventy-five cents (\$3.75) effective September 2, 2025] per hour shall be paid to a nurse for all hours actually worked between 2300 hours and 0700 hours.

1702 The evening shift premium shall also be applicable to each hour worked after 1600 hours on a “modified” day or evening shift during which at least two (2) hours are worked between 1600 and the termination of the shift.

For purposes of application of this provision, a “modified” day shift shall mean one that commences at a different time than the majority of day shifts worked by nurses, and a

modified evening shift shall mean one that commences at a different time than the majority of evening shifts worked by nurses.

1703 A weekend premium of five dollars and seventy-five cents (\$5.75) per hour shall be paid to a nurse for a Friday evening shift where the nurse receives the Friday evening shift premium, all shifts worked on a Saturday and Sunday, and including any night shift considered to be the first shift of a Monday. This applies to the payment of weekend premium only and shall not change the definition of a weekend under Article 303.

1704 It is understood that shift premium and weekend premium are paid on all overtime hours worked.

ARTICLE 18 -- STANDBY

1801 In the event that the Employer finds it necessary for nurses to be placed on standby, conditions and terms applicable to nurses on standby duty shall be contained in a supplementary agreement negotiated on a local basis between the Employer and the Union.

ARTICLE 19 -- RESPONSIBILITY PAY

1901 The Employer agrees to pay an additional one dollar (\$1.00) [two dollars (\$2.00) effective September 2, 2025] per hour to a nurse from the bargaining unit designated by the Employer to be responsible for the Home on evenings, nights, weekends, and also during the day shifts.

1902 The allowance is applicable to one (1) nurse on the Night shift, one (1) nurse on the Evening shift and one (1) nurse on the Day shift in the absence of nursing management. The nurse scheduled as the Responsible Person (RP) shall not be assigned to work on a unit/floor unless in case of emergency or immediate resident care need.

1903 The assignment of Responsible Person shall be equitably distributed amongst those nurses available and qualified for the assignment.

ARTICLE 20 -- TRANSPORTATION ALLOWANCE

2001 Transportation Allowance

Any nurse who is required to terminate or commence their shift between the hours of 0030 and 0600 hours, or a nurse who is required to return to the Home on a callback and who does not have their own transportation, will have transportation provided by the Employer at no cost to the nurse.

ARTICLE 21 -- VACATIONS

2101 Unless otherwise agreed between the nurse and the Employer, the Employer will provide for vacation to be taken on a consecutive basis. Effective the 2026/2027 vacation year, the vacation year shall be from June 1st to May 31st. The dates used to calculate vacation earned shall be from the end of the last full pay period of May in one vacation accrual year to the end of the last full pay period of the following May.

The nurse shall have the right to request which day of the week their vacation begins. Vacation is to be booked in seven (7) consecutive day blocks and should consist of the nurse's EFT averaged over all weeks of booked paid vacation.

Upon request, a nurse may be permitted to retain up to five (5) days of their regular vacation for the purpose of taking such time off for personal reasons such as religious observance or special occasion, as long as adequate notice is given in order to accommodate scheduling.

The five (5) days may be taken together or separately, but in the case of part-time nurses, may reduce the number of weeks of vacation entitlement.

2102 A nurse who has completed less than one (1) year of employment as at the cut-off date shall be entitled to a paid vacation at the rate of one and one-quarter (1.25) days per month worked, however, unless otherwise mutually agreed, the Employer is not obliged to permit earned vacation to be taken until a full-time nurse has completed six (6) months of employment.

2103 Nurses shall be entitled to paid vacation calculated on the basis of vacation earned at the following rates:

In the first three (3) years	Fifteen (15) days/3 weeks
In the fourth (4 th) to tenth (10 th) year inclusive	Twenty (20) days/4 weeks
In the eleventh (11 th) to twentieth (20 th) year inclusive	Twenty-five (25) days/5 weeks
In the twenty-first (21 st) and subsequent years	Thirty (30) days/6 weeks

Vacation entitlement in the year of the fourth (4th), eleventh (11th) and twenty-first (21st) anniversary will be established on a pro-rata basis for those nurses whose anniversary occurs after the vacation year end date (i.e. May 31st).

2104 In recognition of length of service, each nurse shall receive an additional one time bonus of five (5) days of vacation on completion of twenty (20) years of continuous service, and on each subsequent fifth (5th) anniversary of employment (i.e. 25th, 30th, 35th, 40th, etc.). Such days shall be taken during the vacation year in which the twentieth (20th) or subsequent fifth (5th) anniversary occurs.

2105 For the purpose of determining the rate at which vacation is earned, the term of continuous service of a nurse will be deemed to include:

- periods of up to two (2) years when a nurse may be in receipt of Workers Compensation.
- any periods when a nurse is receiving income protection benefits, is on paid vacation, is on paid leave of absence, is on unpaid leave of absence related to illness or disability of up to two (2) years.
- any periods of education leave of absence of up to two (2) years.
- any period of unpaid leave of absence of up to four (4) weeks.
- any period of layoff of less than eighteen (18) weeks.
- any period of Parenting Leave as per Article 2408.

2106 Nurses on Workers Compensation will continue to accrue paid vacation for a period of one (1) year from the date of the first absence from work, related to the occurrence of the compensable injury or illness.

2107 Terminal vacation pay shall be calculated in accordance with Articles 2103 and 2105 and based on the nurse's rate of pay on the date of termination. The nurse's vacation pay shall be paid out within four (4) weeks following the date of termination.

2108 The Employer shall notify each nurse prior to their vacation of the date and time upon which they are to report back to work following their vacation, but this will not preclude the making of a change during the nurse's vacation period, if mutual agreement is reached between the Employer and the nurse.

2109 The Employer shall be responsible for posting vacation entitlement lists by March 1st of each year and approved vacation schedules by May 1st, provided nurses' requests for vacation have been received in writing by April 1st. In the selection of dates, every effort will be made consistent with the necessities of the operation of the Home to allow nurses to exercise their choice in accordance with their seniority status.

A nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If, by February 1st of a vacation year, the current annual vacation is not used, then the Employer has the right to schedule the

vacation between March 1st and May 31st. Vacation may be paid out only in extenuating circumstances.

ARTICLE 22 -- RECOGNIZED HOLIDAYS

2201 The following days shall be designated as recognized (paid) holidays:

New Year's Day	National Day for Truth and Reconciliation
Louis Riel Day	Thanksgiving Day
Good Friday	Remembrance Day
Victoria Day	Christmas Day
Canada Day	Boxing Day
Terry Fox Day	
Labour Day	

and any other statutory holidays declared by federal or provincial authority.

2202 Whenever a Recognized Holiday falls on the nurse's scheduled days off, the nurse shall receive an extra day off in lieu thereof; the Employer may, however, give the nurse an extra day's pay at their basic rate if mutually agreed between the nurse and the Employer.

2203 A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times their basic pay and in addition shall receive one (1) day off at their basic rate of pay.

2204 A day off given in lieu of a Recognized Holiday shall be assigned on a mutually convenient date within the period of thirty (30) days preceding and following the actual Recognized Holiday and will be added to a weekend off whenever reasonably possible.

2205 The Employer agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as reasonably possible with a minimum of three (3) consecutive days off over either Christmas Day or New Year's Day. A nurse shall not be required to work Christmas or New Year's for two (2) consecutive years unless otherwise mutually agreed.

As much as reasonably possible, Christmas Eve and Boxing Day shall be assigned with Christmas Day; New Year's Eve shall be assigned with New Year's Day, unless otherwise mutually agreed.

2206 A nurse working on the shift commencing at or about midnight shall be deemed to have worked on a Holiday if the majority of hours worked falls within the day in question regardless of what calendar day any part of such shift was actually worked.

2207 Assignment of Recognized Holidays on the actual day of their occurrence shall be made as equitably as reasonably possible.

2208 A nurse may accumulate up to four (4) days off in lieu of Recognized Holidays to be taken with scheduled days off or to complete a partial week of vacation or at such other time as requested and granted in accordance with Article 1501. Unless otherwise agreed between the nurse concerned and the Employer, accumulated lieu days must be taken within the fiscal year in which they were earned.

Requests to utilize accumulated lieu time must be submitted no later than October 1st, in order to clear all banks by December 15th of each year, and if not requested, shall be scheduled by the Employer.

ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION

2301 A nurse having accumulated an entitlement to income protection may claim basic pay for such income protection against such accumulation with respect to periods during which:

- (i) The nurse was unable to work because of an incapacitation due to accident or illness, however, a nurse cannot receive income protection benefits for any period of time during which they are eligible for wage loss benefits from either the Workers Compensation Board or the Manitoba Public Insurance as a result of a motor vehicle accident [subject to Article 2303], or
- (ii) In the opinion of the Employer, their presence constituted a health hazard for residents and/or other employees and the nurse was instructed by the Employer to leave their place of duty; or
- (iii) The nurse attends an appointment related to a medical/dental examination and/or treatment, subject to Article 3704.

2302 Each nurse shall accumulate income protection at the rate of one and one-quarter (1.25) days for each full month of employment to a maximum of one hundred and twenty (120) days.

Effective July 1, 2027: Each nurse shall accumulate income protection at the rate of one and one half (1.5) days for each full month of employment.

2303

- (a) (i) A nurse who becomes injured or ill in the course of performing their duties must report such injury or illness as soon as possible to their immediate supervisor.

- (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.

Where a nurse is unable to work because of injuries sustained in a motor vehicle accident the nurse must advise their supervisor as soon as possible and the nurse must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a “waiting period” by MPI.

- (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPIC decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (iv) Advance payment(s) shall not exceed the nurse's basic salary as defined in Article 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.
- (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the nurse.
- (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Collective Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
- (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.

- (b) (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's basic salary as defined in Article 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.
- The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
- (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental care plan, long term disability plan, and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.
- (iii) Further to this, the Employer shall notify Workers Compensation/Manitoba Public Insurance of salary adjustments at the time they occur.
- (iv) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits otherwise payable by the WCB/MPI, then such payment shall not be payable.
- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of Article 7A06 shall apply.
- (d) A nurse who is on LTD/WCB/MPI prior to the commencement of their vacation shall, upon their request, have their vacation displaced and such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. Failing

such agreement, the Employer will, at its discretion, schedule the vacation or payout the vacation.

If the nurses' current annual vacation cannot be reasonably scheduled by the end of the current vacation year the nurse may request to carry over to the next vacation year up to five (5) days of current annual vacation (pro-rated for part-time).

2304 The Employer shall be entitled to recover any income protection paid to the nurse if their employment is not continued beyond their probationary period, from the nurse's final termination cheque.

2305 A nurse who is unable to report for work, due to illness or family illness, shall inform their supervisor or designate prior to the commencement of their next scheduled shift(s). A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift(s) in question.

Prior to Day shift	-- One (1) hour
Prior to Evening shift	-- Three (3) hours
Prior to Night shift	-- Three (3) hours

2306 The Employer, either at the time of notification by the nurse of claiming income protection, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's fitness to return to duty. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for the nurse to resume their duties.

2307 Days off and Recognized Holidays or days given in lieu of Recognized Holidays which fall within a period of sick leave shall not be considered a part of, or charged to, the nurse's accumulated income protection.

2308 At the effective date of this Collective Agreement, each nurse will retain income protection entitlement accumulated and not used to that date.

2309 A nurse will inform the Employer in writing when a medical decision is made regarding elective surgery.

As soon as a nurse is aware of a date upon which surgery will occur, the nurse shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for their intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to twenty-four (24) hours notice of cancellation.

2310 If a nurse becomes injured or has a bona fide illness while on scheduled vacation, and they require hospitalization, the nurse shall be allowed to use their income protection for the period of hospitalization and/or post-hospitalization, and their vacation shall be rescheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during that vacation year. Proof of such hospitalization and injury or bona fide illness shall be provided if requested.

2311 The nurse's current income protection banks will be included on their pay stubs.

2312 Subject to the provisions of Article 2302, a nurse may use up to fourteen (14) days income protection per calendar year for the purpose of providing care in the event of an illness of a spouse, common law spouse including same sex partner and fiancé, child, stepchild, foster child, parent, step-parent, or parent-in-law.

2313 A nurse who has completed the probationary period who is unable to perform their work by reason of an accident or illness not fully covered by income protection, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery; subject to review at three (3) months, or lesser intervals, at the discretion of the Employer.

Wherever possible, the nurse must give at least one (1) week written notice of their intent to return to work.

2314 The Employer when reviewing a nurse's absences will consider and take into account individual circumstances and absences arising out of a medically-established serious or chronic condition.

2315 Personal Wellness Leave (PWL)

Personal Wellness Leave (PWL) is designated time off that a nurse can use to support their physical and mental wellness. Up to two (2) days in each fiscal year may be deducted from a nurse's accumulated income protection credits to be used for PWL. The use of PWL cannot reduce the number of income protection credits to less than twelve (12) days.

The utilization of PWL is subject to the following:

- (a) the leave shall be for physical or mental wellness,
- (b) the two (2) days of leave can be used consecutively but shall not be used contiguous with a vacation leave, and these two (2) days are not carried forward from fiscal year to fiscal year.

The nurse shall request PWL at minimum forty-eight (48) hours in advance and no more than seventy-two (72) hours in advance.

Subject to operational requirements the request for PWL shall not be unreasonably denied.

PWLs are intended to support physical and mental wellness and these days will not be used by the Employer with respect to any Attendance Management Program that may relate to the nurse.

ARTICLE 24 -- LEAVE OF ABSENCE

2401 The nurse will be required to submit a written request for any leave of absence unless otherwise herein stipulated. These requests will specify the reason for the leave and will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the Collective Agreement; however requests for education leave will be given special consideration. Except in emergencies such requests must be made at least four (4) weeks in advance. The Employer shall notify the nurse of their decision in writing, within one (1) week of receipt of the request. Requests for extension of educational leave, maternity leave, paternity leave, adoption leave, and bereavement leave will be granted if reasonably possible.

Where a nurse requests to return to work prior to expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired, except as per Article 2408 C.6.

This shall not preclude the nurse from returning earlier if there are shifts available which the Employer intends to fill, after any assignment to part-time nurses, and the nurse wishes to make themselves available in accordance with the procedure regarding occasional additional shifts.

2402 Overstaying of leave of absence without valid reason shall be deemed as a resignation subject to Article 2505 (v).

2403 The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For any approved leaves of absence, the nurse is assured of being placed in the same occupational classification and at the same step on their salary scale on their return but the nurse cannot be assured of being placed in the same nursing unit, position or shift. A nurse not placed in their former position will be given consideration over other nurses for the first vacancy available in a similar position.

2404 There shall be no loss of income protection accumulations or vacation accumulations up to the date of any leave of absence granted with or without pay.

2405 Income protection and vacation benefits will continue to accrue during any period of an unpaid leave of absence, approved by the Employer of four (4) weeks or less.

2406 Professional Leave

If, in the opinion of the Employer it is in the best interests of resident care, nurses may, whenever practicable, be granted time off with pay in order to attend professional or educational meetings, conventions, workshops and institutes.

2407 Education Leave

(a) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during working hours, the Employer shall pay registration or tuition fees, and approved expenses and shall ensure that the nurse suffers no loss of salary.

(b) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during non-working time, the Employer shall pay registration or tuition fees, and approved expenses and shall pay for the time of such attendance at straight time rates.

The Employer shall make all reasonable efforts to allow the nurse to attend the required education during the nurse's scheduled working hours.

A casual nurse shall be paid for the time of such attendance at straight time rates.

(c) Employer Sponsored Educational Development

A nurse may be granted, upon written request, funding up to a maximum of two hundred (\$200.00) annually, to attend approved workshops, courses, and other programs that are relevant to nursing practice. Such requests must be submitted to the Director of Care or designate prior to attendance at such program. Reimbursement for tuition or registration or recommended/required material and books shall occur upon satisfactory completion of the workshop, course, or educational program.

Should the nurse choose to not exercise seniority rights under Article 27, then layoff in accordance with Article 27 shall apply.
- (f) In the event of (e) above occurring or in the event of the closure of the Home and in conjunction with (g) below, the Employer and the Union will jointly investigate opportunities for funding for retraining and redeployment for affected nurses.
- (g) The Employer will also cooperate with other Employers, the Provincial Health Labour Relations Services, and/or the Government of Manitoba, to participate in the establishment of a broader redeployment and retraining effort.

2702 When a reduction in the working force becomes necessary, nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified, competent and willing to perform the required work.

2703 Notice of intention of layoff or equivalent pay thereof shall be given to the nurse(s) concerned in writing and a copy of the notice forwarded to the Union. The parties agree that "in writing" includes electronic communications such as email. Notice shall be as follows:

- Layoffs of six (6) weeks or less - two (2) weeks notice;
- Layoffs of longer than six (6) weeks - four (4) weeks notice.

A nurse who is on layoff shall not be entitled to notice of layoff when the nurse comes back to work on an incidental basis.

2704 No layoff of full-time or part-time nurses shall occur when casual nurses are being employed, unless no full-time or part-time nurse on staff is qualified, competent and willing to fill the position(s) in question.

Notwithstanding Article 3402, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided the nurse is qualified, competent and willing to perform the required work.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

- (a) vacation pay shall be calculated in accordance with Article 2103 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,
- (b) income protection accumulation shall be calculated as follows:

$$\frac{\text{Additional available hours worked by the laid-off nurse}}{\text{Full-time hours}} \times \text{Entitlement of Full-time Nurse}$$

- (c) in the event the layoff is longer than twenty-six (26) weeks, seniority shall be calculated in accordance with regular hours worked,
- (d) the nurse shall be paid four point six two percent (4.62 %) of the basic rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours and shall be included in each pay cheque,
- (e) participation in benefit plans is subject to the provisions of each plan.
- (f) increments (calculated from the date of the nurse's last increment, or their starting date as the case may be) shall be provided on the basis of one (1) increment for each 1386 hours worked or one (1) calendar year from the date of their last increment, whichever occurs later. In the case of the increment being given on the basis of 1386 hours worked, it shall be applied to the pay period next following completion of 1386 hours worked.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the two (2) year period referenced in Article 25.

However, a nurse on layoff who agrees to work in a term position shall retain their right to be recalled into a permanent position while working in the term position.

2705 No new nurse will be hired when other nurses are on layoff except for reasons of a special skill requirement.

2706 All nursing vacancies, permanent and term, shall be posted in accordance with the terms of this agreement. Nurses on layoff shall be entitled to apply for these vacancies.

2707 Nurses shall be recalled in seniority order, provided they are qualified to perform the required work. Such recall shall be made in writing either by personal service, registered mail or confirmed electronic mail and shall provide for at least one (1) weeks' notice to report back to work. Confirmation includes indication of a "read receipt" of such communication.

The nurses affected will contact the Director of Care or their designate by telephone within four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have their employment terminated.

2708 In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise their seniority rights, subject to their ability, performance and qualifications, to displace a nurse in a position of equal or lower classification. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

A nurse may displace another nurse in a position of equal classification only when the nurse has greater seniority in that particular classification than has the other nurse.

2709 Laid off nurses shall be entitled to apply for nursing job vacancies other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local during the period when any nurses are on layoff.

2710 Accumulated vacation entitlement shall be paid out at time of layoff except where, prior to the date of layoff, a nurse has been awarded a term or permanent position which commences within four (4) weeks of date of layoff.

2711 Nurses who are absent from work due to a leave of absence for any reason shall be advised of layoff or deletion of their position in accordance with Article 2702 of this Collective Agreement and shall be required to comply with all provisions of this Collective Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence. Notice may be by registered mail or personal service.

2712 The Employer agrees to notify the Manitoba Nurses' Union Local President of its decision as to the deletion of a vacant position or the deletion of a position when it becomes vacant.

ARTICLE 28 – BLANK

ARTICLE 29 -- DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE

2901 In all instances where the Employer considers that a nurse warrants disciplinary action the Employer shall take such action at a meeting with the nurse and shall provide the nurse with reasonable advance notice of the nature of the complaint. The nurse may be accompanied at the meeting by a Union Representative(s) who is available within one (1) week and chosen by the nurse and shall include a member of the Local Executive or a MNU Labour Relations Officer. The Employer shall inform the nurse of their right to have a Union Representative present and the Union that this has been done. In the event that the Union representative(s) is/are unavailable to meet at the time set by management, the Employer agrees to postpone the meeting for a reasonable period to facilitate the Union representative(s) attendance at the meeting.

Where a nurse declines to have Union representation at a meeting, the Employer will have the nurse provide written confirmation of such.

2902 If the action referred to in Article 2901 above results in a written warning, suspension or dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons, either by personal service, registered mail or confirmed electronic mail. Confirmation includes indication of receipt of such communication.

2903 A nurse shall be given the opportunity to examine any document which is placed in their personnel file, including, but not limited to, those documents which may be utilized to substantiate a disciplinary action against them, and their reply to any such document shall also be placed in their personnel file. Upon written request the nurse shall also receive an exact copy of such document.

The Employer agrees to remove and destroy any disciplinary documentation, from the personnel file of a nurse, upon written request from the nurse, after twenty-four (24) months, providing no similar incidents occur within that period. In the event an employee is laid off or on a leave of absence of one (1) calendar month or more during the twenty-four (24) months immediately following the discipline, the discipline record will extend the twenty-four (24) calendar month period by the length of the actual lay off or leave of absence.

2904 A nurse accompanied by a Union representative if the nurse so elects may examine their personnel file upon request. A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in their personnel file. The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter. Any nurse who has been terminated may consult their file and upon written request shall

receive copies of specified documents so long as the written request is made within sixty (60) days of the nurse's termination.

2905 There shall be one (1) personnel file maintained by the Employer for each nurse.

ARTICLE 30 -- VACANCIES, TERM POSITIONS AND NEW POSITIONS

3001 Subject to Article 3002, the Employer agrees to post notices of vacant or new positions stating minimum qualifications required, shift, the equivalent to full-time (E.F.T.), and date of closing of the competition required for positions covered under this Collective Agreement for at least seven (7) days to enable nurses to apply for same. Such posting shall not preclude advertising outside the Employer's premises. Subsequent vacancies need only be posted for five (5) days. Nothing herein interferes with the right of the Employer to temporarily change a nurse's shift for bona fide reasons. Nothing herein interferes with the right of the Employer to temporarily change a nurse's shift for reasons of accommodation. Job descriptions shall be available to applicants on request.

3002 The Employer will be required to post a notice of vacancy for five (5) days only when the vacancy is created by:

- (a) a nurse terminating employment and not giving the full period of notice as specified in Article 26, herein, or
- (b) an internal vacancy arising out of the filling of a position, or
- (c) a term position due to a leave of absence where less than four (4) weeks notice has been given.

3003 Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written application for the vacant, term or new position

3004 The name of the successful applicant and the position awarded will be posted on the bulletin board for a period of seven (7) calendar days with a copy given to the President of the Local. All unsuccessful applicants, upon request, shall be informed verbally or in writing as to the reasons why they were not awarded the position in question.

3005 The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, their placement on such scale, and any special conditions that may be applicable to their appointment.

Any nurse who was interviewed but was not the successful applicant shall be entitled to consult with the hiring Manager and/or Human Resources Business Partner. The purpose

of the consultation shall be to provide the nurse with constructive feedback regarding their application.

3006 Term Position:

A term position is a full-time or part-time position occupied by a full-time, part-time or casual nurse for a specified period of time, up to a maximum of sixty (60) weeks or up to a maximum of eighty (80) weeks to replace a nurse(s) who is/are on Parenting Leave or Parental Leave, to replace a nurse(s) who is/are on vacation or leave of absence, or to carry out a special short term project or where the Employer has provided notice of permanent deletion of position(s) under the Employment Security provisions in Article 2701. If the Employer determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Article 34 and 35 when the Employer decides that a term position is not required.

The Employer shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Employer so requests and the Union agrees.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Employer shall state on the job posting that the said term position is an "Indefinite Term" which will expire subject to a minimum of twenty-four (24) hours notice. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on Maternity or Parental Leave wants to exercise their right to return from such leave earlier than anticipated, having given appropriate notice as per Article 2408 C.6, the Employer shall state on the job posting that the said term position is a "Maternity or Parental Leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

On expiry of the term position, the nurse who filled the term position:

- (a) Who was employed by the Employer immediately prior to accepting the term position shall return to their former position if reasonably possible. A nurse not

returned to their former position shall be returned to their former occupational classification and employment status.

- (b) Who was employed by the Employer as a casual shall have seniority in accordance with Article 3509.
- (c) Who was not employed by the Employer immediately prior to being accepted into the term position who obtains a vacant position for which they are qualified, based on seniority acquired since commencement of the term position, shall not experience an interruption of seniority or benefits provided the nurse obtains the position within six (6) weeks of the expiry of the term position.

3007 In filling job vacancies, including, transfers and new positions the job shall be awarded within six (6) weeks of the day upon which the posting is made. When a nurse is awarded a position, their transfer to the position shall be carried out on the next posted schedule, unless otherwise mutually agreed between the nurse and the Employer.

ARTICLE 30A – NURSE INITIATED MOBILITY

30A01 As vacancies arise that any of the Homes intend to fill, the following procedures will apply:

- (a) Vacancies will be filled in accordance with Article 2502.
- (b) An internal and external posting may occur simultaneously. Nurses from other Employers will have the right to apply for said vacancy. If the selected nurse is a current employee of one of the Employer's Homes identified in Schedule "X" below, that nurse will be entitled to transfer all seniority, service and other benefits herein and will be treated in all respects as if they had always been a nurse of the receiving Home. In addition, hours worked since the last increment shall be credited towards the next increment level.

30A02 A nurse who is employed by one of the Employer's Homes, who is awarded a position with another Home and who commences employment within six (6) weeks of termination of employment from their former Home, will be entitled to mobility of benefits as specified hereinafter:

- (a) continuous service date
- (b) accumulated income protection benefits;
- (c) length of employment applicable to rate at which vacation is earned;
- (d) length of employment applicable to pre-retirement leave;
- (e) length of employment applicable to next increment date;
- (f) the terms and conditions of the benefit plan(s) for the new Home apply; however, normal waiting periods would be waived, subject to the applicable benefit plans' terms and conditions;

- (g) seniority credits (in accordance with receiving Collective Agreement);
- (h) transfer of current vacation hours unless the nurse elects to have their current vacation hours paid out by the previous Home at the time of the transfer;
- (i) placement at the greater of the nurse's salary level at the sending Home, or in accordance with the recognition of previous experience clause(s) in Article 38, including placement at the fifteen (15), twenty (20) and twenty-five (25) year rate;
- (j) Academic Allowance;
- (k) where a nurse transfers prior to the completion of maternity leave return of service requirements, the nurse shall be allowed to complete the return of service requirements at the receiving Home.

30A03 For clarity the following guidelines shall govern with respect to the application of this Article:

- (a) The provisions of this Article shall be effective September 2, 2025.
- (b) The provisions of this Article only apply where a nurse terminates from one Home and commences employment with another Home. It does not apply to "merge" employment/benefits etc. from two or more Homes to one of those Homes.
- (c) Once notified of nurse-initiated mobility of benefits/seniority, the receiving Home shall notify the sending Home by forwarding a "Mobility Form" to the sending Home. That Home will complete the form as soon as possible and forward to the receiving Home. The Mobility Benefits Transfer Form shall be provided in its entirety to the receiving MNU Local President.
- (d) Nurse-initiated mobility applies for employment into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are transferred at the time of employment. Should the nurse not obtain a permanent position, all seniority and benefits shall terminate.
- (e) Employment terminates with the sending Home and commences with the receiving Home, in order for nurse-initiated mobility to apply. However, a nurse may accept a casual position with the sending Home. Such shall not affect the nurse's ability to mobilize seniority, service and benefits accrued while employed in a permanent or term position at the sending Home to the receiving Home as long as the nurse secures a permanent or term position within six (6) weeks of terminating regular (non-casual) employment.
- (f) Any banked Recognized Holidays and/or overtime will be paid out by the sending Home at the time of transfer.
- (g) A nurse who occupies a casual position at a receiving Home AND a permanent or term position at a sending Home, AND who subsequently obtains a permanent or term position at a receiving Home, will be allowed to transfer seniority and benefits accrued in the permanent or term position at the sending Home, to the newly acquired permanent or term position in the receiving Home. The seniority accrued as a casual at a receiving Home cannot be added to the seniority being transferred with the permanent/term position.

30A04

- (a) Increments: Nurses having a permanent or term position in a sending Home, will be allowed to transfer their "hours worked" for purposes of determining when they are entitled to their next increment, when they secure a permanent or term position at a receiving Home. Casual nurses are NOT allowed to transfer such hours.
- (b) Vacation: Vacation earned at the sending Home shall not be paid out upon transfer unless the nurse requests. In the event a nurse elects to have their vacation transferred, it does not mean that the previously approved vacation dates will be honored at the receiving Home. The receiving Home will schedule the remaining vacation in consultation with the nurse, based on operational requirements and in accordance with Article 21.
- (c) Probationary Period: As with any other voluntary transfer to a permanent position in a Home other than one in which a nurse is currently working, the nurse is subject to a probationary period.
- (d) Pre-Retirement Credits: To be calculated in days at the sending Home.
- (e) Term Positions: Nurse-initiated mobility applies for voluntary transfers into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are transferred at the time of employment. Should the nurse not obtain a permanent or term position within six (6) weeks, all seniority and benefits shall terminate.
- (f) More Than One Position at Same Home: There can only be one sending and one receiving Home. If a nurse has two (2) or more permanent positions with the same Home, the nurse must resign from both positions with the sending Home in order to transfer the seniority and benefits from the sending Home to a receiving Home.

ARTICLE 31 -- PROBATIONARY PERIOD

3101 The period from the date of last employment to:

- (i) for full time nurses, three (3) calendar months of employment or four hundred and eighty hours (480) hours worked, whichever occurs later;
- (ii) for part time nurses, four (4) calendar months of employment or two hundred and forty (240) hours worked, whichever occurs later

will be recognized as a probationary period. The Employer may discharge a probationary nurse for unsuitability or unsatisfactory performance at the Employer's sole discretion. During such a period a nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer, upon written notification to the Union, from extending the probationary period of a nurse up to a maximum of three (3) additional calendar months, providing that the Employer gives written notification to the Local President of the Union specifying the reasons for the extension.

ARTICLE 32 -- PERFORMANCE APPRAISALS

3201 The Employer shall complete a written appraisal of a nurse's performance at least once every twenty-four (24) months. Upon request, the nurse shall be given an exact copy of the appraisal.

3202 The nurse shall have an opportunity to read and discuss such document with the Employer.

3203 The nurse's signature on such document merely signifies that the contents of the document have been read.

3204 The performance appraisal shall not be disciplinary. If the nurse decides to file a written response the nurse shall file the response to the appraisal within seven (7) working days of the receipt of the appraisal.

ARTICLE 33 – DAMAGE TO PERSONAL PROPERTY

3301 Nurses are responsible for any personal effects that are brought to their place of work and are not required in the course of their employment and no claim for compensation will be considered for loss or theft of or damage to such personal effects.

In recognition of the fact that as a direct result of performing their duties, nurses may have their clothing or other personal property damaged, or stolen, the Employer agrees to make reasonable compensation following receipt of the nurse's documentation of the incident. Such claim shall not unreasonably be denied. Nurses shall be required to notify the Employer at the time of incident.

ARTICLE 34 -- SPECIAL UNDERSTANDINGS RE PART-TIME NURSES

3401 A part-time nurse shall be assigned and committed to work their EFT as agreed to in writing at the time of commencing employment. This written agreement shall only be revised when the nurse secures an alternate position in accordance with the provisions of the Collective Agreement.

3402 Part-time nurses who make it known in writing to the Employer that they wish to work occasional additional shifts shall be given preference for available additional shifts unless the part-time nurse has already worked in that day and provided that these nurses have provided the Employer with their updated availability schedule on a regular basis. Preference for such shifts shall be based on seniority.

3403 A part-time nurse called back to work hours in excess of a shift (as defined in Article 1404) in any one (1) day shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time the nurse starts to work to the beginning of their shift.

3404 Except for part-time nurses who agree to work on a greater number of weekends, it is understood that a part-time nurse shall be required to work on alternate weekends.

3405 Part-time nurses shall be entitled to vacation on the following basis:

In the first three (3) years	3 weeks at 6% of gross earnings
In the fourth (4 th) to tenth (10 th) year inclusive	4 weeks at 8% of gross earnings
In the eleventh (11 th) to twentieth (20 th) year inclusive	5 weeks at 10% of gross earnings
In the twenty-first (21 st) and subsequent years	6 weeks at 12% of gross earnings

Where the Employer converts the above vacation weeks to paid vacation hours, the Nurse's paid vacation hours per week of vacation will be based on their scheduled weekly hours at the beginning of the vacation year. The rate of pay per hour of vacation will be based on dividing the total vacation pay accrued in the previous year by the total number of paid vacation hours.

Nurses will accrue vacation pay at their applicable percentage on each bi-weekly pay, to be used in the following vacation year.

3406 Income protection accumulation for part-time nurses shall be calculated as follows:

$$\frac{\text{Regular Hours Worked by Part-time Nurses}}{\text{Full-time Hours}} \times \text{Entitlement of Full-time Nurses}$$

3407 Part-time nurses will be paid four point six two percent (4.62 %) of their basic pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 16) and shall be included in each regular pay cheque.

3408 A part-time nurse shall receive increments (calculated from the date of their last increment, or their starting date as the case may be) on the basis of one (1) increment for each 1386 hours worked or one (1) year's service, whichever occurs later. In the case of the increment being given on the basis of 1386 hours worked, it shall be applied to the pay period next following completion of 1386 hours worked.

3409 Seniority accumulated by a part-time nurse up to May 10, 2022 shall be retained. Seniority hours calculated after May 10, 2022 shall be in accordance with hours paid at the regular rate of pay.

3410 Subject to Article 3806, a nurse whose employment status changes from part-time to full-time shall be entitled to receive an increment on the later of:

- (a) one (1) calendar year from the date of their last increment, or date of employment as the case may be;
- (b) on completion of 2080 hours calculated under the formula:

$$B = 2080 - (A \times 3/2)$$

A = number of hours during which seniority was accrued under part-time status since the date of their last increment, or starting date as the case may be.

B = number of hours remaining to be worked as full-time to earn an increment.

3411 Subject to Article 3806, a nurse whose employment status changes from full-time to part-time shall be entitled to receive an increment on the later of:

- (a) one (1) calendar year from the date of their last increment, or date of employment as the case may be;

(b) on completion of 1386 hours calculated under the formula:

$$B = 1386 - (A \times 2/3)$$

A = number of hours during which seniority was accrued under full-time status since the date of their last increment, or starting date as the case may be.

B = number of hours remaining to be worked as part-time to earn an increment.

ARTICLE 35 -- SPECIAL UNDERSTANDINGS RE CASUAL NURSES

3501 Casual nurses will receive vacation pay at the rate of six percent (6%) of all hours paid at basic salary including hours worked on Recognized Holidays in a bi-weekly pay period.

3502 Casual nurses are paid in accordance with the salaries specified in Appendices "A" and "B" and receive a starting salary as described in Article 38.

A casual nurse shall receive increments (calculated from the date of their last increment, or the nurse's start date as the case may be) on the basis of one (1) increment for each 2080 regular hours worked. Such increment shall be applied on the first day of the first pay period following completion of 2080 hours.

When a nurse elects to terminate their full-time or part-time position and immediately requests in writing to have their name placed on a casual roster, if approved, the following conditions will apply:

- (a) Such casual nurse will be paid in accordance with the salary specified in Appendices "A" and "B";
- (b) The nurse will receive the salary of the occupational classification into which the nurse is assigned and at the same increment level that had been attained while working as a full-time or part-time nurse.

3503 Casual nurses will be entitled to:

- Compensation for overtime worked in accordance with Article 16
- Shift premium and weekend premium outlined in Article 17
- Responsibility Pay premium outlined in Article 19
- The Employer Sponsored Educational Development Allowance in Article 2407 (a), (b) and (c);

- continuation of placement at the fifteen (15), twenty (20) and twenty-five (25) year rate of rehired after a period of no longer than six (6) months. For clarity a period of pre-retirement leave does not count towards the six (6) month qualification time limit.

3504 Casual nurses required to work on a Recognized Holiday, excluding Remembrance Day, shall be paid at the rate of time and one-half (1.50) their basic rate of pay. Casual nurses required to work on Remembrance Day shall be paid at the rate of double their basic rate of pay.

If there is a change in Manitoba legislation that extends Recognized Holidays to all employees, the parties agree that casual nurses as defined in Article 35 shall receive this benefit.

3505 The Employer agrees to deduct union dues in an amount specified by the Union in any pay period for which the casual nurse receives any payment, and such dues shall be forwarded to the Manitoba Nurses' Union monthly in accordance with Article 501.

In the event no payment is made during the pay period, the Employer shall have no responsibility to deduct and submit dues for that period.

3506 A casual nurse reporting for work and finding no work available will be guaranteed three (3) hours pay at their basic rate of pay. A casual nurse notified of the cancellation of a previously scheduled shift without two (2) hours notice will be guaranteed three (3) hours pay at their basic rate of pay.

3507 Articles 12 and 13 herein apply only with respect to the terms of this Article.

3508 The seniority status of a nurse will terminate if the employment status of a nurse becomes that of a casual nurse. Casual nurses do not accumulate seniority except for the purposes of job postings where there are no other qualified applicants currently in the bargaining unit.

The Employer agrees to continue its current practice which gives casual nurses preference over external applicants for part-time or full-time positions.

Upon a casual nurse being accepted for part-time or full-time employment, the nurse shall be credited with seniority based on the number of hours worked within the preceding twelve (12) months prior to the date the nurse became a part-time or full-time employee as the case may be, and if four hundred and eighty (480) hours have been worked in such period in the same classification as the part-time or full-time employment accepted into, such nurse shall be deemed to have completed their probationary period.

3509 Notwithstanding the above, casual nurses shall not be given preference over nurses on the Central Redeployment List.

3510 A nurse who elects to transfer from full-time or part-time positions to the casual roster shall retain their current increment level.

3511 Casual nurses who do not pick up an available shift within a three (3) month period, or indicate their availability to do so, may be removed from the call out list.

Upon ratification, the Employer will communicate this provision to all casual nurses currently employed and include this in all Casual job postings.

ARTICLE 36 – SPECIAL UNDERSTANDINGS RE GRADUATE NURSES, GRADUATE PRACTICAL NURSES AND GRADUATE PSYCHIATRIC NURSES

The terms of this Collective Agreement shall be applicable to the graduate nurse, graduate practical nurse and graduate psychiatric nurse except as follows:

3601 Salaries and Increments of the Graduate Nurse, Graduate Practical Nurse and Graduate Psychiatric Nurse

- (a) Starting salary of the newly graduated graduate nurse, graduate practical nurse or graduate psychiatric nurse awaiting initial registration as a Registered Nurse, Licensed Practical Nurse or Registered Psychiatric Nurse shall be discounted by eight percent (8%) until such time as registration/license is obtained and proof of the same is provided to the Employer.
- (b) The anniversary date of a newly graduated graduate nurse or graduate psychiatric nurse who obtains registration within one (1) year of commencing employment shall be the date of their commencement of employment.
- (c) The anniversary date of a newly graduated graduate practical nurse who obtains their license within an eighteen (18) month period of commencing employment (or within the time period as amended in the regulations of the LPN Act) shall be the date of their commencement of employment.

3602 Out of Province Nurses

- (a) A person in good standing as a Registered Nurse or Registered Psychiatric Nurse in another province, country, or territory whose name appears on the graduate nurse or graduate psychiatric nurse register may commence employment at the R.N start rate and upon providing proof of registration in Manitoba not later than eight (8) months following commencement of their employment, shall receive recognition of previous experience as specified in Article 3803, retroactive to the date of their employment.

- (b) When registration of a nurse in good standing as a Registered Nurse or Registered Psychiatric Nurse in another province, country or territory is obtained later than eight (8) months but before one (1) year the anniversary date shall be the date on which registration is obtained.
- (c) A person in good standing as a Licensed Practical Nurse in another province, country or territory whose name appears on the graduate practical nurse register may commence employment at the LPN start rate and upon providing proof of registration in Manitoba not later than eight (8) months following commencement of their employment, shall receive recognition of previous experience as specified in Article 3804, retroactive to the date of their employment.
- (d) When registration of a nurse in good standing as a Licensed Practical Nurse in another province, country or territory is obtained later than eight (8) months but before one (1) year the anniversary date shall be the date on which registration is obtained.

3603 Termination

Re: Salary Enhancement Incentive- 2080 Annual Hours

The Employer and the Union have agreed to jointly establish an initiative on a trial basis with the goal of reducing the nursing shortage through recruitment and retention initiatives, addressing the challenges of excessive overtime and agency use, and thus enhancing consistency and continuity of the quality resident care provided.

Therefore, an Incentive Salary Enhancement (herein after referred to as “The Incentive” “The Salary Enhancement”) has been created as a two (2) year pilot project beginning on April 1, 2025 and ending March 31, 2027.

A. INCENTIVE PARAMETERS:

1. Nurses holding a full-time EFT (1.0) shall be entitled to The Salary Enhancement incentive based on the following parameters:
 - (a) Full-time nurses must be employed in one of the following classifications: RN, RPN, LPN.
 - (b) The Incentive Eligible nurses will be paid in the form of a hourly premium of \$5.95 per hour for all hours paid at regular rates subject to paragraphs (e) (f), and (g) below.
 - (c) The Incentive Salary Enhancement will be paid on the basis of the adjusted salary scales as listed in Schedule “A” for illustration purposes only.
 - (d) The Incentive Salary Enhancement will not apply to overtime hours or overtime rates.
 - (e) The Incentive Salary Enhancement will apply to any full-time nurse for any period where the nurse is on an approved WCB claim during the eligible period.
 - (f) The Incentive Salary Enhancement is not provided to any full-time nurse for any periods of unpaid leave.
 - (g) Where a nurse is on a paid sick leave of four (4) weeks or less, The Incentive Salary Enhancement shall be applied. For clarity, where a nurse is on a paid sick leave of four (4) weeks or more, The Incentive Salary Enhancement shall be applied only to the first four (4) weeks of the leave.

2. Part time and/or casual nurses working up to the equivalent of a full time 1.0 EFT shall be entitled to The Incentive Salary Enhancement based on the following parameters:
 - (a) Part time and/or casual nurses must be employed in one of the following classifications: RN, RPN, LPN.
 - (b) For part time and/or casual nurses working up to the equivalent of a full time 1.0 EFT, The Incentive Salary Enhancement will be paid in the form of a hourly premium Salary Enhancement of \$5.95 per hour for all hours paid at regular rates.
 - (c) The Incentive Salary Enhancement will not apply to overtime hours or overtime rates.
 - (d) Part time and/or casual nurses on an accepted WCB claim shall qualify for The Incentive Salary Enhancement, if prior to going on WCB they had worked sufficient hours to qualify for The Incentive Salary Enhancement in the preceding eight (8) weeks immediately prior to going off.

The reconciliation for such compensation will be at the end of each six (6) month period (April 1st to September 30th, or October 1st to March 31st as the case may be) and is in the form of a retroactive salary adjustment.

- A nurse holds a part time or casual position:
 - The assessment of full time 1.0 EFT equivalency will be based on 2080 annual hours, however the annual period will be split and subsequently calculated over two (2) separate six (6) month periods, with each six (6) month period consisting of 1040 paid hours.
 - The two (2) six-month periods are as follows:
 - April 1st to September 30th – 1040 hours with payment being made first off cycle pay in December.
 - October 1st to March 31st – 1040 hours with payment being made first off cycle pay in June.
- Part time Nurse (casual excluded) exceptions. The exceptions that are applied towards eligibility of The Incentive Salary Enhancement for a part-time nurse are as follows in each six (6) month period: *(reduces amount of The Salary Enhancement based on eligible paid hours but not eligibility)*
 - (a) A nurse is on an approved unpaid leave of absence of four (4) weeks or less.
 - (b) A nurse is on approved union leave of four (4) weeks or less.
 - (c) The aforementioned leaves can be taken individually or in combination of up to a maximum of four (4) weeks in the eligibility period.
 - (d) A nurse is on any period of approved WCB claim subject to 2 d) above.
 - (e) A nurse who has not achieved sufficient qualifying hours may choose to utilize accrued banked overtime to top up eligible hours to a maximum of fifty (50) hours. Such request shall be made in writing within two (2) pay periods

prior to the eligibility period end. The requested hours will be paid straight time rates.

- (f) A nurse shall be granted an exception of forty-eight (48) hours to address stat time off equivalent to full-time nurses. The nurse shall make written application to the Employer to apply said hours at the end of, but no later than two (2) weeks after, the eligibility period end date.
- (g) Where a part time nurse who has worked or has been working sufficient hours to otherwise qualify for The Salary Enhancement and is allotted a period of vacation that has not accrued full time paid hours, the unpaid vacation period which reflects the shortage of hours would be eliminated from consideration for The Salary Enhancement and the remaining period of eligibility would be prorated to reflect the removal from consideration for the hours the nurse was short of full time paid hours, during the vacation period.

For example:

April 1 - September 30

A .5 EFT nurse who did not earn any additional vacation pay in the previous year and works the equivalent of full time 1.0 EFT hours except for a 2-week period where they are on vacation. For those 2 weeks, they will be deemed to have worked a full time EFT however The Interim Salary Enhancement eligibility threshold will be prorated as follows:

1040 less the shortage of hours in the vacation period (80 x .5) 40 = 1000 hours. If the nurse achieves the 1000 qualifying hours they would remain eligible for The Salary Enhancement, despite not achieving the 1000, however the amount of The Enhancement is prorated based upon \$5.95 on eligible hours paid.

The nurse shall make written application to the Employer to apply said hours at the end of, but no later than two (2) weeks after, the eligibility period end date.

The Employer will provide reasonable opportunity for the nurse to be aware of any shortfall in qualifying for the Salary Enhancement and any reasonable opportunity to make application to use the matters here in to qualify for The Salary Enhancement.

B. OBLIGATIONS OF THE PARTIES:

Notwithstanding the Incentive Criteria in A. above, the parties agree in general to the following principle relating to the application of The Incentive Salary Enhancement :

UNION WILL AGREE:

- Eligibility for The Incentive Salary Enhancement is only for hours paid at regular rates (overtime hours do not apply towards eligibility for The Incentive Salary Enhancement), subject to the terms and conditions identified in this MOU.
- The Incentive Salary Enhancement will be for a two (2) year trial period commencing April 1, 2025 and ending March 31, 2027.

- Hours paid at regular rates include: vacation, income protection of less than four (4) weeks, and all other paid leaves approved by the Employer.
- For a nurse who holds a 1.0 EFT they shall still qualify for Incentive The Salary Enhancement if the nurse is on an unpaid leave of absence of less than four (4) weeks.
- Part-time and/or casual nurses off on WCB who would otherwise qualify for The Incentive Salary Enhancement by virtue of established EFT or previous established pattern of working sufficient, hours in the previous eight (8) weeks, to qualify on a consistent basis are eligible for qualification to the Incentive Salary Enhancement.
- For the duration this Incentive Salary Enhancement is in effect, income protection may not be utilized for shifts paid at overtime rates. For clarity, income protection can be utilized when a nurse is unable to attend work for a shift (or portions thereof) paid at regular rates or scheduled at regular rates of pay.

EMPLOYER WILL AGREE:

- Employer will establish a mechanism that allows for nurses to readily view and apply for all available shifts at the site.
- The Incentive Salary Enhancement shall be applied to all hours paid at regular rates of pay for qualifying nurses beginning on April 1, 2025.
- Wherever reasonably possible, the Employer will provide the greatest opportunity for nurses to access The Incentive Salary Enhancement. For clarity, the Union retains the ability to grieve the reasonability of disqualification of a nurse from The Incentive Salary Enhancement due to an Employer imposed change.

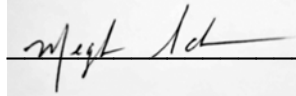

C. MONITORING PARAMATERS FOR THE PILOT PROJECT:

THE PARTIES AGREE:

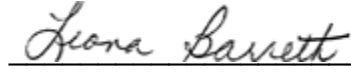

- The pilot project will be monitored quarterly by the Nursing Advisory Committee
- The committee shall continue to monitor the efficacy of The Incentive Salary Enhancement with regards to mitigating the challenges associated with the nursing shortage, reducing overtime and/or agency use.
- Modifications of the previously stated eligibility parameters may occur as a result of the impact on the above noted set of baseline data provided that such modifications are mutually agreed upon between the parties. Should The Incentive Salary Enhancement not achieve a measurable improvement confirmed via the set of baseline data above, the parties shall meet to consider, modification or revision of The Incentive Salary Enhancement and implement any necessary changes to better ensure effective alignment with the purposes of The Incentive Salary Enhancement. Any changes prior to the expiry of the trial period require mutual agreement of the parties.
- The Incentive Salary Enhancement may only be discontinued after the trial period, if discontinued by the Provincial MNU and PHLRS.
- If after the trial period, The Incentive Salary Enhancement is discontinued, the Employer agrees that it shall meet promptly with the Union to collaborate and develop the alternative and meaningful incentives enhancements that are mutually agreed upon by the Provincial MNU and PHLRS.

- The new Incentive Salary Enhancement program shall commence immediately upon expiry of the current Full Time Hours Incentive and shall continue for the life of the current Collective Agreement.
- The Incentive Salary Enhancement may only be continued after the trial period if it is continued by the Provincial MNU and PHLRS and funding is approved for the Employer.
