7A04 The Employer and the Union agree that no form of abuse of nurses will be condoned in the workplace. Both parties will work together in recognizing, facilitating the reporting of alleged abuse and resolving such problems as they arise.

Any nurse who believes a situation may become or has become abusive shall report this to the immediate supervisor. The Employer shall, within ninety-six (96) hours of receipt of

this report, advise the Union as to the name of the complainant and the date of receipt of the report. Every reasonable effort will be made to rectify the abusive situation to the mutual satisfaction of the parties.

Upon the request of the affected nurse, the Employer shall include the Union in the initial meeting and any subsequent (progress) review(s) with the nurse to review the provisions of the program to ensure that the work designated is within their restrictions and limitations. By agreement between the Employer and the Union, job postings may be waived.

7A07 Basic pay or equivalent time off will be granted to nurses appointed by the Union to attend meetings of the Workplace Safety and Health Committee or to perform such other duties as may be specified in the Workplace Safety and Health Act or prescribed by regulation.

In accordance with the Workplace Safety and Health Act, a nurse is entitled to take time off from their regular work duties in order to carry out their duties as a committee member under this Act and the regulations. The nurse shall be paid by the Employer at their regular or premium pay, as applicable, for all time spent carrying out their duties as a committee member under this Act and the regulations.

Upon application, each nurse on the Workplace Safety and Health Committee shall be granted paid educational leave in accordance with the Workplace Safety and Health Act.

ARTICLE 8 - TECHNOLOGICAL CHANGE

801 Technological Change shall mean the introduction by the Employer of equipment or material of a different nature or kind than that previously used by the Employer, and a change in the manner in which the Employer carries on the work, that is directly related to the introduction of that equipment or material.

In the event of a technological change occurring during the life of this Agreement which will displace or adversely affect one or more nurses in the bargaining unit:

- a) The Employer shall notify the Union at least one hundred and twenty (120) working days before the introduction of the technological change, with a detailed description of the project it intends to carry out, disclosing all foreseeable effects and repercussions on nurse(s).
- b) The Employer and the Union will meet as soon as possible and not later than ninety (90) working days prior to the intended date of implementation for the purpose of negotiating reasonable provisions to protect the interest of nurse(s) so affected.
- (c) If the Employer and the Union fail to agree upon measures to protect the nurse(s) from any adverse effects, the matter may be referred by either party to arbitration as provided for under the terms of this Agreement.

802 A nurse who is displaced from their job as a result of technological change:

- (i) shall be entitled to apply for any vacancy, or
- (ii) shall have the right to displace a nurse with less seniority in accordance with Article 27 specified in this Agreement.

803 Where newer skills are required than are already possessed by nurse(s) who are affected by a technological change as provided in Article 801, such nurse(s) shall, at the expense of the Employer, be given a reasonable training period during which they may acquire the skills necessitated by the new method of operation or, at the option of the Employer, be trained in a new area in respect of which there is a demand for individuals possessing such skills. There shall be no reduction in wage or salary rates during the training period of any such nurse.

ARTICLE 9 - PERSONAL DAYS OFF

901 A nurse who has completed three (3) months of continuous employment is entitled to three (3) Personal Days Off (PDOs) in each calendar year.

902 A full-time nurse shall be paid at the employee's basic rate pay for each PDO. A part-time nurse shall be paid for four (4) hours at the employee's basic rate of pay for each PDO.

903

- a) A PDO shall be scheduled on a day mutually agreed to between the nurse and the Employer.
- b) PDOs may be taken in one-half (1/2) day increments with approval of the Employer.
- c) All PDOs are to be scheduled and taken prior to the end of the calendar year in which the nurse becomes entitled to them.
- d) In the event that it was not possible to schedule a PDO prior to the end of the calendar year, the nurse will be paid for the day (or days) by February 15th of the following year. A nurse who is absent for the entire calendar year shall not receive a payment for unused PDOs.

ARTICLE 10 - FIRE PLANS

1001 Drills

- (a) Fire plans brought into effect by drill shall override the provisions of this Agreement provided always that where overtime is worked by reason of a fire drill, pay, or by mutual agreement, equivalent time off will be granted.
- (b) The importance of regular fire drills is mutually acknowledged by the Employer and the Union and, to this end, the participation of all nurses is encouraged.
- (c) Fire drills and equipment testing shall be held in accordance with the Manitoba Fire Code. Each newly hired nurse shall receive the appropriate information relative to the fire plans during orientation. An inservice session related to evacuation procedures will be conducted at least once annually.

1002 Emergency

- (a) In any emergency or disaster, nurses are required to perform duties as assigned notwithstanding any contrary provision in this Agreement.

For purposes of this Article, emergencies will be those situations which directly affect the safety or well-being of workers in the site.

In the event of the declaration of an emergency, the Local President will be notified.

- (b) The provisions of Article 16 shall apply to overtime hours worked.

ARTICLE 11 - JOINT COMMITTEES

1101 The Employer and the Union agree to establish and maintain a Union Management Committee consisting of one (1) person appointed by the Union and the Senior Program Manager of the Employer, with it understood that a Labour Relations Officer of the Union may attend meetings of such Committee, either in person or by telephone. Appointments shall be made for a term of one (1) year but without limit on the number of consecutive terms a member may serve. The Committee shall meet at the request of either party subject to five (5) days' notice being given but not less than quarterly unless otherwise mutually agreed.

The purpose of the Committee shall be to discuss/study/make recommendations to the Employer and the Union regarding matters of mutual concern including staffing and workload issues, nursing practice issues, customer service satisfaction and client relationship issues.

1102 All reasonable efforts will be made to relieve a nurse who is appointed to attend meetings of the Union Management Committee, without loss of salary or benefits. This clause is applicable when the meeting(s) occurs during hours the nurse is otherwise scheduled to work.

ARTICLE 12 - GRIEVANCE PROCEDURE

1201 For purposes of this Agreement "grievance" shall mean a dispute between a nurse; or between a group of nurses with a similar grievance; or between the Union and the Employer regarding the application, interpretation or alleged violation of this Agreement.

1202 Unless dismissed or suspended by the Employer a nurse shall be entitled to continue to work in accordance with this Agreement until such time as the dispute has been resolved.

1203 A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

1204 A nurse or Union representative shall request permission from their immediate supervisor to leave their duties in order to process grievances; they shall report to their immediate supervisor upon their return; they shall be granted this permission when, in the opinion of their immediate supervisor, it will not prejudice care or student education or require any staff replacement in either area. Provided that such activities do not require more than one (1) hour per week of the nurse's time, they shall not suffer loss of salary when engaged in such activities during regular working hours.

1205 Discussion Stage:

A nurse shall, within fifteen (15) days of the occurrence of the grievance, attempt to resolve the grievance through discussion with their immediate supervisor outside the bargaining unit, and if the matter is not settled to their satisfaction the nurse may proceed with the grievance themselves or elect to be represented by a Union representative.

1206 Step One:

If the grievance is not resolved within the time period specified in Article 1205 above, the grievor and/or Union representative may, within a further ten (10) days submit the grievance in writing to the Clinic Manager of THCC Thompson. The Clinic Manager of THCC Thompson shall reply in writing within ten (10) days of receipt of the written grievance.

A grievance concerning general application or interpretation of the Agreement, including the question of whether the matter falls within the scope of this Agreement, or which affects a group of nurses in more than one (1) department, may be submitted as Step 1.

1207 Step Two:

If the grievance remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the Director of Labour Relations, and the Director of Labour Relations shall reply in writing within ten (10) days of receipt of the written grievance.

1208 For purposes of determining the lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1209 The time limits fixed in the grievance procedure may be extended by the mutual written consent of the Employer and the aggrieved nurse and/or the Union. The parties agree that "written consent" includes electronic communications such as email.

1210 Subject to the provision of Article 1209 above, and subject to Section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

ARTICLE 13 - ARBITRATION PROCEDURE

1301 In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 12 is received from the Director of Labour Relations or delegate, the matter may then be referred to arbitration as hereinafter set forth.

1302 A referral for arbitration shall be made in writing by either party, addressed to the other party to this Agreement, within the time defined in Article 1301. The referral for arbitration shall contain the names of three (3) proposed sole arbitrators. The other party shall, within ten (10) days of the receipt of such notice, notify the party who referred the matter to arbitration of the acceptance of one of the arbitrators named or propose others. Where the parties are unable to agree on the choice of a single arbitrator, the party who referred the matter to arbitration may make application to the Manitoba Labour Board to select an Arbitrator, or proceed as outlined in Article 1303.

1303 If mutual agreement is not reached by both parties to choose a sole Arbitrator in accordance with the process in Article 1302, then the party who referred the matter to arbitration shall submit the matter in dispute to a Board of Arbitration by giving notice to the other party within seven (7) days and such notice shall contain the party's one (1) nominee of the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be the Chairperson of the Board of Arbitration.

1304 Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in their place by the party who made the original appointment, then the other party to the dispute may request the Manitoba Labour Board to select a substitute.

1305 Should the two (2) appointed nominees fail within ten (10) days to agree upon a Chairperson, the two (2) nominees shall forward a request to the Manitoba Labour Board to select a Chairperson.

1306 The decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board, shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

1307 The Arbitrator or Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another employer during the period of the layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

1310 For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

1312 Nurses whose attendance is required by the Employer at arbitration hearings related to the Agreement shall be given permission to be absent from work and shall not suffer any loss of salary as a result. Nurses whose attendance is required by the Union at arbitration hearings related to the Agreement shall be given permission to be absent from work.

1313 The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as an electronic version of the arbitration award.

ARTICLE 14 - HOURS OF WORK

1401 Seventy-five (75) hours shall constitute a bi-weekly period of work, excluding unpaid meal periods, but including paid rest periods.

1402 Any nurse working more than five (5) hours in a day will receive an unpaid meal period, which will be scheduled by the Employer and will be one (1.0) hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 A rest period of fifteen (15) minutes will be allocated by the Employer during each continuous three (3) hour period of work.

1404 A shift shall be seven and one-half (7.50) consecutive hours of work exclusive of meal times and inclusive of two (2) fifteen (15) minute rest periods. This clause shall not, however, prevent trial and implementation of changes in shift length if mutually agreed between a majority of nurses whose schedule is affected, the Union representing those nurses whose schedule is affected, and the Employer. Any change in shift length agreements shall take the form of an addendum attached to and forming part of this Agreement.

1405 A full-time or part-time nurse who is advised not to report for their scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

1406 Where a nurse cannot arrive at work as scheduled due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Manitoba Infrastructure and Transportation, they may take the time from banked time which includes banked overtime or vacation.

ARTICLE 15 - SHIFT SCHEDULES

1501 Shift schedules for a minimum of a four (4) week period shall be electronically posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after electronic posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to electronic posting and granted, if possible in the judgment of the Employer. The Employer should notify the nurse of its decision in writing, within one (1) week of the receipt of the request.

ARTICLE 16 - OVERTIME

1601 Overtime shall be authorized time worked which exceeds the normal daily shift as defined in Article 1404 herein. Authorization must be obtained prior to the start of any overtime work.

1602 Each nurse shall be paid at the rate of one and one-half (1.50) times their basic salary for the first three (3) hours of authorized overtime in any one (1) day, and at the rate of double their basic salary for hours worked in excess of three (3) hours of authorized overtime in any one (1) day. A full-time nurse shall receive one and one-half (1.50) times their basic salary for all overtime worked on a scheduled day off.

1603 At the nurse's request, up to forty (40) hours of overtime shall be banked and shall be compensated by time off at overtime rates to be taken at a time mutually agreed. In order to bank overtime, the nurse must notify the Employer, in writing, of their wish to

do so within two (2) working days of the time being worked. Any overtime in excess of forty (40) hours shall be paid as earned. All accumulated overtime must be taken as time off by fiscal year end. Accumulated overtime not taken as time off by this date shall be paid to the nurse in the last pay period of the fiscal year.

1604 Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work.

ARTICLE 17 - SHIFT PREMIUM AND WEEKEND PREMIUM

1701 It is understood that should the Employer implement a regular evening or weekend shift, the parties will meet to negotiate appropriate provisions to cover same.

ARTICLE 18 - STANDBY

1801 "Standby" shall refer to any period of time duly authorized by the Employer during which a nurse is required to be available to return to work without undue delay. Standby shall be assigned and scheduled in accordance with the provisions of Article 1501 whenever reasonably possible

Any alleged errors in the list will be reviewed by the Employer and corrected as soon as possible.

ARTICLE 26 - NOTICE OF TERMINATION OF EMPLOYMENT

2601 Employment may be terminated voluntarily by a nurse with four (4) weeks written notice, exclusive of any vacation due.

2602 Employment may be terminated without notice:

- (a) by mutual agreement between the nurse and the Employer for special circumstances [It is agreed that transfer of a spouse of less than four (4) weeks notice shall constitute reasonable cause for lesser notice to be given.], or
- (b) during the probationary period of a newly hired nurse subject to Article 31 herein, or
- (c) in the event a nurse is dismissed for just cause.

2603 The Employer may give equivalent basic pay in lieu of notice.

2705 All nursing job vacancies, permanent and term, shall be posted electronically in accordance with the terms of this agreement. Nurses on layoff shall be entitled to apply for these vacancies.

2706 Nurses shall be recalled in seniority order to available positions in equal or lower paid occupational classifications, on the basis that, if they are recalled to a lower paid classification, they will be paid at the applicable rate for that classification. Such recall shall be made by registered mail or by personal service and shall provide for at least one (1) week's notice to report back to work.

The nurses affected will contact the Employer by telephone not later than four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have their employment terminated.

2707 In the event of a deletion of an occupied position, two week's notice shall be given to the incumbent, who will be entitled to exercise their seniority rights, subject to their ability, performance and qualifications, to displace a nurse in a position of equal or lower classification. Nurses returning from leave shall produce such evidence on or before the first day of return to work. Failure to do so will result in immediate suspension, without pay, which suspension will continue until such evidence has been provided to the Employer

ARTICLE 28 - PROMOTION AND REASSIGNMENT

2801 Upon promotion, a nurse shall receive the Start Rate applicable to their new classification. A promotion shall mean an increase in classification from one occupational classification to another.

2802 The nurse's anniversary date of their promotion shall govern with respect to increments.

2803 The first three (3) calendar months following a nurse's promotion shall be considered to be a trial period, and the Union shall be notified by the Employer. During the first six (6) weeks of this trial period, the nurse may return to their former position at their request or be returned to their former position by the Employer. During the last six (6) weeks of this trial period, they may return to their former classification at their request or be returned to their former classification by the Employer.

2804 In the event the Employer or representative temporarily assigns a Nurse Consultant/Nurse Case Manager to perform the duties and responsibilities of a Nurse Clinician, the nurse shall receive the applicable premium outlined below for the duration of the assignment.

The nurse may be accompanied at the meeting by a Union representative. The Employer shall inform the nurse of their right to have a Union representative present.

2902 If the action referred to in the above clause results in a written warning, suspension or dismissal of a nurse, the Employer shall notify the nurse and the Union in writing of the action taken and the reasons either in person or via email.

2903 A nurse shall be given the opportunity to examine any document which is placed in their personnel file, including, but not limited to, those documents which may be utilized to substantiate a disciplinary action against them, and their reply to any such document shall also be placed in their personnel file. Upon written request, the nurse shall also receive an exact copy of such document.

2904 A nurse, accompanied by a Union representative if they so elect, may examine their personnel file upon request. The Employer agrees to remove from the personnel file of the nurse and destroy any disciplinary documentation after fifteen (15) months, provided the nurse has not had any subsequent discipline imposed during that time.

Any nurse who has been terminated may consult their file and, upon written request, shall receive copies of specified documents so long as the written request is made within thirty (30) days of their termination.

2905 There shall be one (1) personnel file maintained by the Employer for each nurse.

ARTICLE 30 - VACANCIES, TERM POSITIONS AND NEW POSITIONS

3001 The Employer agrees to provide notice through email of vacant, term or new positions covered under this Agreement, including salary range. Such emails shall not preclude the Employer from advertising outside the site premises. All emails shall state minimum qualifications required the equivalent to full-time (E.F.T.) site of the position and date of closing of the competition. Job descriptions shall be available to applicants on request.

When the Employer creates a new position which requires any applicants to be a nurse registered or eligible for registration with a Manitoba nursing college including, but not limited to, classifications in Appendix C of this Collective Agreement, or the Employer intends that the new position will be out of scope, the Employer shall provide the Union with a copy of any posting(s) or the job description(s) for the position(s) in advance of the position(s) being posted. The Union may file a grievance challenging the designation in accordance with the procedure set out in Article 12.

3002 Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written/electronic application for the vacant, term or new positions.

3003 Each nurse who applies for a vacancy will be notified in writing of the disposition of their application. The name of the successful applicant and the position awarded will be posted electronically with a copy of this information forwarded to the Union.

In the case of a nurse from the bargaining unit being awarded a position, their transfer shall be carried out within the time frame of the period of notice of termination for the position from which they are transferring, unless otherwise mutually agreed between the nurse and the Employer.

3004 The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, their placement on such scale, and any special conditions that may be applicable to their appointment.

3005 "Term Position":

If the Employer determines there is a term position to be filled by a nurse, the term position shall be electronically posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Articles 34 and 35 when the Employer decides that a term position is not required.

(b) A position occupied by a full-time or part-time nurse for a specified period of time, up to a maximum of eighty (80) weeks to replace a nurse(s) who is/are on Maternity and Parental leave of absence.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Employer shall state on the electronic job posting that the said term position is an "Indefinite Term" which will expire subject to a minimum of twenty-four (24) hours notice. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on Maternity or Parental Leave wants to exercise their right to return from such leave earlier than anticipated, having given appropriate notice as per Article 2408 C.6, the Employer shall state on the job posting that the said term position is a "maternity or parental leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

During such period the nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer from extending the probationary period of a full-time or part-time nurse up to an additional three (3) calendar months providing that the Employer gives written notification to the Union specifying the reason(s) for the extension.

ARTICLE 32 - PERFORMANCE APPRAISALS

3201 The Employer shall complete a written appraisal of a nurse's performance at least annually. Upon request, the nurse shall be given an exact copy of the appraisal.
