1201 For purposes of this Collective Agreement "grievance" shall mean a dispute between a nurse; or between a group of nurses with a similar grievance; or between the Union and the Employer regarding the application, interpretation or alleged violation of this Collective Agreement.

1202 Unless dismissed or suspended by the Employer a nurse shall continue to work in accordance with this Collective Agreement until such time as the dispute has been resolved.

1203 A nurse may be accompanied by, or represented by, a Union representative at any stage of the grievance procedure.

1204 A nurse or Union representative shall request permission from her/his immediate supervisor outside the bargaining unit to leave her/his duties in order to process grievances; she/he shall report to her/his immediate supervisor outside the bargaining unit upon her/his return; she/he shall be granted this permission when, in the opinion of her/his immediate supervisor outside the bargaining unit, it will not prejudice resident care or student education or require any staff replacement . She/he shall not suffer loss of regular salary when engaged in such activities during regular working hours.

1205 Complaint Stage:

A nurse shall, within fifteen (15) days of the occurrence of the grievance, attempt to resolve the grievance through discussion with her/his immediate supervisor outside the bargaining unit, and if the matter is not settled to her/his satisfaction the nurse may proceed with the grievance herself/himself or elect to be represented by a Union representative.

1206 Step One:

- (a) If the dispute is not resolved within the time period specified in clause 1205 above, the grievor and/or Union representative may, within a further ten (10) days, submit the grievance in writing to the immediate supervisor outside the bargaining unit. The immediate supervisor outside the bargaining unit shall reply in writing within ten (10) days of receipt of the written grievance.
- (b) A grievance concerning general application or interpretation of the Collective Agreement, including the question of whether the matter falls within the scope of this Collective Agreement, or which affects a group of nurses in more than one (1) unit, may be submitted as Step 1.

1207 Step Two:

If the dispute remains unresolved, the Union may within a further ten (10) days submit the grievance in writing to the Administrator/Director of Care, and the Administrator/Director of Care shall reply in writing within ten (10) days of receipt of the written grievance.

1208 For purposes of determining the lengths of time in the foregoing procedure, Saturdays, Sundays and recognized holidays are excluded.

1209 The time limits fixed in the grievance procedure may be extended by the mutual written consent of the Employer and the aggrieved nurse and/or the Union.

1210 Subject to the provision of clause 1209 above, and subject to section 121(2) of the Labour Relations Act of Manitoba, failure of the nurse/Union to comply with any of the time limits specified in this Article shall result in the grievance being deemed abandoned, without prejudice.

ARTICLE 13 -- ARBITRATION PROCEDURE

1301 In the event of the failure of the parties to settle a grievance by means of the grievance procedure stated in Article 12, within ten (10) days of the date upon which the written reply referred to in Article 12 is received from the Administrator/Director of Care, the matter may then be referred to arbitration as hereinafter set forth.

1302 If mutual agreement is not reached by both parties to choose a single Arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in clause 1301 above, then the procedure stated below will be followed.

1303 Either party may submit the matter in dispute to a Board of Arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) nominee to the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

1304 Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in her/his place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

1305 Should the two (2) appointed nominees fail within ten (10) days to agree upon a Chairperson, the two (2) nominees shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

1306 It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

1307 The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another Employer during the period of the layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

1310 For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

1312 Nurses whose attendance is required at arbitration hearings related to the Collective Agreement shall be given permission to be absent from work and shall not suffer any loss of regular salary as a result.

1313 The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as an electronic version of an arbitration award.

ARTICLE 14 -- HOURS OF WORK

1401 Regular hours of work for all full-time nurses will be:

(a) eight (8.0) consecutive hours per day, including the meal period but excluding the unpaid portion of the rest periods, and

- (b) an average of eighty (80) hours per bi-weekly period, and
- (c) two thousand and eighty (2080) hours per year.

1402 The meal period will be scheduled by the Employer and will be one-half (.50) of an hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 A rest period of twenty (20) minutes will be allocated by the Employer during each continuous three (3) hour period of work.

1404 A shift shall be eight (8) consecutive hours of work inclusive of a meal period and two (2) fifteen (15) minute rest periods and exclusive of five (5) minutes of each rest period. This clause shall not, however, prevent trial and implementation of changes in shift lengths if mutually agreed between a majority of nurses whose schedule is affected, the Union representing those nurses whose schedule is affected, and the Employer. Any change in shift length agreements shall take the form of a written addendum attached to and forming part of this Collective Agreement.

1405 A nurse who reports for work as scheduled and is sent home because of lack of work shall be paid three (3) hours at her/his regular rate of pay; however, when such nurse works for any portion of her/his scheduled shift, she/he shall receive pay for that entire shift.

1406 Where a nurse cannot arrive as scheduled at the Facility due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Department of Highways, the nurse shall be rescheduled at a mutually agreeable time if possible during the following two (2) consecutive bi-weekly pay periods to work any hours missed. Where the scheduling of such shift cannot be accommodated or the nurse chooses not to be rescheduled, she/he may take the time from banked time which includes banked overtime, Recognized Holidays or vacation.

1407 Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, she/he shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift.

ARTICLE 15 -- SHIFT SCHEDULES

1501 Shift schedules for a minimum of a four (4) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum four (4) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least one (1) week prior to posting and granted, if possible in the judgment of the Employer. Requests for interchanges in posted shifts, or a portion thereof, shall also be submitted in writing, co-signed by the nurse willing to exchange shifts with the applicant. Where reasonably possible, interchanges in posted shifts are to be completed within the posted shift schedule.

2108 The Employer shall notify each nurse, prior to her/his vacation, of the date and time upon which she/he is to report back to work following her/his vacation, but this will not preclude the making of a change during the nurse's vacation period if mutual agreement is reached between the Employer and the nurse.

2207 A nurse working on the shift commencing at or about midnight shall be deemed to have worked on a holiday if the majority of hours worked fall within the day in question regardless of what calendar day any part of such shift was actually worked.

ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION

2301 A nurse having accumulated income protection credits may claim regular pay for such income protection against such accumulation with respect to periods during which:

- (a) She/he was unable to work because of an incapacitation due to accident or illness; or

2302

- (b) For each one and one-quarter (1.25) days of income protection accumulated, one day (80%) shall be reserved exclusively for the nurse's personal use as outlined in clause 2301. The remaining one-quarter (.25) of a day (20%) shall be reserved for either the nurse's personal use as outlined in clause 2301, or for use in the event of family illness as specified in clause 2313. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

*In the nurse's first year of employment, amend "one day" to read "three-quarters of a day" and amend "one-quarter of a day" to read "one-half of a day".

2303

- (a) (i) A nurse who becomes injured or ill in the course of performing her/his duties must report such injury or illness as soon as possible to her/his immediate supervisor.
- (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.

Where a nurse is unable to work because of injuries sustained in a motor vehicle accident she/he must advise her/his supervisor as soon as possible and she/he must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a "waiting period" by MPI.

- (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPI decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (iv) Advance payment(s) shall not exceed the nurse's regular salary as defined in clause 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.

- (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the nurse.
 - (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Collective Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- (b)
- (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's regular salary as defined in clause 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
 - (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental plan, and D & R plan and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.
 - (iii) Further to this, the Employer shall notify Workers Compensation/Manitoba Public Insurance of salary adjustments at the time they occur.

- (iv) In accordance with section 41(6)(b) of the Workers Compensation Act of Manitoba, the Employer shall make application to the WCB by January 1, 1994 so that the WCB may determine whether or not the supplements referenced in clause 2303(b)(i) shall continue in effect after January 1, 1995.
 - (v) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits otherwise payable by the WCB/MPI, then such payment shall not be payable.
- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of clause 7A06 shall apply.

2304 The Employer shall be entitled to recover any income protection paid to a nurse if her/his employment is not continued beyond her/his probationary period, from the nurse's final termination cheque.

2305 A nurse who is unable to report for work due to illness shall inform her/his supervisor or designate prior to the commencement of her/his next scheduled shift. A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift in question.

Prior to Day shift – one (1) hour
Prior to Evening shift – three (3) hours
Prior to Night shift – three (3) hours

A nurse returning to work following an absence due to accident or illness shall give notice of such intention to return as follows:

Prior to Night shift – 1500 hours of same day
Prior to Day shift – 1500 hours of previous day
Prior to Evening shift – 1100 hours of same day

The above notification is to be regarded as the minimum notice required. A nurse returning to work on a weekend shift shall provide longer notice of intention to return whenever reasonably possible.

2306 The Employer, either at the time of notification by the nurse of claiming income protection credits, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's ability to perform her/his regular duties. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for her/him to resume her/his duties.

2307 Days off and Recognized Holidays or days given in lieu of Recognized Holidays, which fall within a period of paid income protection, shall not be considered a part of, or charged to, the nurse's accumulated income protection credits.

2308 At the effective date of this Collective Agreement, each nurse will retain income protection credits accumulated and not used to that date.

2309 As soon as a nurse is aware of a date upon which surgery will occur, she/he shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for her/his intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to twenty four (24) hours notice of cancellation.

2310 If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during the vacation year. Proof of such hospitalization and/or post-hospitalization period shall be provided if requested.

2311 The Employer will annually, on written request, provide each nurse with a statement of her/his accrued income protection credits.

2312 A nurse who has completed the probationary period and who is unable to perform her/his work by reason of an accident or illness not fully covered by income protection credits, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery. Such unpaid leave of absence shall be subject to review at three (3) months or lesser intervals at the discretion of the Employer.

2313 Subject to the provisions of clause 2302, a nurse may use up to ten (10) days of income protection in any one (1) calendar year for the purpose of providing care in the event of an illness of a spouse, child or parent.

2314 A nurse who is on D&R/WCB/MPI prior to the commencement of her/his scheduled vacation shall, upon her/his request, have her/his vacation displaced. Such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time period remaining during the vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year, or pay out any monies owing.

ARTICLE 24 -- LEAVE OF ABSENCE

2401

- (a) The nurse will be required to submit a written request for any leave of absence unless otherwise stipulated in Article 24. The request will specify:
- (i) the reason for the leave,
 - (ii) the start date of the leave, and
 - (iii) the anticipated end date of the leave.
- (b) Leave of absence requests will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the Collective Agreement; however, requests for education leave will be given special consideration.
- (c) Except in emergencies, leave of absence requests must be made at least four (4) weeks in advance of the start date.
- (d) The Employer shall notify the nurse of her/his decision in writing, within two (2) weeks receipt of the request.
- (e) Requests for extension of educational leave, maternity leave, paternity leave, adoption leave and bereavement leave will be granted if reasonably possible.
- (f) Where a nurse requests to return to work prior to the expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired except as per clause 2408(g).

- (g) Where a nurse has been granted a leave of absence from her/his entire EFT, she/he shall be eligible to work additional available shifts. However, she/he shall not have preference over part-time nurses or casual nurses who offer to work these shifts. When she/he is awarded additional available shifts, she/he is compensated in accordance with clause 2703 (a) – (e).
- (h) Where a nurse has requested and been granted a partial leave of absence, she/he will be entitled to accrual of vacation, income protection credits and Recognized Holiday pay on a pro-rata basis in accordance with Article 34.

2402 Overstaying of leave of absence without valid reason may be deemed as a resignation.

2403 The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For leaves of absence of sixty (60) weeks or less, the nurse is assured of being placed in the same employment status and at the same step on her/his salary scale on her/his return, but she/he cannot be assured of being placed in the same nursing unit or shift. In the case of longer leaves of absence, a nurse may be placed in any position covered by this Collective Agreement and shall be reinstated at her/his previous basic salary, provided that such basic salary shall not exceed the maximum for the position in which she/he is placed. Any alleged errors in the list will be reviewed by the Employer and confirmed errors will be corrected as soon as possible.

ARTICLE 26 -- NOTICE OF TERMINATION OF EMPLOYMENT

2603 The Employer may give equivalent regular pay in lieu of notice.

ARTICLE 27 -- LAYOFF AND RECALL

2701 If the Employer determines it necessary to reduce staffing, all avenues relevant to the issue of employment security for the nurses will be examined and discussed between the Employer and the Union.

2702 If the Employer determines it necessary to reduce staffing, nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified, competent and willing to perform the required work.

2703 Notice of intention of layoff or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- (a) Layoffs of six (6) weeks or less – two (2) weeks notice;

2704 Nurses who are absent from work due to a leave of absence for any reason shall be advised of layoff or deletion of their position in accordance with this Collective Agreement and shall be required to comply with all provisions of this Collective Agreement except that they shall not be expected to return to work prior to the expiry of their leave of absence.

2705 No layoff of full-time or part-time nurses shall occur when casual nurses are being employed, unless no full-time or part-time nurse on staff is qualified, competent and willing to fill the position(s) in question.

Notwithstanding clause 3402, additional available shifts shall be offered to a nurse on layoff, before part-time and casual nurses, provided she/he is qualified, competent and willing to perform the required work. The available shifts accepted by the nurse on layoff may equal the nurse's regular E.F.T. commitment.

In the event the nurse accepts additional available shifts, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

(a) vacation pay shall be calculated in accordance with clause 2103 and shall be paid at the prevailing rate for the nurse on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay,

(b) income protection accumulation shall be calculated as follows:

$$\frac{\text{Additional available hours worked by the laid-off nurse}}{\text{Full-time hours}} \times \text{Entitlement of Full-time Nurse}$$

(c) in the event the layoff is longer than twenty-six (26) weeks, seniority shall be calculated in accordance with regular hours worked,

(d) the nurse shall be paid four point six two percent (4.62%) of the regular rate of pay in lieu of time off on Recognized Holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 16) and shall be included in each pay cheque,

(e) participation in benefit plans is subject to the provisions of each plan.

Any period of time during the layoff when the nurse works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 25.

However, a nurse on layoff who agrees to work in a term position shall retain her/his right to be recalled into a permanent position while working in the term position.

2706 No new nurses will be hired when other nurses are on layoff except for reasons of a special skill requirement.

2707 Nurses shall be recalled in seniority order provided they are qualified to perform the required work. Such recall shall be made by registered mail or by personal service and shall provide for one (1) week's notice to report back to work. Notwithstanding clause 3001, the above mentioned available positions shall not be posted while nurse(s) are on layoff.

The nurses affected will contact the Administrator/Director of Care or her/his designate by telephone not later than three (3) days before the date on which they are due to return to work. Failure to notify as above shall result in the nurse being placed last on the recall list.

A nurse being placed last on the recall list who is subsequently recalled to work and who fails to report for duty as scheduled without valid reason shall have her/his employment terminated.

2708 In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise her/his seniority rights, subject to her/his ability, performance and qualification, to displace a nurse in a position of equal or lower occupational classification. Any nurse thus displaced shall also be entitled to a like exercise of seniority rights.

2709 Laid off nurses shall be entitled to apply for nursing job vacancies other than those to which they have recall rights. Copies of job postings will be sent to the President of the Local during the period when any nurses are on layoff.

2710 Accumulated vacation entitlement shall be paid out at time of layoff except where, prior to the date of layoff, a nurse has been awarded a term or permanent position which commences within four (4) weeks of date of layoff.

ARTICLE 28 -- PROMOTION AND REASSIGNMENT

2801 Upon promotion, a nurse shall receive the basic salary applicable to her/his new occupational classification which provides an increase of at least one increment above her/his former basic salary. A promotion shall mean an increase in occupational classification from one occupational classification to another.

2802 The nurse's anniversary date of employment prior to promotion shall continue to govern with respect to increments.

2803 The first three (3) calendar months following a nurse's promotion shall be considered to be a trial period. During the first six (6) weeks of this trial period, the nurse may return to her/his former position at her/his request or be returned to her/his former position by the Employer. During the last six (6) weeks of this trial period, she/he may return to her/his former occupational classification at her/his request or be returned to her/his former occupational classification by the Employer.

2804 In the event of a temporary lateral reassignment being necessitated by an unforeseen staffing shortage on a nursing unit, this reassignment will be made as close to the commencement of the shift as possible. Selection of the nurse to be reassigned shall be based on ability and experience and shared as equally as possible.

Orientation of sufficient duration, if required, will be provided to assist the nurse in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment and emergency response plans.

ARTICLE 29 -- DISCIPLINE, DEMOTION AND ACCESS TO PERSONNEL FILE

2901 In all instances where the Employer considers that a nurse warrants disciplinary action, the Employer shall make every effort to take such action at a meeting with the nurse and shall provide the nurse with reasonable advance notice of the nature of the complaint. The nurse may be accompanied at the meeting by a Union representative(s) chosen by her/him which may include a member of the Local Executive and/or a MNU Labour Relations Officer. In the event that the Union Representative(s) is/are unavailable to meet at the time set by Management, the Employer agrees to postpone the meeting for a reasonable period to facilitate the Union Representative(s) attendance at the meeting.

The Union agrees that any related delay in imposition of discipline shall not prejudice the Employer's ability to discipline the nurse when the meeting is eventually held.

2902 If the disciplinary action referred to clause 2901 results in a written warning, or the suspension or the demotion or the dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons for, and such written notice shall be presented in person to the nurse. If a meeting with the nurse for this purpose is not possible due to actions of the nurse, the Employer may deliver the written notice by registered mail.

2903 A nurse who is demoted due to inadequate performance shall be paid at the step of the lower paid occupational classification that corresponds to her/his level of experience.

2904 If a nurse is reclassified to a lower paid occupational classification because of changing conditions within the Facility, she/he will retain her/his current basic salary until the salary scale of the lower paid occupational classification reaches her/his current basic salary.

The application of this provision as it relates to the layoff/recall procedure shall be limited to a three (3) year period from the date the nurse assumes a position in the lower paid occupational classification or until the salary scale of the lower paid occupational classification reaches her/his current basic salary, whichever occurs first.

2905

- (a) A nurse, accompanied by a union representative if she/he so elects, may examine her/his personnel file. A representative of the Employer may be present during this examination. Upon request, an exact copy of the specified documents in the nurse's personnel file shall be provided to the nurse.
- (b) A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in her/his personnel file. The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter.

Such job posting shall not preclude the Employer from advertising outside the Employer's premises. All job postings shall state minimum qualifications required, the equivalent to full-time (E.F.T.) and date of closing of the job posting. Job descriptions shall be available to applicants on request.

3002 The Employer will be required to post a job posting for only five (5) days for a vacancy that is created by:

Seniority shall be considered as the governing factor in vacancy selection, promotions, transfers and demotions provided that all other selection criteria are equal. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one occupational classification to another.

3004 Each nurse who applies for a job posting will be notified in writing of the disposition of her/his application.

3005 The applicant selected for the vacant ,term or new position shall receive, within two (2) weeks of the selection being made, written confirmation of the salary scale, her/his placement on such scale, and any special conditions that may be applicable to her/his appointment.

Any nurse who was interviewed but was not the successful applicant shall be entitled to consult with the hiring Manager. Such consultation will take place within two (2) weeks of the request. If the Employer determines there is a term position to be filled by a nurse, the term position shall be posted in accordance with Article 30. This shall not preclude the Employer from utilizing part-time nurses and/or casual nurses to work available shifts as specified in Articles 34 and 35 when the Employer decides that a term position is not required.
- (b) The Employer shall provide written confirmation of the start and expiry dates of the term position prior to the nurse's commencement in the position. This period may be extended if the Employer so requests and the Union agrees.

- (c) The maximum duration specified in clause 3006(a) for term positions shall not apply in situations where a nurse is absent indefinitely due to Workers Compensation and/or illness and/or accident or where there is a temporary vacancy due to leave for public office. In these cases, the Employer shall state on the job posting that the said term position is an "indefinite term" which will expire subject to a minimum of twenty-four (24) hours notice. The "indefinite term" will expire upon either the return to work or termination of employment of the nurse on leave or the nurse relinquishes her/his position and remains on leave. Any term positions directly resulting from the above procedure will be posted in the same manner.
- (d) In case a nurse on maternity or parental leave wants to exercise her/his right to return from such leave earlier than anticipated, having given appropriate notice as per clause 2408(g), the Employer shall state on the job posting that the said term position is a "maternity or parental leave of absence term" which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.
- (e) The terms of this Collective Agreement shall be applicable to the nurse in the term position, except that a nurse occupying a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

 - (ii) who was employed by the Employer immediately prior to accepting the term position shall return to her/his former position if reasonably possible. A nurse not returned to her/his former position shall be returned to her/his former occupational classification and employment status.

3007 The first twelve (12) shifts or one (1) calendar month following a nurse's appointment shall be considered to be a trial period. The nurse may return to her/his former position at her/his request or be returned to her/his former position by the Employer.

During such period the nurse shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. This clause shall not preclude the Employer from extending the probationary period of a full-time or part-time nurse up to an additional three (3) calendar months providing that the Employer gives written notification to the Union specifying the reason(s) for the extension.

Re: Agency Nurses

The Employer commits to making every reasonable effort to minimize to the greatest degree possible the use of nurses employed by outside agencies (“agency nurses”) to fill occasional available shifts.

The Employer affirms its commitment that such shifts, including those which result from not filling term or permanent positions for a period of time, will be offered first to facility nurses in accordance with the provisions of the Collective Agreement. Only when nurses at the facility are not available will the facility resort to seeking assistance from outside agencies.

The Employer further agrees to meet with the Union on a quarterly basis to review trends and data (number of agency nurses used, reasons for use and process management used to attempt to obtain facility nurses) and explore alternatives to minimize the use of agency nurses to the greatest degree possible.

For the term of the Collective Agreement expiring October 31, 2017, the Employer and the Union agree to the following terms for a part-time nurse occupying more than one (1) position within a Facility:

- (a) Part-time nurses shall be eligible to apply for and be awarded more than one (1) part-time position within the Facility. Where it is determined that it is not feasible for the nurse to work in more than one (1) position, the nurse will have the option of assuming the position applied for and relinquishing their former position. If approved, it is understood that at no time will arrangements arising under this Memorandum be considered in violation of the Collective Agreement.
- (b) At no time shall the sum of the positions occupied exceed the equivalent of one (1.0) EFT. However, it is agreed that daily hours within the positions may be scheduled to a maximum of twelve (12) hours in any one day, at the nurse's regular rate of pay, with mutual agreement between the Employer, the nurse and the Union. Notwithstanding the above, it is understood that a nurse who works more than the normal full-time hours in two (2) consecutive bi-weekly periods shall be compensated for the excess hours in accordance with Article 16.
- (c) Where the sum of the positions occupied equals one (1.0) EFT, the status of the nurse will continue to be part-time (i.e., her/his status will not be converted to full-time), and the provisions of Article 34 will apply based on the total of all active positions occupied, unless specified in this clause.
- (d) All salary-based benefits, i.e., pension and LTD, as applicable, shall be administered pursuant to the Collective Agreement on the basis of the total of all positions occupied.
- (e) All accrued benefits, i.e., vacation and income protection credits, shall be maintained and utilized on the basis of the total of all positions occupied.

- (f) Requests for scheduling of vacation shall be submitted to the Director of Care (or designate) and the said requests will be considered by the Director of Care (or designate) in accordance with the provisions of clause 2109 based upon the nurse's seniority within each nursing unit/department where her positions are regularly scheduled.
- (g) Requests for unpaid or paid leaves of absence shall be submitted to the Director of Care (or designate) and shall be considered by the Director of Care (or designate) in accordance with the appropriate provisions of the Collective Agreement.
- (h) A nurse may hold more than one (1) position only within the same occupational classification.
- (i) Where a part-time nurse is later found to be unable to fulfill the commitment and responsibilities of the position(s), the affected nurse may be required by the Employer to or may, herself, relinquish one (1) of the positions occupied without any recourse to layoff provisions of the Collective Agreement. In any event, the nurse will be given or will give two (2) weeks written notice to relinquish the position.
