1203 A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

1204 A nurse or Union representative shall request permission from her/his immediate supervisor to leave her/his duties in order to process grievances; she/he shall report to her/his immediate supervisor upon her/his return; she/he shall be granted this permission when, in the opinion of her/his immediate supervisor, it will not prejudice care, student education or require any staff replacement in either area. She/he shall not suffer loss of pay when engaged in such activities during regular working hours.

1205 Complaint Stage:

A nurse shall, within fifteen (15) days of the event which is the subject of complaint, attempt to resolve the matter through discussion with her/his immediate supervisor outside the bargaining unit, and if the matter is not settled to her/his satisfaction the nurse may proceed with a grievance herself/himself or elect to be represented by a Union representative.

1206 **Step One:**

If the dispute is not resolved within the time period specified in 1205 above, the grievor and/or Union representative may, within a further ten (10) days submit the grievance in writing to the Executive Director or designate. The Executive Director or designate shall reply in writing within ten (10) days of receipt of the written grievance.

If the dispute remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the Provincial Director or designate. The Provincial Director or designate shall reply in writing within ten (10) days of receipt of the written grievance.

1210 Subject to the provision of 1209 above, and subject to Section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

1211 **Union Grievance:**

The Union may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement in writing at Step One of the grievance procedure providing it is presented within twenty (20) days after the circumstances giving rise to the grievance have originated or occurred. However, it is expressly understood that the provisions of this clause may not be used to institute a grievance directly affecting a nurse or nurses which such nurse or nurses could themselves initiate and the regular grievance procedure shall not be thereby bypassed.

1212 **Employer's Grievance:**

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation by the Union or a number of nurses, of this Agreement by forwarding a written statement of such grievance to the President of the Union with a copy to the Manitoba Nurses' Union providing it is presented within twenty (20) days after the circumstances giving rise to the grievance have originated or occurred. The President of the Union shall give her/his decision within ten (10) days after receipt of the written grievance, and failing settlement the grievance may be submitted to arbitration by the Employer in accordance with the provisions of Article 13.

1213 Should a grievance arise out of the discharge of a nurse, it shall proceed directly to Step 2 of the Grievance Procedure. It must be submitted in writing within ten (10) days following the date of discharge.

ARTICLE 13 -- ARBITRATION PROCEDURE

1301 In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 1207 is received from the Provincial Director or Designate, the matter may then be referred to arbitration by the Union or the Employer as hereinafter set forth.

1302 If mutual agreement is not reached by both parties to choose a single arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in Article 1301 hereof, then the procedure stated below will be followed.

1303 Either party may submit the matter in dispute to a board of arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) member of the intended board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a member and the two (2) members thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

1304 Should either party fail to appoint an arbitrator as herein provided or if any arbitrator thus appointed should fail or be unable to serve and another arbitrator not be appointed in her/his place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

1305 Should the two (2) appointed arbitrators fail within ten (10) days to agree upon a Chairperson, the two (2) arbitrators shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

1306 The decision of the majority of the three members of the Arbitration Board, and where there is no majority, the decision of the Chairperson, shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitration Board shall not be authorized to make any decision inconsistent with the provisions in this Collective Agreement, nor to alter, modify, add to or amend any part of this Collective Agreement.

1307 The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternative award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another employer during the period of layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares and each party shall bear the cost of its nominee to any Board of Arbitration.

1310 For the purposes of determining lengths of time in the foregoing procedures, Saturdays, Sundays, and Paid Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union committee and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend in writing any of the stipulated time limits.

1312 Nurses whose attendance is required at arbitration hearings, related to this Agreement, shall be given permission to be absent from work and shall not suffer any loss of salary as a result.

ARTICLE 14 -- HOURS OF WORK

1401 Eighty (80) hours shall constitute a bi-weekly period of work.

1402 The meal period will be scheduled by the Employer and will be one-half (.50) hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 Two (2) rest periods of fifteen (15) minutes each will be allocated by the Employer; one (1) to be taken during the first four (4) hour period of work, and one (1) to be taken during the last four (4) hour period of work.

1404 A shift shall be eight and one-quarter (8.25) consecutive hours of work including two (2) fifteen (15) minute rest periods and including a one-half (.50) hour meal period, of which fifteen (15) minutes shall be paid.

1405 A full-time or part-time nurse who is advised not to report for her/his next scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

1406 Where a nurse cannot arrive at the place of employment due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Highways, the nurse shall be rescheduled at a mutually agreeable time during the following two (2) consecutive bi-weekly pay periods to work any hours missed, provided that the rescheduling shall not result in any overtime. Where the scheduling of such shift cannot be agreed upon or the nurse chooses not to be rescheduled, she/he may take time from banked time which includes banked overtime, Recognized Holidays or vacation.

ARTICLE 15 -- SHIFT SCHEDULES

1501 Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to posting and granted, if possible in the judgment of the Employer. Requests for interchanges in posted shifts shall be submitted in writing. Such requests for interchanges shall be co-signed by the nurse willing to exchange shifts with the applicant and must be approved in advance by the Employer.

1502 It is understood that any change in shifts or days off initiated by the nurses and approved by the Employer shall not result in overtime costs to the Employer.

1503 Night shift shall be considered as the first shift of each calendar day. By way of example, the first shift of Saturday is the night shift which starts on Friday night and for which the majority of hours occurs on Saturday morning.

1504 Shift patterns for each nursing unit shall be planned by the Employer in meaningful consultation with the nurse(s) concerned and shall, unless otherwise mutually agreed between the nurse(s) and the Employer, observe the conditions listed hereinafter:

- a) A minimum of two (2) regular shifts off between assigned shifts as defined in Article 1401.
- b) A minimum of eight (8) days off in each four (4) consecutive week period;
- c) A nurse shall receive alternate weekends off;

- d) A maximum of seven (7) consecutive days of work shall be scheduled;
- e) Shift patterns shall be either permanent days, evenings or nights or day evening or day night rotations; and
- f) A nurse will receive consideration in scheduling to allow her/him to pursue academic course(s) to further her/his education. Whenever reasonably possible, subject to resident care requirements, the granting of such consideration shall be based on the following:
 - i. She/he submits her/his written request at least eight (8) weeks prior to the commencement of the academic course(s); and
 - ii. Another nurse(s) is/are prepared to interchange “normally” scheduled shifts for the “normally” scheduled shifts of the nurse attending the academic course(s), as agreed in writing;
 - iii. Upon completion of the academic course(s) each nurse shall revert to her/his former rotation pattern.

Proof of registration in such course(s) shall be provided to the Employer upon request.

ARTICLE 16 -- OVERTIME

1601 Overtime shall be authorized work performed in excess of eight (8) hours per day or one hundred sixty (160) hours in any two (2) consecutive bi-weekly periods.

Nurses will whenever possible obtain pre-authorization for overtime from their supervisor or a designated member of management. The Employer agrees the authorization for overtime payment will not be unreasonably withheld pending the nurse submitting a written report satisfactory to the Employer stating the reason for the overtime work and the reasons she/he was not able to have it pre-authorized. This report must be submitted prior to leaving the Home on the shift the overtime is worked.

1602 Each nurse shall be paid at the rate of one and one-half (1.50) times her/his basic salary for the first three (3) hours of authorized overtime in any one (1) day, and at the rate of double her/his basic salary for hours worked in excess of three (3) hours in any one day. A full-time nurse shall receive two (2) times her/his basic salary for all overtime worked on a scheduled day off. However, notwithstanding section 1601 above, all overtime worked on a Recognized Holiday shall be paid at two and one-half (2.50) times her/his basic pay.

1603 Notwithstanding sections 1601 and 1602 above, whenever a nurse works two (2) full consecutive shifts, she/he shall receive pay at the rate of double her/his basic salary for the second shift, except when the second full consecutive shift is worked on a Paid Holiday, she/he shall receive pay at the rate of two and one-half (2.50) times her/his basic salary for the second shift.

1604 By mutual agreement between the Employer and the nurse, overtime may be compensated by time off at overtime rates. The lieu time shall be scheduled at a time mutually agreed to by the employee and the Employer. All accumulated overtime must be taken as time off or paid out by March 31 and September 30 of each year.

1605 A nurse required to report back to work after leaving the grounds of the Home following completion of a shift but before commencement of her/his next scheduled shift, shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

1606 Overtime worked as a result of the time changeover from Daylight Savings Time to Central Standard Time shall be payable at overtime rates. It is understood that nurses working a short shift as a result of such changeover will be paid only for time actually worked.

1607 Overtime shall be distributed as equitably as possible amongst those nurses qualified for the work in accordance with Article 16.01.

1608 Blank

1609 A nurse who is authorized to work overtime for a period of three(3) hours or more immediately following her/his regular shift shall be supplied with a meal, or if this is not available a meal ticket.

(a) An evening shift premium of one dollar (\$1.00) [one dollar and seventy-five cents (\$1.75) effective July 1, 2016] per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of the hours on that shift fall between 1700 hours and the next succeeding 2300 hours.

- (b) A night shift premium of two dollars and five cents (\$2.05) [two dollars and fifty cents (\$2.50) effective July 1, 2016] per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of hours on that shift falls between 2400 hours and 0600 hours.

1702 The evening shift premium shall also be applicable to each hour worked after 1600 hours on a “modified” day or evening shift during which at least two (2) hours are worked between 1600 and the termination of the shift.

For purposes of application of this provision, a “modified” day shift shall mean one that commences at a different time than the majority of day shifts worked by nurses, and a modified evening shift shall mean one that commences at a different time than the majority of evening shifts worked by nurses.

1703 When a nurse is on standby, weekend premium is payable only for hours actually worked on a callback.

1704 A weekend premium of one dollar and sixty-five cents (\$1.65) [two dollars (\$2.00) effective July 1, 2016] per hour shall be paid to a nurse for all hours actually worked on any shift where the majority of the hours on that shift fall between 0001 hours on the Saturday and 2400 hours on the following Sunday.

ARTICLE 21 -- VACATION

2101 Unless otherwise agreed between the nurse and the Employer, the Employer will provide for vacation days to be taken on a consecutive basis, recognizing that five (5) vacation days equals one (1) calendar week. Vacation earned in any vacation year is taken in the following vacation year. The vacation year shall be from June 1st to May 31st. The dates used to calculate vacation earned shall be from the end of the last full pay period of May in one vacation accrual year to the end of the last full pay period of the following May. Upon request, a nurse may be permitted to retain up to three (3) days of her/his regular vacation for the purpose of taking such time off for personal reasons such as religious observance or special occasion, as long as adequate notice is given in order to accommodate scheduling.

2102 A nurse who has completed less than one (1) year of employment as at the cut-off date shall be entitled to a paid vacation at the rate of one and one-quarter (1.25) days per one hundred seventy-three and three-tenths (173.3) hours of employment, however, unless otherwise mutually agreed, the Employer is not obliged to permit earned vacation to be taken until a nurse has completed six (6) months of employment.

2103

(a) Nurses shall be entitled to paid vacation calculated on the basis of vacation earned at the following rates:

<u>Length of Employment</u>	<u>Rate at Which Vacation Earned</u>
In the first three (3) years	Fifteen (15) days/3 weeks
In the fourth (4th) to tenth (10th) year inclusive	Twenty (20) days/4 weeks

2104 Blank

2105 For the purpose of determining the rate at which vacation is earned, the term of continuous service of a nurse will be deemed to include:

- periods of up to two (2) years when a nurse may be in receipt of Workers Compensation, after expiry of her/his income protection credits.
- any periods when a nurse is receiving income protection benefits, is on paid vacation, is on paid leave of absence.

2106 Nurses on Workers Compensation will continue to accrue paid vacation for a period of one (1) year from the date of the first absence from work, related to the occurrence of the compensable injury or illness.

2107 Terminal vacation pay shall be calculated in accordance with sections 2103 and 2105 and based on the nurse's rate of pay on the date of termination.

2108 The Employer shall notify each nurse prior to her/his vacation of the date and time upon which she/he is to report back to work following her/his vacation, but this will not preclude the making of a change during the nurse's vacation period, if mutual agreement is reached between the Employer and the nurse.

2109 The Employer shall be responsible for posting vacation entitlement lists by March 1st of each year and approved vacation schedules by May 1st, provided nurses' requests for vacation have been received in writing by April 1st. In the selection of dates, every effort will be made consistent with the necessities of the operation of the Home to allow nurses to exercise their choice in accordance with their seniority status.

A nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year. Vacation may be paid out only in extenuating circumstances.

2110 Effective the first full vacation year following the date of ratification: In recognition of length of service, each nurse shall receive an additional one time bonus vacation of five (5) days of vacation on completion of twenty (20) years of continuous service at the Home or subject to the MOU #9 (b) (2) and on each subsequent fifth (5th) anniversary of employment (i.e. 25th, 30th, 35th, and 40th). Such days shall be taken during the vacation year in which the twentieth (20th) or subsequent 5th anniversary occurs.

A March Float holiday will be granted to each full-time and part-time nurses. The March Float Holiday is payable at straight time. For full time nurses only the March Float holiday shall be taken thirty (30) days before or after March 17, provided the Employer receives the minimum of eighteen days notice in order to obtain suitable replacement staff. If suitable time off cannot be arranged, the Employer will schedule the March Float within the specified time periods. Under normal circumstances a full-time nurse will receive the day off with pay.

If another federal, provincial or municipal, etc., holiday should be proclaimed during the term of this Agreement, such additional proclaimed holiday will replace the Holiday "March Float". The intent is that there will be no more than twelve (12) paid holidays per calendar year for the duration of this Agreement. It is understood that the "March Float" is payable at straight time.

2202 Whenever a Recognized Holiday falls on her/his scheduled days off, the nurse shall receive an extra day off in lieu thereof; the Employer may, however, give her/him an extra day's pay at her/his basic rate if mutually agreed between the nurse and the Employer.

2203 A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times her/his basic pay and in addition shall receive one (1) day off at her/his basic rate of pay.

2204 A day off given in lieu of a Recognized Holiday shall be added to a weekend off or to scheduled days off unless otherwise mutually agreed.

2205 The Employer agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as reasonably possible over either Christmas Day or New Year's Day.

2206 A nurse may accumulate up to four (4) days off in lieu of Recognized Holidays to be taken with scheduled days off or to complete a partial week of vacation or at such other time as is requested and granted in accordance with 1501. Unless otherwise agreed between the nurse concerned and the Employer, accumulated lieu days must be taken within the fiscal year in which they were earned.

Requests to utilize accumulated lieu time must be submitted no later than October 1, in order to clear all banks by December 15th of each year, and if not requested, shall be scheduled by the Employer.

2207 A nurse working on the shift commencing at or about midnight shall be deemed to have worked on a holiday if the majority of hours worked falls within that holiday in question regardless of what calendar day any part of such shift was actually worked.

2208 Assignment of Recognized Holidays on the actual day of their occurrence shall be made as equitably as reasonably possible.

2209 The holiday specified to be taken on the Employee's Anniversary Date may be taken on the mutual agreement of the nurse's supervisor and the nurse within the forty (40) days subsequent to such date and failing agreement shall be taken on the employee's anniversary date of employment with the Employer.

ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION

2301 A nurse having accumulated an entitlement to income protection may claim basic pay for such income protection against such accumulation with respect to periods during which:

- (i) She/he was unable to work because of an incapacitation due to accident or illness, however, a nurse cannot receive income protection benefits for any period of time during which she/he is eligible for wage loss benefits from either the Workers Compensation Board or the Manitoba Public Insurance as a result of a motor vehicle accident [subject to 2303], or
- (ii) In the opinion of the Employer, her/his presence constituted a health hazard for patient and/or other employees and she/he was instructed by the Employer to leave her/his place of duty; or
- (iii) She/he attends an appointment related to a medical/dental examination and/or treatment, subject to 3704.

2302 Nurses will be allowed to accumulate one and one-quarter (1.25) days of income protection entitlement for each one hundred seventy-three and three-tenths (173.3) hours of employment which leave may be accumulated to a maximum of one hundred and twenty (120) days.

2303

- (a)
- (i) A nurse who becomes injured or ill in the course of performing her/his duties must report such injury or illness as soon as possible to her/his immediate supervisor.
 - (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.

Where a nurse is unable to work because of injuries sustained in a motor vehicle accident she/he must advise her/his supervisor as soon as possible and she/he must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a “waiting period” by MPI.

- (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPI decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (iv) Advance payment(s) shall not exceed the nurse's basic salary as defined in Article 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.
- (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the nurse.

- (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- (b)
- (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's basic salary as defined in Article 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
 - (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental care plan, *long term disability plan, and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.
 - (iii) Further to this, the Employer shall notify Workers Compensation/ Manitoba Public Insurance of salary adjustments at the time they occur.

- (iv) In accordance with Section 41(6)(b) of the Workers Compensation Act of Manitoba, the Employer shall make application to the WCB by January 1, 1994 so that the WCB may determine whether or not the supplements referenced in 2303(b)(i) shall continue in effect after January 1, 1995.
 - (v) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits otherwise payable by the WCB/MPI, then such payment shall not be payable.
- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of 7A06 shall apply.

2304 Nurses who have not successfully completed their probationary period from the date of last hiring shall not be entitled to income protection; however, once they have successfully completed their probationary period, the full-time nurse shall be entitled to three (3) days income protection for subsequent illness. The part-time nurses' entitlement to income protection once they have successfully completed their probationary period will be on a prorated basis.

2305 A nurse who is unable to report for work due to illness shall inform her/his supervisor prior to the commencement of her/his next scheduled shift. A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift in question.

Prior to Day Shift -- One (1) hour
Prior to Evening Shift -- Three (3) hours
Prior to Night Shift -- Three (3) hours

2306 The Employer, either at the time of notification by the nurse of claiming income protection, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's fitness to return to duty. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for her/him to resume her/his duties.

2307 Days off and Recognized Holidays or days given in lieu of Recognized Holidays which fall within a period of sick leave shall not be considered a part of, or charged to, the nurse's accumulated income protection.

2308 At the effective date of this Agreement, each nurse will retain income protection entitlement accumulated and not used to that date.

2309 A nurse will inform the Employer in writing when a medical decision is made regarding elective surgery.

As soon as a nurse is aware of a date upon which surgery will occur, she/he shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for her/his intended absence may be arranged.

Failure to give such notice shall result in non-entitlement to income protection benefits for the period of absence.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to forty-eight (48) hours notice of cancellation.

2310 If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled. Proof of such hospitalization shall be provided if requested.

2311 The Employer will advise a nurse on request as to the amount of unused income protection to her/his credit. On or about June 1 annually, the Employer shall provide each nurse with a written statement regarding her/his accrued income protection credit. Any alleged errors in the accumulation will be reviewed by the Employer, and any errors shall be corrected as soon as possible.

2312 Subject to the provisions of 2302, a nurse may use income protection up to a maximum of five (5) days per calendar year for illness of spouse, child or parent.

2313 A nurse who has completed the probationary period who is unable to perform her/his work by reason of an accident or illness not fully covered by income protection, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery; subject to review at three (3) months, or lesser intervals, at the discretion of the Employer.

2314 The Employer shall be entitled to recover any income protection paid to a nurse if her/his employment is not continued beyond her/his probation period, from the nurse's final termination cheque.

2315 A nurse

- (i) who is absent from employment which is covered by LTD, WCB, or MPI and
- (ii) for whom the said absence will extend beyond the time scheduled for the nurse's vacation,

may request that the vacation be cancelled and the Employer shall do so. The Employer and the nurse will either endeavour to agree to another time for the vacation to be scheduled during the vacation year and following the nurse's return to work, at a time consistent with the necessities of the operation of the Home, or failing such agreement, the Employer will at its discretion, schedule the vacation or pay out the vacation.

ARTICLE 24 -- LEAVE OF ABSENCE

2401 The nurse will be required to submit a written request for any leave of absence unless otherwise herein stipulated. These requests will specify the reason for the leave and will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the Agreement; however, requests for education leave will be given special consideration. Except in emergencies such requests must be made at least four (4) weeks in advance. The Employer shall notify the nurse of her/his decision in writing, within one (1) week of receipt of the request. Requests for extension of educational leave, maternity leave, paternity leave, adoption leave, and bereavement leave will be granted if reasonably possible.

Where a nurse requests to return to work prior to expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired. This shall not preclude the nurse from returning earlier if there are shifts available which the Employer intends to fill, after any assignment to part-time nurses, and the nurse wishes to make her/himself available in accordance with the procedure regarding occasional additional shifts.

Notwithstanding the foregoing, a nurse may end maternity or parental leave earlier than the expiry date of the leave by giving the Employer written notice at least two (2) weeks or one pay period, whichever is longer, before the day the nurse wants to end the leave.

2402 Overstaying of leave of absence without valid reason may be deemed as a resignation.

2403 The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For any approved leaves of absence, the nurse is assured of being placed in the same occupational classification and at the same step on her/his salary scale on her/his return but she/he cannot be assured of being placed in the same nursing unit, position or shift. A nurse not placed in her/his former position will be given consideration over other nurses for the first available vacancy in a similar position.

2404 There shall be no loss of income protection accumulations or vacation accumulations up to the date of any leave of absence whether granted with or without pay.

2405 Income protection and vacation benefits will continue to accrue during any period of an unpaid leave of absence, approved by the Employer of four (4) weeks or less.

2406 In the opinion of the Employer if it is in the best interests of resident care, nurses may, whenever practicable, be granted time off with pay in order to attend professional or educational meetings, conventions, workshops and institutes.

2407 **Education Leave:**

(a) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during working hours, the Employer shall pay registration or tuition fees, and approved expenses and shall ensure that the nurse suffers no loss of salary.

(b) Where the Employer requires a nurse to attend educational conferences, workshops, programs or seminars during non-working time, the Employer shall pay registration or tuition fees, and approved expenses and shall pay for the time of such attendance at straight time rates.

(c) **Employer Sponsored Educational Development-**

A nurse may be granted, upon written request, funding up to a maximum of two hundred (\$200.00) annually, to attend approved workshops, courses, and other programs that are relevant to nursing practice. Such requests must be submitted to the Director of Care or designate prior to attendance at such program. Reimbursement for tuition or registration or recommended/required material and books shall occur upon satisfactory completion of the workshop, course, or educational program.

shall be granted paid pre-retirement leave on the basis of four (4) days per year of employment.

Subject to the above, pre-retirement leave for any period of layoff up to a maximum of five (5) years will be calculated on a pro rata basis, based on the following formula:

$$\frac{\text{Hours Worked During Layoff}}{\text{Annual Full-time Hours}} \quad \times \quad \text{Entitlement of a Full-Time Nurse}$$

- (b) Part-time nurses who:
- (i) retire at age sixty-five (65) years; or
 - (ii) retire after age sixty-five (65) years; or

 - (iv) terminate employment at any time due to permanent disability;

shall be granted paid pre-retirement leave as specified above on a pro rata basis. Calculation will be based on the following formula:

Average Annual Hours Actually Worked From <u>Last Date of Employment</u> Annual Full-time Hours	X	Entitlement of a Full-time Nurse
--	---	--

Subject to the above, pre-retirement leave for any period of layoff up to a maximum of five (5) years will be calculated on a pro rata basis, based on the following formula:

<u>Hours Worked During Layoff</u> Annual Full-time Hours	X	Entitlement of a Full-Time Nurse
---	---	--

- (c) Calculation of pre-retirement leave entitlement shall begin from the date of the nurse's last commencing employment at the Facility and shall be based on the nurse's total length of continuous employment on the date of retirement. For greater clarification, continuous employment shall mean continuous employment as a nurse in the bargaining unit.
- (d) Payment shall, at the option of the nurse, be made in a lump sum or as a continuation of salary until scheduled retirement date.

NOTE: Where a nurse chooses to take a lump sum payment, the retirement date shall be her/his last day worked.

- (c) A nurse may take no more than two (2) periods of leave, totaling no more than eight (8) weeks, which must end no later than twenty-six (26) weeks after the day the first period of leave began. No period of leave may be less than one (1) week's duration.
- (d) For a nurse to be eligible for leave, a physician who provides care to the family member and who is entitled to practice medicine under the laws of the jurisdiction in which the care is provided must issue a certificate stating that:
 - (1) a family member of the nurse has a serious medical condition with a significant risk of death within twenty-six (26) weeks from
 - (i) the day the certificate is issued, or
 - (ii) if the leave was begun before the certificate was issued, the day the leave began; and

ARTICLE 25 -- SENIORITY

2501 "Seniority" shall be defined as the length of the nurse's continuous employment from the last date on which she/he commenced work at the Home, subject to Article 34 herein.

2502 Seniority shall be considered as a factor in vacancy selection (including promotion and transfer), demotion, and if all other posted selection criteria are equal, it shall be considered as the governing factor. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one classification to another.

2503 The seniority of a nurse will be retained but will not accrue if:

- (i) she/he is on any unpaid leave of absence in excess of four (4) consecutive weeks except those referenced in (ii) below, and those referenced in 2504;
- (ii) she/he is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or LTD for a period of more than two(2) years from the date of the first absence from work related injury or illness;

- (iv) she/he is laid off for more than twenty-six (26) weeks and less than two (2) years;
- (v) she/he obtains a term position of sixty (60) weeks or less, outside the bargaining unit.

2504 The seniority of a nurse will be retained and will accrue if:

- (i) She/he is on any period of Employer paid leave of absence;
- (ii) She/he is on any period of Employer paid income protection;
- (iii) She/he is on educational leave of absence up to two (2) years;
- (iv) she/he is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or LTD for a period of up to two (2) years from the date of the first absence from work related to the injury or illness;
- (v) She/he is on any period of unpaid leave of absence of less than four (4) weeks.
- (vi) She/he is laid off for less than twenty-six (26) weeks;
- (vii) she/he is on parenting leave;

2505 The seniority of a nurse will terminate if:

- (i) She/he resigns;
- (ii) She/he is discharged and not reinstated under the Grievance Procedure;
- (iii) She/he is laid off for more than two (2) years;
- (iv) She/he fails to report for duty within seven (7) days after notification to do so, subject to Article 2706;
- (v) She/he fails to report for work as scheduled at the end of a leave of absence, vacation or suspension without valid reason;
- (vi) She/he is absent for three (3) consecutive working days without valid reason.
- (vii) notwithstanding 25.03(ii) and 2504(iv) if she is on Long Term Disability or Workers Compensation when it is determined that there is no reasonable likelihood of return, with or without accommodation;
- (viii) she/he obtains a term position of more than sixty (60) weeks, outside the bargaining unit.

2506 The Employer will once annually, by March 1st each year, provide the Union with a list of the names of all nurses within the scope of this Agreement, together with the length of each nurse's employment with the Employer expressed in hours. Any alleged errors in the list will be reviewed by the Employer and any errors shall be corrected as soon as possible.

ARTICLE 26 -- NOTICE OF TERMINATION OF EMPLOYMENT

2601 Employment may be terminated voluntarily by a nurse subject to four (4) weeks of written notice, exclusive of any vacation due.

- 2602** Employment may be terminated with less notice or without notice:
- (a) by mutual agreement between the nurse and the Employer for special circumstances; or
 - (b) during the probationary period of a newly hired nurse subject to Article 31 herein, or
 - (c) in the event a nurse is dismissed for sufficient cause to justify lesser or no notice.

2603 The Employer may give equivalent basic pay in lieu of notice.

2604 Subject to other provisions contained in this Agreement relative to termination of employment and provided the required notice of intention to terminate is given, each nurse shall upon termination of her/his employment receive on the regular pay day next following:

- (a) pay in lieu of unused vacation;
- (b) all salary earned to date of termination.

Should the nurse not give the required notice the payments specified in (a) and (b) above shall be paid within the two (2) pay periods next succeeding the giving of notice.

ARTICLE 27 -- LAYOFF AND RECALL

2701 When a reduction in the working force becomes necessary, the Employer will provide advance notice in accordance with the Employment Security Memorandum.

Nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified, competent and willing to perform the required work.

2702 Notice of intention of layoff or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- Layoffs of six (6) weeks or less - two (2) weeks notice;
- Layoffs of longer than six (6) weeks - four (4) weeks notice.

A nurse who is on layoff shall not be entitled to notice of layoff when she/he comes back to work on an incidental basis.

For the purposes of this collective agreement, notice sent by registered mail shall be deemed to be received on the second business day after the day on which it is mailed (that is if sent on Monday, it is deemed received on Wednesday).

2703 No layoff of full-time or part-time nurses shall occur when casual nurses are being employed, unless no full-time or part-time nurse on staff is qualified, competent and willing to fill the position(s) in question.

Notwithstanding Article 3402, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided she/he is qualified, competent and willing to perform the required work. During the first three (3) years of a layoff, the nurse on layoff will receive preferential consideration for the assignment of such shifts provided that this will not result in her/him working in excess of her/his regular EFT commitment. During the period between three (3) to five (5) years, a laid off nurse may indicate availability for additional available shifts but will not receive preferential consideration over part-time nurses.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

- (a) vacation pay shall be calculated in accordance with section 2103 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,
- (b) income protection accumulation shall be calculated as follows:
- | | | |
|---|---|--------------------------------------|
| Additional available hours
worked by the laid-off nurse
----- | X | Entitlement
of Full-time
Nurse |
| Full-time hours | | |
- (c) in the event the layoff is longer than twenty-two (22) weeks, seniority shall be calculated in accordance with regular hours worked,
- (d) the nurse shall be paid four point six two percent (4.62%) of the basic rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours and shall be included in each pay cheque,
- (e) participation in benefit plans is subject to the provisions of each plan.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 25.

However, a nurse on layoff who agrees to work in a term position shall retain her/his right to be recalled into a permanent position while working in the term position.

2704 No new nurse will be hired when other nurses are on layoff except for reasons of a special skill requirement.

2705 All nursing vacancies, permanent and term, shall be posted in accordance with the terms of this agreement. Nurses on layoff shall be entitled to apply for these vacancies.

2706 Nurses shall be recalled in seniority order, to available positions in equal or lower paid occupational classifications provided they are qualified to perform the required work. Such recall shall be made by registered mail or by personal service and shall provide for at least one (1) weeks notice to report back to work.

The nurses affected will contact the Director of Resident Care or her/his designate in writing to be received not later than four (4) days, excluding Saturdays, Sundays and Recognized Holidays following the notice of recall being delivered. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have her/his employment terminated.

2707 In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise her/his seniority rights, subject to her/his ability, performance and qualifications, to displace a nurse in a position of equal or lower classification. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

A nurse may displace another nurse in a position of equal classification only when she/he has greater seniority in that particular classification than has the other nurse.

2708 Laid off nurses shall be entitled to apply for nursing job vacancies other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local during the period when any nurses are on layoff.

2709 Accumulated vacation entitlement shall be paid out at time of layoff to an employee who has been laid off for a period expected to be in excess of four (4) weeks.

2710 Nurses who are absent from work due to a leave of absence for any reason shall be advised of layoff or deletion of their position in accordance with this Agreement and shall be required to comply with all provisions of this Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence. Notice may be by registered mail.

2711 The Employer agrees to notify the Manitoba Nurses' Union local of its decision as to the deletion of a vacant position or the deletion of a position when it becomes vacant.

ARTICLE 28

BLANK – KEEP NUMBERING TO BE CONSISTANT WITH CENTRAL AGREEMENT

ARTICLE 29 -- DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE

2901 In all instances where the Employer considers that a nurse warrants disciplinary action the Employer shall make every effort to take such action at a meeting with the nurse. When a meeting is held, the nurse may be accompanied at the meeting by a Union representative. In cases of immediate dismissal for just cause and the unavailability of a Union representative at the time of dismissal, the meeting shall occur as soon as possible after the dismissal.

2902 If the action referred to in Article 2901 above results in a written warning, suspension, demotion or dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons, either by registered mail or personal service.

2903 Blank

2904 Blank

2905 A nurse shall be given the opportunity to examine any document which is placed in her/his file, including, but not limited to, those documents which may be utilized to substantiate a disciplinary action against her/him, and her/his reply to any such document shall also be placed in her/his file. Upon written request the nurse shall also receive an exact copy of such document.

2906 A nurse, accompanied by a Union representative if she/he so elects, may examine her/his file upon reasonable notice to the Home. A nurse shall have recourse to the grievance procedure to dispute any document which could be the basis of disciplinary action or which could affect the nurse's advancement.

The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter. Any nurse who has been terminated may consult her/his file and upon written request shall receive copies of specified documents so long as the written request is made within twenty-one (21) days of her/his termination.

2907 There shall be one (1) personnel file maintained by the Employer for each nurse.

ARTICLE 30 -- VACANCIES, TERM POSITIONS AND NEW POSITIONS

3001 Subject to Article 3006, the Employer agrees to post notices of vacant or new positions stating minimum qualifications required, shift, the equivalent to full-time (EFT) and date of closing of the competition required for positions covered under this Agreement for at least seven (7) days to enable nurses to apply for same. Such postings shall not preclude advertising outside the Employer's premises. Subsequent vacancies need only be posted for five (5) days. Nothing herein interferes with the right of the Employer to temporarily change a nurse's shift for bona fide reasons.

3002 The Employer will be required to post a notice of vacancy for five (5) days only when the vacancy is created by:

- (a) a nurse terminating employment and not giving the full period of notice as specified in Article 26, herein, or
- (b) an internal vacancy arising out of the filling of a position, or
- (c) Where a term position has been created due to a leave of absence where less than four (4) weeks notice has been given.

3003 Provided that equivalent qualifications are met, preference shall be given to nurses presently in the bargaining unit who have submitted a written application for the vacant, term or new position.

3004 The Employer agrees to post a notice of appointment to a vacant or new position referred to in 3001 and to provide a copy to the Local President or designate.

3005 The applicant selected for any position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, her/his placement on such scale, and any special conditions that may be applicable to her/his appointment.

3006 "Term Position":

A term position is a full-time or part-time position occupied by a full-time, part-time or casual nurse for a specified period of time, up to a maximum of sixty (60) weeks, to replace a nurse(s) who is on maternity leave of absence, is/are on vacation or leave of absence, or to carry out a special short term project or where the Employer has provided notice of permanent deletion of position(s) under the Memorandum of Understanding regarding Employment Security. If the Employer determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Article 34 and 35 when the Employer decides that a term position is not required.

The Employer shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Employer so requests and the Union agrees.

The maximum duration specified in paragraph 1 above for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for Public Office. In these cases, the Employer shall state on the job posting that the said term position is an "Indefinite Term" which will expire subject to a minimum of twenty-four (24) hours notice. The "Indefinite Term" will expire upon either the return to work or termination of employment of the nurse on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.

In case a nurse on maternity or parental leave wants to exercise her/his right to return from such leave earlier than anticipated, having given appropriate notice as per 2408(g), the Employer shall state on the job posting that the said term position is a "maternity or parental leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

On expiry of the term position, the nurse who filled the term position:

- (a) Who was employed by the Employer immediately prior to accepting the term position shall return to her/his former position if reasonably possible. A nurse not returned to her/his former position shall be returned to her/his former occupational classification and employment status.
- (b) Who was employed by the Employer as a casual shall have seniority in accordance with Article 3509.
- (c) Who was not employed by the Employer immediately prior to being accepted into the term position who obtains a vacant position for which she/he is qualified, based on seniority acquired since commencement of the term position, shall not experience an interruption of seniority or benefits provided she/he obtains the position within four (4) weeks of the expiry of the term position.

3007 In filling job vacancies, including promotions, transfers, and new positions, the job shall be awarded within six (6) weeks of the day upon which the posting is made. In the case of a nurse in the employ of the Employer being awarded the position, her/his transfer to the position shall be carried out in the next duty roster posted in accordance with this Agreement.

3008 The successful applicant for a posted position shall be placed on trial for a period of three (3) months. Conditional on satisfactory service, such trial promotion or transfer shall become permanent after the period of three (3) months. In the event the successful applicant proves unsatisfactory in the position, or if the nurse finds herself/himself unable or unwilling to perform the duties of the new position during the trial period, she/he shall be returned to her/his former position and salary without loss of seniority. Any other nurse promoted or transferred, because of the rearrangement of positions shall also be returned to her/his former position and salary without loss of seniority.

3009 Ability to do the job means ability to perform the requirements of the job following an appropriate familiarization or training and trial period.

ARTICLE 31 -- PROBATIONARY PERIOD

3101 The period from the date of last employment to:

- (i) for full time employees, three (3) months of employment or four hundred and eighty hours (480) hours worked, whichever occurs later;
- (ii) for part time employees, four (4) calendar months of employment or two hundred and forty (240) hours worked, whichever occurs later

will be recognized as a probationary period. The Employer may discharge a probationary employee for unsuitability or unsatisfactory performance at the Employer's sole discretion. During such a period a nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer, upon written notification to the Union, from extending the probationary period of a nurse up to a maximum of three (3) additional calendar months, providing that the Employer gives written notification to the Local President of the Union specifying the reasons for the extension.

ARTICLE 32 -- PERFORMANCE APPRAISALS

3201 The Employer shall complete a written appraisal of a nurse's performance at least bi-annually. Upon request, the nurse shall be given an exact copy of the appraisal.

3202 The nurse shall have an opportunity to read such document.

3203 The nurse's signature on such document merely signifies that the contents of the document have been read.

3204 The performance appraisal shall not be disciplinary. If the nurse decides to file a written response she/he shall file the response to the appraisal within seven (7) working days of the receipt of the appraisal.

ARTICLE 33 -- DAMAGE TO PERSONAL PROPERTY

3301 If an employee's glasses or personal belongings (including dentures, medic alert bracelet, hearing aids, other medical devices, watches and uniforms) are damaged as a direct result of performing their duties, the Employer agrees to make reasonable compensation following proper documentation of the incident [watches and uniforms will be reimbursed up to a maximum of seventy-five dollars (\$75.00) each]. The validity of such compensation payment will be determined exclusively by the Employer.

ARTICLE 34 -- SPECIAL UNDERSTANDINGS RE PART-TIME NURSES

3401 A part-time nurse shall be assigned and committed to work at least her/his EFT as agreed to in writing at the time of commencing employment. This written agreement shall only be revised when the nurse secures an alternate position in accordance with the provisions of the Collective Agreement.

3402 Part-time nurses who make it known in writing to the Employer that they wish to work occasional additional shifts shall be given preference for available additional shifts unless the part-time nurse has already worked in that day and provided that these nurses have provided the Employer with their updated availability schedule on a regular basis. Preference for such shifts shall be based on seniority.

3403 A part-time nurse called back to work hours in excess of a shift (as defined in 1404) in any one (1) day shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time she/he starts to work to the beginning of her/his shift.

3404 Except for part-time nurses who agree to work on a greater number of weekends, it is understood that a part-time nurse shall be required to work on every second weekend.

3405

(a) Vacation pay of part-time nurses shall be calculated as follows:

Hours Paid at Regular Rate of Pay (during vacation year) Full-time Hours	X	Entitlement of a Full-time Nurse
---	---	-------------------------------------

(b) Part-time nurses shall receive their entitled vacation over a period of time equivalent to the vacation period of a full-time nurse and shall be paid her/his earned vacation pay proportionately during each week of scheduled vacation.

3406 Income protection accumulation for part-time nurses shall be calculated as follows:

<u>Regular Hours Worked by Part-time Nurse</u> Full-time Hours	X	Entitlement of a Full-time Nurse
---	---	-------------------------------------

3407 Part-time nurses will be paid four point six two percent (4.62%) of their basic pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 16) and shall be included in each regular pay cheque.

3408 A part-time nurse shall receive increments (calculated from the date of her/his last increment, or her/his starting date as the case may be) on the basis of one (1) increment for each 1386 hours worked or one (1) year's service, whichever occurs later. In the case of the increment being given on the basis of 1386 hours worked, it shall be applied to the pay period next following completion of 1386 hours worked.

3409 Seniority accumulated by a part-time nurse up to March 31, 1983 shall be retained; and effective from April 1, 1983 seniority will be calculated in accordance with regular hours worked.

3410 Subject to Article 3806, a nurse whose employment status changes from part-time to full-time shall be entitled to receive an increment on the later of:

(a) one (1) calendar year from the date of his/her last increment, or date of employment as the case may be;

(b) on completion of 2080 hours calculated under the formula:

$$B = 2080 - (A \times 3/2)$$

A = number of hours during which seniority was accrued under part-time status since the date of her/his last increment, or starting date as the case may be.

B = number of hours remaining to be worked as full-time to earn an increment.

3411 Subject to Article 3806, a nurse whose employment status changes from full-time to part-time shall be entitled to receive an increment on the later of:

(a) one (1) calendar year from the date of her/his last increment, or date of employment as the case may be;

(b) on completion of 1386 hours calculated under the formula:

$$B = 1386 - (A \times 2/3)$$

A = number of hours during which seniority was accrued under full-time status since the date of her/his last increment, or starting date as the case may be.

B = number of hours remaining to be worked as part-time to earn an increment.

ARTICLE 35 -- SPECIAL UNDERSTANDINGS RE CASUAL NURSES

3501 A casual nurse is one called in occasionally by the Employer to replace a full-time or part-time nurse or to supplement regular staff coverage; including for periods of vacation.

3502 Casual nurses will receive vacation pay at the rate of six percent (6%) of all hours paid at basic salary including hours worked on Recognized Holidays in a bi-weekly pay period.

3503 Casual nurses are paid in accordance with the salaries specified in Appendices "A" and "B" and receive a starting salary as described in Article 38.

A casual nurse shall receive increments (calculated from the date of her/his last increment, or the nurse's start date as the case may be) on the basis of one (1) increment for each 2080 regular hours worked. Such increment shall be applied on the first day of the first pay period following completion of 2080 hours.

When a nurse elects to terminate her/his full-time or part-time position and immediately requests in writing to have her/his name placed on a casual roster, if approved, the following conditions will apply:

- (a) Such casual nurse will be paid in accordance with the salary specified in Appendices "A" and "B";
- (b) She/he will receive the salary of the occupational classification into which she/he is assigned and at the same increment level that had been attained while working as a full-time or part-time nurse.

3504 Casual nurses will be entitled to:

- compensation for overtime worked in accordance with Article 16;
- shift premium and weekend premium outlined in Article 17;
- Responsibility Pay premium outlined in Article 19;
- the rights outlined in 2905, 2906, 2907;
- the Employer Sponsored Educational Development Allowance in 2407(c)

3505 Casual nurses required to work on a Recognized Holiday, excluding Remembrance Day, shall be paid at the rate of time and one-half (1.50) their basic rate of pay. Casual nurses required to work on Remembrance Day shall be paid at the rate of double their basic rate of pay.

3506 The Employer agrees to deduct union dues in an amount specified by the Union in any pay period for which the casual nurse received any payment. Such dues shall be forwarded to the Manitoba Nurses' Union monthly in accordance with Article 501. In the event no payment is made during the pay period, the Employer shall have no responsibility to deduct and submit dues for that period.

3507 A casual nurse reporting for work and finding no work available will be guaranteed three (3) hours pay at her/his basic rate of pay. A casual nurse notified of the cancellation of a previously scheduled shift without two (2) hours notice will be guaranteed three (3) hours pay at her/his basic rate of pay.

3508 Articles 12 and 13 herein apply only with respect to the terms of this Article.

3509 The seniority status of a nurse will terminate if the employment status of a nurse becomes that of a casual employee. Casual employees do not accumulate seniority except for the purposes of job postings where there are no other qualified applicants currently in the bargaining unit.

The Employer agrees to continue its current practice which gives casual nurses preference over external applicants for part-time or full-time positions.

Upon a casual employee being accepted for part-time or full-time employment, she/he shall be credited with seniority based on the number of hours worked within the preceding twelve (12) months prior to the date she/he became a part-time or full-time employee as the case may be, and if four hundred and eighty (480) hours have been worked in such period in the same classification as the part-time or full-time employment accepted into, such employee shall be deemed to have put in her/his probationary period.

3510 Notwithstanding the above, casual nurses hired after February 4, 1997 shall not be given preference over nurses on the Central Redeployment List.
