**1102** If mutual agreement is not reached by both parties to choose a single Arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in 1101 above, then the procedure stated below will be followed.

**1103** Either party may submit the matter in dispute to a Board of Arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) member of the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a member and the two (2) members thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

**1104** Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in their place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

**1105** Should the two (2) appointed arbitrators fail within ten (10) days to agree upon a Chairperson, the two (2) arbitrators shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

**1106** It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Care Home, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

**1107** The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

**1108** In the event of a grievance alleging unjust lay-off, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another Care Home during the period of the lay-off, suspension or discharge.

**1109** Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

**1110** For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

**1111** Nothing in this Collective Agreement shall preclude a nurse or the Union committee and the Care Home from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

**1112** Nurses whose attendance is required at arbitration hearings related to the Agreement shall be given permission to be absent from work and shall not suffer any loss of salary as a result.

**1113** The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as a disk/electronic version of an arbitration award.

## **ARTICLE 12 - HOURS OF WORK**

**1201** Eighty (80) hours shall constitute a bi-weekly period of work, including meal periods and rest periods. There shall be a fifteen (15) minute unpaid reporting period at the end of each shift.

**1202** The meal period will be scheduled by the Care Home and will be one-half (.50) of an hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Care Home.

**1203** A rest period of fifteen (15) minutes will be allocated by the Care Home during each continuous three (3) hour period of work.

**1204** A shift shall be eight (8.0) consecutive hours of work inclusive of meal times and inclusive of two (2) fifteen (15) minute rest periods. This clause shall not, however, prevent trial and implementation of changes in shift length if mutually agreed between a majority of nurses whose schedule is affected, the Union representing those nurses whose schedule is affected, and the Care Home. Any change in shift length agreements shall take the form of an addendum attached to and forming part of this Agreement.

**1205** Where a nurse cannot arrive as scheduled at the Worksite due to whiteout/blizzard conditions as declared by Environment Canada or the Care Home, or due to road closures as declared by police agencies or the Department of Highways, the nurse shall be rescheduled at a mutually agreeable time if possible during the following two (2) consecutive bi-weekly pay periods to work any hours missed. Where the scheduling of such shift cannot be accommodated or the nurse chooses not to be rescheduled, they may take the time from banked time which includes banked overtime, Recognized Holidays or vacation. Where this Article applies, the nurse must check with their Supervisor, and if requested, must make best efforts to attend work for at least part of the scheduled shift.

**1206** Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, they shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift. In the event the nurse who was originally scheduled for the shift attends at work, the Care Home may send the nurse home for that shift.

## **ARTICLE 13 - SHIFT SCHEDULES**

**1301** Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Care Home. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to posting and granted, if possible in the judgment of the Care Home. Requests for interchanges in posted shifts shall also be submitted in writing, co-signed by the nurse willing to exchange shifts with the applicant.

**1302** It is understood that any change in shifts or days off initiated by the nurses and approved by the Care Home shall not result in overtime costs to the Care Home.

**1303** Night shift shall be considered the first shift of each calendar day in which the majority of hours in the shift are worked after midnight.

**1304** Master rotations shall be planned by the Care Home in meaningful consultation with the nurse(s) concerned.

The process for meaningful consultation shall include:

- Employer proposes a master rotation including the Employer established criteria and provides to nurses concerned
- Nurses are provided reasonable time to submit feedback and/or an alternate master rotation for consideration.

- The amended or new master rotation is provided to Nurses for review. Nurses are provided with a reasonable time to submit feedback.
- At each step of the consultation process the Union will be provided with the new or revised master rotation to ensure contract compliance.
- Employer has the sole discretion to select the new master rotation and provides rationale for the selection.

Master Rotations shall be planned by the Care Home in meaningful consultation with the nurse(s) concerned and shall, unless otherwise mutually agreed between the nurse(s) concerned and the Care Home, observe the conditions listed hereinafter:

- (a) a minimum of sixteen (16) hours off between assigned shifts as defined in Article 1204 herein.
- (b) a minimum of forty-eight (48) hours off at one time except on a changeover from Day shift to Evening shift, when a single day off may be given.
- (c) a minimum of eight (8) days off within each period of four (4) consecutive weeks.
- (d) alternate weekends off shall be granted as often as reasonably possible.
- (e) a maximum of eight (8) consecutive days of work and preferably less between days off.
- (f) nurses who are required to rotate shifts being assigned to work either Day shift and Evening shift, or Day shift and Night shift. There shall be at least as great a number of Day shifts assigned as there are Night (or Evening) shifts within each standard rotation pattern, whenever reasonably possible.
- (g) A nurse will receive consideration in scheduling to allow them to pursue academic course(s) to further their education. Whenever reasonably possible, subject to patient care requirements, the granting shall be based on the following:
  - (i) the nurse submits their written request at least eight (8) weeks prior to commencing the academic course(s), and
  - (ii) another nurse(s) on the unit is (are) prepared to interchange their 'normally' scheduled shifts for the 'normally' scheduled shifts of the nurse attending the academic course(s), as agreed in writing,

- (iii) upon completion of the academic course(s) each nurse shall revert to their former rotation pattern.

Proof of registration in such course(s) shall be submitted by the nurse upon request.

## **ARTICLE 14 - OVERTIME**

**1401** Overtime shall be authorized time worked which exceeds the normal daily shift as defined in Article 12 herein or the normal full-time hours in the rotation pattern for both full-time and part-time nurses. Overtime hours extending beyond the normal daily shift into the next calendar day shall continue to be paid at the overtime rates in accordance with Article 1402.

Authorization must be obtained prior to the start of any overtime work except in emergency situations. The Care Home agrees the authorization in these emergency situations will not be unreasonably withheld. Payment for overtime worked when emergency circumstances prevent prior authorization shall be subject to a claim accompanied by a special written report prepared by the nurse before leaving the Care Home substantiating the reason for the overtime work.

**1402** Effective April 1, 2020, overtime shall be calculated at the rate of one and one-half (1.50) times their basic salary for the first three (3) hours of authorized overtime in any one (1) day, and at the rate of double their basic salary for hours worked in excess of three (3) hours in any one (1) day. Overtime shall be calculated at the rate of two (2) times their basic salary for all overtime worked on a scheduled day off. However, notwithstanding Article 1401 above, all overtime worked on a Recognized Holiday shall be calculated at two and one-half (2.50) times their basic salary.

**1403** Notwithstanding Articles 1401 and 1402 above, whenever a nurse works two (2) consecutive shifts, they shall receive pay at the rate of double their basic salary for the additional shift, except when the additional shift is worked on a Recognized Holiday, the nurse shall receive pay at the rate of two and one-half (2.50) times their basic salary for the additional shift.

**1404** At the nurse's request, overtime shall be banked and shall be compensated by time off at overtime rates to be taken at a time mutually agreed. At the nurse's request, any banked overtime, or portion thereof, shall be paid out on a separate cheque without a surcharge on the dates designated by the Care Home. At the nurse's request, any banked overtime or portion thereof shall be paid out at any time on a regular pay cheque. All accumulated overtime must be taken as time off or paid out by March thirty-first (31<sup>st</sup>) of each fiscal year. Accumulated overtime not taken as time off or paid out by this date shall be paid to the nurse in the subsequent pay period on a separate cheque without a surcharge.

**1405** A full-time nurse reporting back to work upon request after leaving the grounds of the Care Home following completion of a shift but before commencement of their next scheduled shift shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time they start to work to the beginning of their shift.

**1406** Overtime worked as a result of the changeover from Daylight Saving Time to Central Standard Time shall be deemed to be authorized overtime.

**1407** Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work in accordance with Article 1401.

**1408** In every period of overtime, a paid rest period of twenty (20) minutes shall occur during each continuous three (3) hours, unless the overtime worked is a full shift in which case regular meal/rest periods shall occur.

The dates used to calculate vacation earned shall be from April 1<sup>st</sup> to March 31<sup>st</sup> in the following year. Vacation earned in any vacation year is taken in the following vacation year.

The nurse shall have the right to request which day of the week their vacation begins. Upon request, a nurse may be permitted to retain up to three (3) days of their regular vacation for the purpose of taking such time off for personal reasons such as Aboriginal Ceremonies, hunting and gathering purposes, or special occasion, as long as adequate notice is given in order to accommodate scheduling.

**1902** A nurse who has completed less than one (1) year of employment as at the cut-off date shall be entitled to a paid vacation at the rate of one and a quarter (1.25) days per month worked, however, unless otherwise mutually agreed, the Care Home is not obliged to permit earned vacation to be taken until a nurse has completed six (6) months of employment.

Four (4) additional paid days travel time will be granted each year.

- (b) If a nurse works the Christmas day shift, Christmas night shift or New Year's Eve night shift they will be deemed to have earned one (1) extra day vacation in that year.

**1904** For the purposes of determining the rate at which vacation entitlement is earned, the term of continuous service of a nurse will be deemed to include:

**1905** Terminal vacation pay shall be calculated in accordance with Articles 1903 and 1904 and based on the nurse's rate of pay on the date of termination.

**1906** The Care Home shall notify each nurse, prior to their vacation, of the date and time upon which they are to report back to work following their vacation, but this will not preclude the making of a change during the nurse's vacation period if mutual agreement is reached between the Care Home and the nurse.

**1907** A nurse must give as much advance notice of vacation requests as possible, and in any event not less than one (1) months notice. Wherever possible, and subject to the amount of earned vacation a nurse has, vacation must be taken in periods of not less than one (1) week duration. The Care Home will make reasonable efforts to accommodate nurses' vacation requests, subject to operational requirements. Where nurses' vacation requests conflict, priority will be given to those nurses having the most seniority within each occupational classification.

## **ARTICLE 20 - RECOGNIZED HOLIDAYS**

**2001** For purposes of this Agreement, Recognized (paid) Holidays shall be New Year's Day (January 1<sup>st</sup>), Good Friday, Louis Riel Day, Victoria Day, Aboriginal Solidarity Day (June 21<sup>st</sup>), Canada Day, the first Monday in August, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day (December 25<sup>th</sup>), and Boxing Day (December 26<sup>th</sup>), Aboriginal Veterans Day and NCN Day, and any other statutory holidays declared by provincial authority.

**2002** Whenever a Recognized Holiday falls on their scheduled days off, it is understood that this day off in lieu shall be banked in accordance with Article 2006, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Care Home and the nurse, or the nurse may request that they receive an extra day's pay at their basic rate of pay.

**2003** A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times their basic pay and in addition shall receive one (1) day off at their basic rate of pay (8 hour).

**2004** A day off given in lieu of a Recognized Holiday shall be added to a weekend off or to scheduled days off unless otherwise mutually agreed.

**2005** The Care Home agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as reasonably possible over either Christmas Day or New Year's Day.

As much as reasonably possible, Christmas Eve and Boxing Day shall be assigned with Christmas Day; New Year's Eve shall be assigned with New Year's Day, unless otherwise mutually agreed.

**2006** A nurse may accumulate up to four (4) days off in lieu of Recognized Holidays to be taken with scheduled days off or to complete a partial week of vacation or at such other time as is requested and granted in accordance with Article 1301. Unless otherwise agreed between the nurse concerned and the Care Home, accumulated lieu days must be taken within the fiscal year in which they were earned. Lieu days are only accumulated when a Statutory Holiday is worked.

## **ARTICLE 21 - INCOME PROTECTION/SICK LEAVE**

**2101** A nurse having accumulated an entitlement to income protection/sick leave may claim basic pay for such income protection/sick leave against such accumulation with respect to periods during which:

- (i) The nurse was unable to work because of an incapacitation due to accident or illness, however, a nurse cannot receive income protection/sick leave benefits for any period of time during which they are eligible for wage loss benefits from the Manitoba Public Insurance as a result of a motor vehicle accident [subject to Article 2103], or
- (ii) In the opinion of the Care Home, their presence constituted a health hazard for patient and/or other employees and the nurse was instructed by the Care Home to leave their place of duty; or

- (iii) The nurse attends an appointment related to a medical/dental examination and/or treatment, subject to Article 3404.

**2102** Each nurse shall accumulate income protection at the rate of one and one-quarter (1.25) days for each full month of employment.

**Note:** For each one and one-quarter (1.25) days of income protection accumulated, one day\* (80%) shall be reserved exclusively for the nurse's personal use as outlined in Article 2101. The remaining one-quarter (.25) of a day\* (20%) shall be reserved for either the nurse's personal use as outlined in Article 2101, or for use in the event of family illness as specified in Article 2112. The Employer shall maintain an up-to-date record of the balance of income protection credits reserved for each of these purposes.

**2103**

- (a)
- (i) A nurse who becomes injured or ill in the course of performing their duties must report such injury or illness as soon as possible to their immediate supervisor.
  - (ii) Where a nurse is unable to work because of injuries sustained in a motor vehicle accident they must advise their supervisor as soon as possible and they must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection/sick leave benefits for any period of time deemed to be a "waiting period" by MPI to the extent that Income Protection/Sick Leave credits are available to the nurse.
  - (iii) Where a nurse has applied for MPI benefits and where a loss of normal salary would result while awaiting a MPI decision, the nurse may elect to submit an application to the Care Home requesting an advance subject to the following conditions:
  - (iv) Advance payment(s) shall not exceed the nurse's basic salary as defined in Article 3502 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
  - (v) The advance(s) will cover the period of time from the date of injury until the date the final MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection/sick leave credits.
  - (vi) The nurse shall reimburse the Care Home by assigning sufficient MPI payments to be paid directly to the Care Home to offset the total amount of the advance or by repayment to the Care Home immediately upon receipt of payment made by MPI directly to the nurse.

- (vii) In the event that the MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection/sick leave provisions of this Agreement and the Care Home shall recover the total amount of the advance by payroll deduction.
  - (viii) Upon request, the Care Home will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Care Home.
- (b)
- (i) A nurse who has accumulated sufficient income protection/sick leave credits may elect to submit an application to the Care Home requesting that the Care Home supplement the MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's basic salary as defined in Article 3502 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

The Care Home's supplement shall be charged to the nurse's accumulated income protection/sick leave credits and such supplement shall be paid until the nurse's accumulated income protection/sick leave credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.

- (ii) Subject to the provisions of each plan, the nurse may request the Care Home to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Care Home's pension plan, dental care plan, Long Term Disability plan, and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Care Home to ensure the continuation of these benefit plans. The Care Home will contribute its usual contributions to these benefit plans while the nurse contributes.
- (iii) Further to this, the Care Home shall notify Manitoba Public Insurance of salary adjustments at the time they occur.
- (iv) If at any time it is decided by the MPI that any payment to be made to the nurse by the Care Home must be offset against benefits otherwise payable by the MPI, then such payment shall not be payable.

- (c) A nurse who is on LTD/MPI prior to the commencement of their vacation shall, upon their request, have their vacation displaced and such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Care Home within the available time periods remaining during that vacation year. If the current annual vacation is not used, then the Care Home has the right to schedule the vacation prior to the end of the current vacation year or pay out any monies owing.

**2104** The Care Home shall be entitled to recover any income protection/sick leave paid to a nurse if their employment is not continued beyond their probationary period, from the nurse's final termination cheque.

**2105** A nurse who is unable to report for work due to illness shall inform their supervisor prior to the commencement of their next scheduled shift(s). A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection/sick leave benefits for the shift(s) in question.

Prior to Day shift - One (1) hour  
Prior to Evening shift - Three (3) hours  
Prior to Night shift - Three (3) hours

A nurse returning to work following an absence of one week or more shall inform the Care Home by 1400 hours the day prior to returning to work.

**2106** The Care Home, either at the time of notification by the nurse of claiming income protection/sick leave, or by advance notice prior to future income protection/sick leave claims, may require a medical certificate or report as proof of the validity of any claim for income protection/sick leave and as proof of the nurse's fitness to return to duty. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection/sick leave or may result in a refusal of permission for them to resume their duties.

**2107** Days off and Recognized Holidays or days given in lieu of Recognized Holidays which fall within a period of sick leave shall not be considered a part of, or charged to, the nurse's accumulated income protection/sick leave.

**2108** At the effective date of this Agreement, each nurse will retain income protection/sick leave entitlement accumulated and not used to that date.

**2109** As soon as a nurse is aware of a date upon which surgery will occur, they shall notify the Care Home, in writing, of this date and any change thereto so that staff coverage for their intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Care Home has made arrangements for alternate staffing to cover the anticipated absence, the Care Home shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to forty-eight (48) hours notice of cancellation.

**2110** If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection/sick leave to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled at a time mutually agreed between the nurse and the Care Home within the available time periods remaining during that vacation year. Proof of such hospitalization shall be provided if requested.

**2111** The Care Home will annually, on written request, provide each nurse with a statement of their accrued income protection/sick leave credits.

**2112** Subject to the provisions of Article 2102, a nurse may use income protection/sick leave for the purpose of providing care in the event of an illness of a spouse, child or parent.

**2113** A nurse who has completed the probationary period who is unable to perform their work by reason of an accident or illness not fully covered by income protection/sick leave, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery; subject to review at three (3) months, or lesser intervals, at the discretion of the Care Home.

## **ARTICLE 22 - LEAVE OF ABSENCE**

**2201** The nurse will be required to submit a written request for any leave of absence unless otherwise herein stipulated. These requests will specify the reason for the leave and will be considered on an individual basis and may be allowed at the discretion of the Care Home unless otherwise indicated in the Agreement; however, requests for education leave will be given special consideration. Except in emergencies, such requests must be made at least four (4) weeks in advance. The Care Home shall notify the nurse of their decision in writing, within two (2) weeks of receipt of the request. Requests for extension of educational leave, Maternity Leave, Parenting Leave, Adoption Leave, and bereavement leave will be granted if reasonably possible.

Where a nurse requests to return to work prior to the expiry of the leave of absence as set out in the approved request, the Care Home shall have no obligation to return the nurse to work until such time that the leave of absence would have expired, except as per Article 2208(g).

Where a nurse has been granted a leave of absence from their entire EFT, they shall be eligible to work additional available shifts. However, they shall not have preference over part-time nurses or casual nurses who offer and are available to work these shifts. When the nurse is awarded additional available shifts, they are compensated in accordance with Article 2503 (a) – (e).

Where a nurse has requested and been granted a partial leave of absence, they will be entitled to accrual of vacation, income protection credits and Recognized Holiday pay on a pro-rata basis.

**2202** Overstaying of leave of absence without valid reason may be deemed as a resignation.

**2203** The Care Home shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For leaves of absence of sixty (60) weeks or less or eighty (80) weeks or less in the case of Maternity and/or Parenting Leave the nurse is assured of being placed in the same occupational classification and at the same step on their salary scale on their return, but they cannot be assured of being placed in the same position or shift. In the case of longer leaves of absence, a nurse may be placed in any position covered by this Agreement and shall be reinstated at their previous salary, provided that such salary shall not exceed the maximum for the position in which they are placed. Notwithstanding Article 2801, a nurse not placed in their former position will be given consideration over other nurses for the first vacancy made available to them in a similar position.

**2204** There shall be no loss of income protection/sick leave accumulations or vacation accumulations up to the date of any leave of absence whether granted with or without pay.

**2205** Income protection/sick leave and vacation benefits will continue to accrue during any period of an unpaid leave of absence, approved by the Care Home of four (4) weeks or less.

(a) Where the Care Home requires a nurse to attend educational conferences, workshops, programs or seminars during working hours, the Care Home shall pay registration or tuition fees, and approved expenses and shall ensure that the nurse suffers no loss of salary.

(b) Where the Care Home requires a nurse to attend educational conferences, workshops, programs or seminars during non-working time, the Care Home shall pay registration or tuition fees, and approved expenses and shall pay for the time of such attendance at straight time rates.

(c) **Educational Development**

A nurse shall be granted, upon written request, funding up to a maximum of \$200 annually, to attend workshops, courses, and other programs approved by the Care Home that are relevant to nursing practice. Such requests must be submitted to the CEO/DON prior to attendance at such program. ## ARTICLE 23 - SENIORITY

**2301** "Seniority" shall be defined as the length of the nurse's continuous employment from the last date on which they commenced work with the Care Home, subject to Article 31 herein.

**2302** Seniority shall be considered as a factor in vacancy selection (including promotion and transfer), demotion, and if all other posted selection criteria are equal, it shall be considered as the governing factor. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one classification to another.

**2303** The seniority of a nurse will be retained but will not accrue if:

- (i) the nurse is on any unpaid leave of absence in excess of four (4) consecutive weeks except those referenced in (ii) below, and those referenced in Article 2304;

- (v) the nurse is on any period of unpaid leave of absence of less than four (4) weeks, except those referenced in (iv) above;
- (vi) the nurse is laid off for less than twenty-six (26) weeks;
- (vii) the nurse is on Parenting Leave;

Note: Accrual under these provisions is based on the nurse's regular EFT.

**2305** The seniority of a nurse will terminate if:

- (i) the nurse resigns;
- (ii) the nurse is discharged, and not reinstated under the grievance procedure;
- (iii) the nurse is laid off for more than five (5) years;
- (iv) the nurse fails to report for duty within seven (7) days after notification to do so, subject to Article 2506;
- (v) the nurse fails to report for work as scheduled at the end of a leave of absence, vacation, or suspension without valid reason;
- (vi) the nurse obtains a permanent position outside the bargaining unit; or a term position outside the bargaining unit which is greater than fifty-four (54) weeks.

**2306** The Care Home shall once annually, by January 31<sup>st</sup>, provide the Union with a seniority listing of names, address and telephone numbers of nurses within the scope of this Agreement, together with the length of each nurse's continuous employment with the Care Home. Any alleged errors in the list will be reviewed by the Care Home and corrected as soon as possible.

The Union commits to have in place reasonable administrative and physical safeguards to ensure the confidentiality and security of this information in accordance with F.I.P.P.A.

## **ARTICLE 24 - NOTICE OF TERMINATION OF EMPLOYMENT**

**2401** Employment may be terminated voluntarily by a nurse with four (4) weeks written notice, exclusive of any vacation due.

**2402** Employment may be terminated with less notice or without notice:

- (a) by mutual agreement between the nurse and the Care Home for special circumstances [It is agreed that transfer of a spouse of less than four (4) weeks notice shall constitute reasonable cause for lesser notice to be given.], or
- (b) during the probationary period of a newly hired nurse subject to Article 29 herein, or
- (c) in the event a nurse is dismissed for sufficient cause to justify lesser or no notice.

**2403** The Care Home may give equivalent basic pay in lieu of notice.

**2404** Subject to other provisions contained in this Agreement relative to termination of employment, each nurse shall, unless otherwise mutually agreed, upon termination of their employment and within five (5) office working days following the completion of their last working shift, receive pay in lieu of unused vacation, and all salary earned to date of termination.

## **ARTICLE 25 - LAY-OFF AND RECALL**

**2501** When a reduction in the working force becomes necessary, nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified, competent and willing to perform the required work.

**2502** Notice of intention of lay-off or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- Lay-offs of six (6) weeks or less - two (2) weeks notice;
- Lay-offs of longer than six (6) weeks - four (4) weeks notice.

A nurse who is on lay-off shall not be entitled to notice of lay-off when they come back to work on an incidental basis.

**2503** No lay-off of full-time or part-time nurses shall occur when casual nurses are being employed, unless no full-time or part-time nurse on staff is qualified, competent and willing to fill the position(s) in question. Additional available shifts shall be offered to a nurse on lay-off, before part-time and casual nurses, provided they are qualified, competent and willing to perform the required work.

Notwithstanding Article 3102, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided they are qualified, competent and willing to perform the required work. During the first year of a layoff, the nurse on layoff will receive preferential consideration for the assignment of such shifts provided that this will not result in the nurse working in excess of their regular EFT commitment. During the period between two (2) to five (5) years, a laid off nurse may indicate availability for additional available shifts but will not receive preferential consideration over part-time nurses.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

(a) vacation pay shall be calculated in accordance with Article 1903 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,

(b) income protection accumulation shall be calculated as follows:

Additional available hours worked by the laid-off nurse -----	X	Entitlement of Full-time Nurse
Full-time hours		

(c) in the event the layoff is longer than twenty-six (26) weeks, seniority shall be calculated in accordance with regular hours worked,

(d) the nurse shall be paid four and one-quarter percent (4.25%) of the basic rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours and shall be included in each pay cheque,

(e) participation in benefit plans is subject to the provisions of each plan.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 2303 (iv).

However, a nurse on layoff who agrees to work in a term position shall retain their right to be recalled into a permanent position while working in the term position.

**2504** No new nurses will be hired when other nurses are on lay-off except for reasons of a special skill requirement.

**2505** All nursing job vacancies, permanent and term, shall be posted in accordance with the terms of this agreement. Nurses on lay-off shall be entitled to apply for these vacancies.

**2506** Nurses shall be recalled in seniority order to available positions in equal or lower paid occupational classifications provided they are qualified to perform the required work. Such recall shall be made by registered mail or by personal service and shall provide for at least one (1) week's notice to report back to work.

The nurses affected will contact the Care Home by telephone not later than four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have their employment terminated.

**2507** In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise their seniority rights, subject to their ability, performance and qualifications, to displace a nurse in a position of equal or lower classification. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

A nurse may displace another nurse in a position of equal classification only when they have greater seniority in that particular classification than has the other nurse.

**2508** Laid off nurses shall be entitled to apply for nursing job vacancies other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local during the period when any nurses are on lay-off.

**2509** Accumulated vacation entitlement shall be paid out at time of lay-off except where, prior to the date of lay-off, a nurse has been awarded a term or permanent position which commences within four (4) weeks of date of lay-off.

**2510** Nurses who are absent from work due to a leave of absence for any reason shall be advised of lay-off or deletion of their position in accordance with this Agreement and shall be required to comply with all provisions of this Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence.

## **ARTICLE 26 - PROMOTION**

**2601** Upon promotion, a nurse shall receive a salary applicable to their new classification which provides an increase of at least one increment above their former salary. A promotion shall mean an increase in classification from one occupational classification to another.

**2602** The nurse's anniversary date of employment prior to promotion shall continue to govern with respect to increments.

**2603** The first three (3) calendar months following a nurse's promotion shall be considered to be a trial period, and the Union shall be notified by the Care Home. During the first six (6) weeks of this trial period, the nurse may return to their former position at their request or be returned to their former position by the Care Home. During the last six (6) weeks of this trial period, the nurse may return to their former classification at their request or be returned to their former classification by the Care Home.

## **ARTICLE 27 - DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE**

**2701** In all instances where the Care Home considers that a nurse warrants disciplinary action, the Care Home shall make every effort to take such action at a meeting with the nurse and shall give the nurse advance notice of the nature of the complaint, where reasonably possible to do so. The nurse may be accompanied at the meeting by a Union representative.

**2702** If the action referred to in the above clause results in a written warning, suspension, demotion or dismissal of a nurse, the Care Home shall notify the nurse in writing of the action taken and the reasons.

**2703** A nurse who is demoted due to inadequate performance shall be paid at the step of the lower scale that corresponds to their level of experience.

**2704** A nurse shall be given the opportunity to examine any document which is placed in their personnel file, including, but not limited to, those documents which may be utilized to substantiate a disciplinary action against them, and their reply to any such document shall also be placed in their personnel file. Upon written request the nurse shall also receive an exact copy of such document.

**2705** A nurse accompanied by a Union representative if they so elect may examine their personnel file upon request. A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in their personnel file. Any nurse who has been terminated may consult their file and upon written request shall receive copies of specified documents so long as the written request is made within sixty (60) days of their termination.

**2706** There shall be one (1) personnel file maintained by the Care Home for each nurse.

## **ARTICLE 28 - VACANCIES, TERM POSITIONS AND NEW POSITIONS**

**2801** Subject to Article 2802 herein, the Care Home agrees to post notices of vacant, term or new positions covered under this Agreement for at least seven (7) days to enable nurses presently in the employ of the Care Home to apply for same. Such posting shall not preclude the Care Home from advertising outside the site premises. All postings shall state minimum qualifications required, the equivalent to full-time (EFT) and date of closing of the competition. Job descriptions shall be available to applicants on request.

**2802** The Care Home will be required to post a notice of vacancy for only five (5) days for a vacancy that is created by:

- (a) a nurse terminating employment and not giving the full period of notice as specified in Article 24 herein, or
- (b) a transfer occasioned by posting.
- (c) Where a term position has been created due to a leave of absence where less than four (4) weeks notice has been given.

**2803** Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written application for the vacant, term or new positions.

**2804** Each nurse who applies for a posted vacancy will be notified in writing of the disposition of their application. The name of the successful applicant and the position awarded will be posted on the bulletin board for a period of seven (7) calendar days with a copy of this information forwarded to the Union.

**2805** The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, their placement on such scale, and any special conditions that may be applicable to their appointment.

**2806** **"Term Position"**

A position occupied by a full-time or part-time nurse for a specified period of time, up to a maximum of sixty (60) weeks, where resident census or workload necessitates a temporary increase in staffing, or to replace a nurse(s) who is/are on vacation or leave of absence or to carry out a special short term project. If the Care Home determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 28. This shall not preclude the Care Home from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Articles 31 and 32 when the Care Home decides that a term position is not required.

The Care Home shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Care Home so requests and the Union agrees.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Care Home shall state on the job posting that the said term position is an "Indefinite Term" which will expire subject to a minimum of two (2) weeks notice, or 1 pay period which ever is longer. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on maternity or parental leave wants to exercise their right to return from such leave earlier than anticipated, having given appropriate notice as per Article 2208(g), the Care Home shall state on the job posting that the said term position is a "Maternity or Parenting Leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

On expiry of the term position the nurse:

- (a) newly hired from outside the Care Home, or a casual nurse from within the Care Home, shall be entitled to exercise their seniority rights to obtain any vacant position for which they are qualified, without interruption of seniority or benefits if the position commences within four (4) weeks of the expiry of the term position.
- (b) who was employed by the Care Home immediately prior to accepting the term position shall return to their former position if reasonably possible. A nurse not returned to their former position shall be returned to their former occupational classification and employment status.

## **ARTICLE 29 - PROBATIONARY PERIOD**

**2901** The period from the date of last employment to the completion of three (3) calendar months of employment for full-time nurses [and from the date of last employment to the later of completion of four (4) calendar months or thirty (30) shifts worked for part-time nurses] will be recognized as a probationary period. During such period the nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Care Home from extending the probationary period of a full-time or part-time nurse up to an additional three (3) calendar months providing that the Care Home gives written notification to the Union specifying the reason(s) for the extension.

## **ARTICLE 30 - PERFORMANCE APPRAISALS**

**3001** The Care Home may complete a written appraisal of a nurse's performance at least bi-annually. Upon request, the nurse shall be given an exact copy of the appraisal.

**3002** The nurse shall have an opportunity to read such document.

## **ARTICLE 31 - SPECIAL UNDERSTANDINGS RE PART-TIME NURSES**

**3101** All provisions of the Collective Agreement shall apply to part-time nurses, with seniority, sick leave, vacation pay and pay increment eligibility all calculated pro rata based on the nurse's regularly scheduled hours.

**3102** Part-time nurses who make known to the Care Home that they wish to work occasional additional available shifts shall be given preference for such shifts unless the part-time nurse has already worked in that day:

**3103**

(a) Vacation pay shall be calculated as follows:

Hours Paid at Regular Rate of Pay (during vacation year)	X	Entitlement of a Full-time Nurse
Full-time Hours

**3106** A part-time nurse shall receive increments (calculated from the date of their last increment, or their starting date as the case may be) on the basis of one (1) increment for each 1343 hours worked or one (1) year's service, whichever occurs later. In the case of the increment being given on the basis of 1343 hours worked, it shall be applied to the pay period next following completion of 1343 hours worked.

**3107** Seniority will be calculated in accordance with regular hours worked.

**3202** Casual nurses will receive vacation pay at the rate of six percent (6%) of all hours paid at basic salary including hours worked on Recognized Holidays in a bi-weekly pay period.

**3203** Casual nurses are paid in accordance with the salaries specified in Appendices "A" and "B" and receive a starting salary as described in Article 35.

A casual nurse shall receive increments (calculated from the date of their last increment, or the nurse's start date as the case may be) on the basis of one (1) increment for each 2080 regular hours worked. Such increment shall be applied on the first day of the first pay period following completion of 2080 hours.

When a nurse elects to terminate their full-time or part-time position and immediately requests to have their name placed on a casual roster, the following conditions will apply:

- (a) Such casual nurse will be paid in accordance with the salary specified in Appendices "A" and "B";

**3207** A casual nurse reporting for work and finding no work available will be guaranteed three (3) hours pay at their basic rate of pay.

**3208** Articles 10 and 11 herein apply only with respect to the terms of this Article.

**3209** Casual nurses shall accrue seniority for hours worked only for the purposes of Article 28 and only in situations where there are no qualified full-time or part-time applicants currently in the bargaining unit.

Whereas, the Care Home is concerned with its employees employment security, and

Whereas, the Union is concerned with its members employment security, and

Whereas, within the Province of Manitoba health care reform continues to be explored, and

Whereas, there may be a need to examine the delivery of health care within the Care Home, and

Whereas, there may be a need to examine the current complement of nursing staff:

1. It will be incumbent upon the Care Home to notify the Union, in writing, at least forty-five (45) days prior to any alteration in the delivery of health care and/or in the current complement of nursing staff.
2. If it becomes necessary to reduce the staffing complement, all avenues relevant to the issue of employment security for the nurses will be examined and discussed between the Care Home and the Union, no later than twenty (20) days after the above.
3. The Care Home and the Union agree to meet to develop the process for the planned reductions within five (5) days after the above.
4. The Care Home will, wherever reasonably possible, carry out these reductions by way of attrition.
5. In keeping with the Care Home's commitment to ensure that any affected nurse shall retain employment with the Care Home, and where reductions cannot be dealt with through attrition, Article 2507 shall apply. - 10. There must be mutual agreement between the Care Home and the Union to discontinue the 12.00 hour shift schedule pattern.
