1302 If mutual agreement is not reached by both parties to choose a single Arbitrator within ten (10) days from the time that the matter is referred to arbitration as defined in Article 1301 above, then the procedure stated below will be followed.

1303 Either party may submit the matter in dispute to a Board of Arbitration by giving notice to the other party within a further seven (7) days and by appointing in that notice one (1) nominee to the intended Board of Arbitration. The other party to the dispute shall, within seven (7) days after the receipt of such notice, also appoint a nominee and the two (2) nominees thus appointed shall, within ten (10) days thereafter, select a third member who shall be Chairperson.

1304 Should either party fail to appoint an Arbitrator as herein provided, or if any Arbitrator thus appointed should fail or be unable to serve and another Arbitrator not be appointed in their place by the party who made the original appointment, then the other party to the dispute may request the Minister of Labour for Manitoba to select a substitute.

1305 Should the two (2) appointed nominees fail within ten (10) days to agree upon a Chairperson, the two (2) nominees shall forward a request to the Minister of Labour for Manitoba to select a Chairperson.

1306 It is mutually agreed by both parties to this Collective Agreement that the decision of the Arbitrator, or the decision of the Chairperson in the absence of the majority decision of the Arbitration Board shall be final and binding upon the Employer, the Union and the nurse(s) concerned; however, the Arbitrator or the Arbitration Board shall not be authorized to make any decisions inconsistent with the provisions in this Collective Agreement.

1307 The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

1308 In the event of a grievance alleging unjust layoff, suspension or discharge being referred to arbitration, the Arbitrator or Board of Arbitration shall be authorized to rule whether or not the nurse(s) concerned shall be reinstated and, in the event of reinstatement, shall also be authorized to make an award in terms of compensation for regular salary lost or a reasonable alternate award, however, any monetary award shall not exceed the difference between salary lost and any wages that may have been earned from employment with another Employer during the period of the layoff, suspension or discharge.

1309 Any costs incurred by either of the parties hereto, preceding or during arbitration proceedings, shall be borne by the respective parties incurring such costs, but the costs of the Arbitrator or of the Chairperson of the Arbitration Board shall be borne by the parties hereto in equal shares.

1310 For the purposes of determining lengths of time in the foregoing procedure, Saturdays, Sundays and Recognized Holidays are excluded.

1311 Nothing in this Collective Agreement shall preclude a nurse or the Union and the Employer from mutually agreeing to settle a dispute by means other than those described in the grievance and arbitration procedures or to extend any of the stipulated time limits.

1312 Nurses whose attendance is required at arbitration hearings related to the Collective Agreement shall be given permission to be absent from work and shall not suffer any loss of regular salary as a result.

1313 The Arbitrator shall be requested to provide both parties with a hard (paper) copy as well as an electronic version of an arbitration award.

ARTICLE 14 -- HOURS OF WORK

1401 Regular hours of work for all full-time nurses will be:

- (a) eight (8.0) consecutive hours per day, including one half of the meal period, and
- (b) an average of eighty (80) hours per bi-weekly period, and
- (c) two thousand and eighty (2080) hours per year.

1402 The meal period will be scheduled by the Employer and will be one-half (.50) of an hour in duration, unless otherwise mutually agreed between the nurse(s) concerned and the Employer.

1403 A rest period of fifteen (15) minutes will be allocated by the Employer during each continuous three (3) hour period of work.

1404 A shift shall be eight (8) consecutive hours of work inclusive of two (2) fifteen (15) minute rest periods and fifteen (15) minutes of each meal period and exclusive of fifteen (15) minutes of each meal period. This Article shall not, however, prevent trial and implementation of changes in shift lengths if mutually agreed between a majority of nurses whose schedule is affected, the Union representing those nurses whose schedule is affected, and the Employer. Any change in shift length agreements shall take the form of a written addendum attached to and forming part of this Collective Agreement.

1405 A full-time or part-time nurse who is advised not to report for their scheduled shift, or who is sent home because of lack of work, shall receive pay for the scheduled hours not worked.

1406

- (a) Where a nurse cannot arrive as scheduled at the Facility due to whiteout/blizzard conditions as declared by Environment Canada or the Employer, or due to road closures as declared by police agencies or the Manitoba Infrastructure, the nurse shall be rescheduled at a mutually agreeable time if possible during the following two (2) consecutive bi-weekly pay periods to work any hours missed. Where the scheduling of such shift cannot be accommodated or the nurse chooses not to be rescheduled, the nurse may take the time from banked time which includes banked overtime, Recognized Holidays or vacation.
- (b) Where a nurse is unable to leave the facility due to the conditions outlined in (a) above, and is required to work, they shall be paid at the overtime rates outlined in Article 16.

- (c) Where a nurse is required to stay at or near the facility due to the conditions outlined in (a) above, in order to ensure their ability to attend their next scheduled shift, the Employer shall provide accommodation and meals for the duration.

1407 Whenever a nurse is called in to work within one (1) hour of the start of the shift and reports for duty within one hour of the start of the shift, they shall be entitled to pay for the full shift. In such circumstances the scheduled shift hours shall not be extended to equal a full shift.

ARTICLE 15 -- SHIFT SCHEDULES

1501 Shift schedules for a minimum of a six (6) week period shall be posted at least two (2) weeks in advance of the beginning of the scheduled period. Shifts within the minimum six (6) week period shall not be altered after posting except by mutual agreement between the nurse(s) concerned and the Employer. Requests for specific days off duty shall be submitted in writing at least two (2) weeks prior to posting and granted, if possible in the judgment of the Employer. A decision shall be communicated to the nurse within one (1) week of the request. Requests for interchanges in posted shifts, or a portion thereof, shall also be submitted in writing, co-signed by the nurse willing to exchange shifts with the applicant and are subject to the approval of the Administrator (or Designate). Where reasonably possible, interchanges in posted shifts are to be completed within the posted shift schedule.

1502 It is understood that any change in shifts or days off initiated by the nurses and approved by the Employer shall not result in overtime costs or any other supplementary salary costs to the Employer.

1503 Night shift shall be considered as the first shift of each calendar day (i.e. midnight to midnight).

1504 Master rotations for each nursing unit shall be planned by the Employer in meaningful consultation with the nurse(s) concerned. The process for meaningful consultation shall include:

- Employer proposes a master rotation including the Employer established criteria and provides to Nurses concerned
- Nurses are provided reasonable time to submit feedback and/or an alternate master rotation for consideration.
- The amended or new master rotation is provided to Nurses for review. Nurses are provided with a reasonable time to submit feedback.
- At each step of the consultation process the Union will be provided with the new or revised master rotation to ensure contract compliance.
- Employer has the sole discretion to select the new master rotation and provides rationale for the selection.

Note: The Float Nurse position schedule may not be part of a master rotation.

- (a) a minimum of fifteen (15) hours off between assigned shifts as defined in Article 1404 herein.
- (b) a minimum of eight (8) days off within each period of four (4) consecutive weeks.
- (c) alternate weekends off shall be granted. Effective December 19, 2002, for newly employed nurses or nurses transferring permanently to a different position, alternate weekends off shall be granted as often as reasonably possible with each nurse receiving a minimum of every third weekend off.
- (d) a maximum of four (4) consecutive days of work and preferably less between days off.
- (e) upon request, and at the discretion of the Employer, a nurse may be permitted to work permanently on Evening shift or Night shift.
- (f) nurses who are required to rotate shifts shall be assigned to work either Day shift and Evening shift, or Day shift and Night shift. There shall be at least as great a number of Day shifts assigned as there are Night (or Evening) shifts within each standard rotation pattern.

Notwithstanding that a Float Nurse position [nurse working on more than one (1) unit] may be exempted from the above-noted 50/50 split, efforts will be made to ensure there is an average of the 50/50 split over a six (6) month period.

- (g) a nurse will receive consideration in scheduling to allow the nurse to pursue academic course(s) to further their education. Whenever reasonably possible, subject to resident care requirements, the granting shall be based on the following:
 - (i) the nurse submits their written request at least three (3) months prior to commencing the academic course(s), and
 - (ii) another nurse(s) on the unit is (are) prepared to interchange their 'normally' scheduled shifts for the 'normally' scheduled shifts of the nurse attending the academic course(s), as agreed in writing,
 - (iii) upon completion of the academic course(s) each nurse shall revert to their former rotation pattern.

Proof of registration in such course(s) shall be submitted by the nurse upon request.

ARTICLE 16 -- OVERTIME

1601 Overtime shall be authorized time worked which exceeds the normal daily shift as defined in Article 14 herein or in excess of one hundred and sixty (160) hours in a four (4) week schedule for full-time and part-time nurses. Overtime hours extending beyond the daily shift into the next calendar day shall continue to be paid at the overtime rates, in accordance with Article 1602.

Authorization must be obtained prior to the start of any overtime work except in emergency situations. The Employer agrees the authorization in these emergency situations will not be unreasonably withheld. Payment for overtime worked when emergency circumstances prevent prior authorization shall be subject to a claim accompanied by a special written report prepared by the nurse before leaving their place of employment substantiating the reason for the overtime work.

1602 Effective October 27, 2022, each nurse shall be paid at the rate of two (2) times their regular salary for all hours of authorized overtime in any one (1) day. A full-time nurse shall receive two (2) times their regular salary for all overtime worked on a scheduled day off. However, notwithstanding Article 1601 above, all overtime worked on a Recognized Holiday shall be paid at two and one-half (2.50) times their regular salary.

1603 Notwithstanding Articles 1601 and 1602 above, whenever a nurse works two (2) consecutive shifts, the nurse shall receive pay at the rate of double their regular salary for the additional shift, except when the additional shift is worked on a Recognized Holiday, they shall receive pay at the rate of two and one-half (2.50) times their regular salary for the additional shift.

1604 At the nurse's request, overtime shall be banked and shall be compensated by time off at overtime rates, to be taken at a time mutually agreed upon. At the nurse's request, any banked overtime, or portion thereof, shall be paid out on a regular pay cheque. Overtime may be accumulated to a maximum of forty (40) hours at any one time. Any overtime in excess of forty (40) hours shall be paid as earned. All accumulated overtime must be taken as time off or paid out by March 31st of each calendar year.

1605 A full-time nurse reporting back to work upon request after leaving the grounds of the Facility following completion of a shift but before commencement of their next scheduled shift shall be paid at overtime rates of pay with a guaranteed minimum of three (3) hours at overtime rates. If the extra time worked under this subsection commences within less than three (3) hours before the start of a shift, the guaranteed minimum of overtime pay will not apply. In such cases, the nurse will be paid at overtime rates from the time the nurse starts to work to the beginning of their shift.

1606 Overtime worked as a result of the changeover from Daylight Savings Time to Central Standard Time shall be deemed to be authorized overtime.

The changeover from Central Standard Time to Daylight Savings Time will be considered as full hours worked for that shift.

1607 Overtime shall be distributed as equitably as possible, within the posted shift schedule, amongst those nurses qualified for the work in accordance with Article 1601.

No nurse shall be required to work overtime against their wishes when other qualified nurses within the same site are able and willing to perform the required work. The Employer may maintain a sign-up sheet (or in electronic format) for nurses to indicate advanced availability for work in such case.

1608 Rest Periods

In every period of overtime, a paid rest period of twenty (20) minutes shall occur during each continuous three (3) hours, unless the overtime worked is a full shift in which case regular meal/rest periods shall occur.

1609 A nurse required to work overtime for a period in excess of three (3) hours immediately following their regular shift shall receive a meal voucher for the Facility cafeteria to cover the cost of a meal of up to five dollars (\$5.00) [ten dollars (\$10.00) effective October 27, 2022], or if this is not possible, a meal allowance of five dollars (\$5.00) [ten dollars (\$10.00) effective October 27, 2022], shall be provided.

1610 A nurse shall not be required to take time off during regular hours to equalize any overtime worked.

ARTICLE 17 -- SHIFT PREMIUM AND WEEKEND PREMIUM

1701

- (a) An evening shift premium of one dollar and seventy-five cents (\$1.75) [two dollars (\$2.00) effective October 27, 2022] per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of the hours on that shift fall between 1800 hours and the next succeeding 2400 hours.
- (b) A night shift premium of two dollars and fifty cents (\$2.50) [three dollars and fifty cents (\$3.50) effective October 27, 2022] per hour shall be paid to a nurse for all hours actually worked on any shift when the majority of hours on that shift fall between 2400 hours and 0600 hours.

The Evening shift premium shall also be applicable to each hour worked after 1600 hours on a "modified" Day or Evening shift during which at least two (2) hours are worked between 1600 hours and the termination of the shift.

For purposes of application of this provision, a "modified" Day shift shall mean one that commences at a different time than the majority of Day shifts worked by nurses, and a "modified" Evening shift shall mean one that commences at a different time than the

majority of Evening shifts worked by nurses. This provision shall be applicable from 1600 hours to the termination of the Day shift on a twelve (12) hour shift pattern.

1702 Subject to Article 18, when a nurse is on standby, shift premium and weekend premium are payable only for hours actually worked on a callback.

1703 A weekend premium of two (\$2.00) dollars per hour shall be paid to a nurse for all hours actually worked on any shift where the majority of the hours on that shift fall between 0001 hours on the Saturday and 2400 hours on the following Sunday.

ARTICLE 18 -- STANDBY

1801 "Standby" shall refer to any period of time duly authorized by the Employer during which a nurse is required to be available to return to work without undue delay. The Employer agrees that standby shall not be used to provide baseline staffing.

In the event that Standby occurs, the following terms and conditions will apply:

(a) Nurses will sign a "standby availability list" to which the Employer shall refer in the event standby occurs as outlined above. A nurse may remove or add their name to the "standby availability list" at any time. If no nurse from the list is available, the Employer may then offer the assignment to any qualified nurse in the employ of the facility.

Should the assignment of standby be known in advance, the Employer will schedule and distribute the standby as equitably as possible amongst the nurses who signed the "standby availability list".

(b) Nurses who mutually agree to be on standby shall receive two (2) hours regular pay per eight (8.0) hour shift or portion thereof. Nurses will receive these two (2) hours of pay regardless of whether they are called in to work.

(c) A nurse actually called back to work when they are on standby shall be paid for hours worked at the overtime rates, or may at the nurse's request, be granted time off which is equivalent of overtime rates. The nurse will be guaranteed a minimum of three (3) hours at the overtime rate except when called within three (3) hours of the commencement of their next shift. In such cases the nurse shall be paid at the overtime rate from the time the nurse started work to the beginning of their shift.

(d) The Employer will provide parking space in near proximity to the facility for the use of nurses on standby in the event a return to the workplace is necessary.

ARTICLE 19 – RESPONSIBILITY PAY

1901 An additional one dollar (\$1.00) per hour will be paid for all hours worked by a nurse from the bargaining unit who has been designated to be responsible for the facility on Evenings, Nights, Saturdays, Sundays, Recognized Holidays or during the day shift in the absence of the Administrator/Director of Care and the Unit Manager.

1902 The assignment of charge responsibility shall be equitably distributed amongst those nurses available and qualified for the assignment.

ARTICLE 20 -- TRANSPORTATION ALLOWANCE

2001 Transportation Allowance:

A nurse who is required to terminate or commence their shift between the hours of 0001 and 0600 hours and who does not have their own transportation, will have transportation provided by the Employer at no cost to the nurse.

2002 Where a nurse is required and authorized to use their privately owned vehicle on the Employer's business, she/he shall be reimbursed by the Employer for such travel at the following mileage rate:

\$ 0.44 per kilometer

ARTICLE 21 -- VACATIONS

2101

- (a) The vacation year shall be from April 1st to March 31st. The dates used to calculate vacation earned shall be from the end of the last full pay period of March in one vacation accrual year to the end of the last full pay period of the following March. Vacation earned in any vacation year is taken in the following vacation year.
- (b) Unless otherwise agreed between the nurse and the Employer, the Employer will provide for vacation days to be taken on a consecutive basis, recognizing that five (5) vacation days (forty (40) hours) equals one (1) calendar week.
- (c) The whole of the vacation year shall be available for the taking of accrued vacation time whenever reasonably possible. The nurse shall have the right to request which day of the week their vacation begins.
- (d) Upon request, a nurse may be permitted to retain up to three (3) days of their vacation for the purpose of taking such time off for personal reasons such as

- (e) Vacation time requested will be in blocks of no less than one (1) week. There shall be no limit on the number of week blocks that a nurse may split vacation.

2102 A nurse who has completed less than one (1) year of employment as at the cut-off date shall be entitled to a paid vacation at the rate of one and one-quarter (1.25) days per month worked, however, unless otherwise mutually agreed, the Employer is not obliged to permit earned vacation to be taken until a nurse has completed six (6) months of employment.

2103 Nurses shall be entitled to paid vacation calculated on the basis of vacation earned at the following rates:

In the first three (3) years	Fifteen (15) days per year
In the fourth (4 th) to tenth (10 th) year inclusive	Twenty (20) days per year
In the eleventh (11 th) to twentieth (20 th) year inclusive	Twenty-five (25) days per year
In the twenty-first (21 st) and subsequent years	Thirty (30) days per year

Vacation entitlement for the vacation year following completion of the 3rd, 10th and 20th years of continuous employment shall be determined by a pro-rata calculation based upon the two (2) rates of earned vacation.

2104 In recognition of length of service, each nurse shall receive an additional five (5) days of vacation on completion of twenty (20) years of continuous service, and on each subsequent fifth (5th) anniversary of employment (i.e. 25th, 30th, 35th, 40th, etcetera). Such days shall be taken during the vacation year in which the 20th or subsequent 5th anniversary occurs.

2105 For the purposes of determining the rate at which vacation is earned, the term of continuous service of a nurse will be deemed to include:

2106 Nurses on Workers Compensation will continue to accrue paid vacation for a period of one (1) year from the date of the first absence from work related to the occurrence of the compensable injury or illness.

2107 Upon termination of employment, the nurse's vacation pay shall be calculated in accordance with Articles 2103 and 2105 using the nurse's regular rate of pay on the date of termination. The nurse's vacation pay shall be paid out no later than the first full pay period following the date of termination.

2108 The Employer shall notify each nurse, prior to their vacation, of the date and time upon which the nurse is to report back to work following their vacation, but this will not preclude the making of a change during the nurse's vacation period if mutual agreement is reached between the Employer and the nurse.

2109

- (a) The Employer shall be responsible for posting in an accessible location the vacation entitlement lists and the number of nurses in each occupational classification per nursing unit/nursing station/facility that may be scheduled for vacation at any one time by February 15th of each year.
- (b) The vacation entitlement lists shall reflect each nurse's projected vacation entitlement as of March 31st of that year.
- (c)
 - (i) Beginning March 1st of each year, the Employer shall arrange an appointment with each nurse, in order of seniority, so that the nurse may indicate their choice of vacation dates in writing. This appointment shall take place in person, unless otherwise mutually agreed, and shall include reviewing the vacation selected/approved to date.
 - (ii) All of the nurse's vacation shall be chosen at this time except for the three (3) days as set out in Article 2101.
- (d) The selected/approved vacation schedule shall be updated on an ongoing basis and shall be posted in an accessible location daily. The approved vacation schedule will be posted not later than April 1st.

- (f) Except in extenuating circumstances, a nurse who fails to indicate their choice of vacation dates by March 31st shall have their vacation scheduled by the Employer.
- (g) A nurse who transfers to another nursing unit/nursing station after their vacation request has been approved shall have their vacation on the new nursing unit/nursing station scheduled by the Administrator/Director of Care in consultation with the nurse within the time periods remaining during that vacation year.
- (h) A nurse must use their current vacation which was earned during the previous vacation year during the current vacation year. If the current vacation is not used or scheduled by January 15, then the Employer has the right to schedule the vacation prior to the end of the current vacation year. Vacation may be paid out only in extenuating circumstances.

ARTICLE 22 -- RECOGNIZED HOLIDAYS

2201 For purposes of this Collective Agreement, Recognized (paid) Holidays shall be New Year's Day (January 1st), Louis Riel Day, Good Friday, Easter Sunday, Victoria Day, Canada Day, Terry Fox Day (la journée Terry Fox), Labour Day, National Day for Truth and Reconciliation (September 30th), Thanksgiving Day, Remembrance Day (November 11th), Christmas Day (December 25th) and Boxing Day (December 26th); and any other statutory holidays declared by federal or provincial authority.

2202 Whenever a Recognized Holiday falls on the nurse's scheduled days off or during a week of their vacation, it is understood that this day off in lieu shall be banked in accordance with Article 2206, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse or the nurse may request that they receive an extra day's pay at their regular rate of pay.

2203 A nurse required to work on a Recognized Holiday shall be paid at the rate of one and one-half (1.50) times their regular rate of pay and in addition it is understood that one (1) day off shall be banked in accordance with Article 2206, or the nurse may request that a day in lieu of the Recognized Holiday be scheduled on a date mutually agreed between the Employer and the nurse or the nurse may request that they receive an extra day's pay at their regular rate of pay.

2204 As much as reasonably possible a day off given in lieu of a Recognized Holiday shall be added to a weekend off or to scheduled days off unless otherwise mutually agreed.

2205 The Employer agrees to assign time off as equitably as possible over Christmas and New Year's, endeavouring to grant each nurse as many consecutive days off as

reasonably possible over either Christmas Day or New Year's Day. A nurse shall not be required to work Christmas or New Year's for two (2) consecutive years unless otherwise mutually agreed.

As much as reasonably possible, Christmas Eve and Boxing Day shall be assigned with Christmas Day; New Year's Eve shall be assigned with New Year's Day, unless otherwise mutually agreed.

2206 A nurse may accumulate up to five (5) days off in lieu of Recognized Holidays to be taken consecutively with scheduled days off as mutually agreed upon between the nurse(s) concerned and the Employer. Unless otherwise mutually agreed between the nurse(s) concerned and the Employer, accumulated Recognized Holidays must be taken in the fiscal year in which they were earned.

2207 A nurse working on the shift commencing at or about midnight shall be deemed to have worked on a Recognized Holiday if the majority of hours worked fall within the day in question regardless of what calendar day any part of such shift was actually worked.

ARTICLE 23 -- INCOME PROTECTION AND WORKERS COMPENSATION

2301 A nurse having accumulated income protection credits may claim regular pay for such income protection against such accumulation with respect to periods during which:

- (a) The nurse was unable to work because of an incapacitation due to accident or illness; however, a nurse cannot receive income protection benefits for any period of time during which the nurse is eligible for wage loss benefits from either the Workers Compensation Board or the Manitoba Public Insurance as a result of a motor vehicle accident [subject to Article 2303], or
- (b) In the opinion of the Employer, the nurse's presence constituted a health hazard for residents and/or other employees and the nurse was instructed by the Employer to leave the nurse's place of duty; or
- (c) The nurse attends an appointment related to a medical/dental examination and/or treatment subject to Article 3704.

2302

- (a) Each nurse shall accumulate income protection credits at the rate of one and one-quarter (1.25) days for each full month of employment.
- (b) For each one and one-quarter (1.25) days of income protection accumulated, one day (80%) shall be reserved exclusively for the nurse's personal use as

outlined in Article 2301. The remaining one-quarter (.25) of a day (20%) shall be reserved for either the nurse's personal use as outlined in Article 2301, or for use in the event of family illness as specified in Article 2313. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

*In the nurse's first year of employment, amend "one day" to read "three-quarters of a day" and amend "one-quarter of a day" to read "one-half of a day".

2303

- (a)
- (i) A nurse who becomes injured or ill in the course of performing their duties must report such injury or illness as soon as possible to their immediate supervisor.
 - (ii) A nurse unable to work because of a work related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the nurse by WCB.

Where a nurse is unable to work because of injuries sustained in a motor vehicle accident they must advise their supervisor as soon as possible and she/he must submit a claim for benefits to the Manitoba Public Insurance (MPI). The nurse shall be entitled to receive full income protection benefits for any period of time deemed to be a "waiting period" by MPI.

- (iii) Where a nurse has applied for WCB or MPI benefits and where a loss of normal salary would result while awaiting a WCB/MPI decision, the nurse may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (iv) Advance payment(s) shall not exceed the nurse's regular salary as defined in Article 3802 (exclusive of overtime), less the nurse's usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
- (v) The advance(s) will cover the period of time from the date of injury until the date the final WCB/MPI decision is received, however in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the nurse's accumulated income protection credits.
- (vi) The nurse shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer

immediately upon receipt of payment made by WCB/MPI directly to the nurse.

- (vii) In the event that the WCB/MPI disallows the claim, including any appeal, the nurse shall be paid for the absence in accordance with the income protection provisions of this Collective Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - (viii) Upon request, the Employer will provide a statement to the nurse indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- (b)
- (i) A nurse who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments. The amount of such supplement will equal ten percent (10%) of the nurse's regular net salary not earned due to the time loss. Regular net salary will be based on the nurse's regular salary as defined in Article 3802 of the Collective Agreement (exclusive of overtime), less the nurse's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

The Employer's supplement shall be charged to the nurse's accumulated income protection credits and such supplement shall be paid until the nurse's accumulated income protection credits are exhausted, or until 119 calendar days have elapsed since the first day of supplement, whichever is less.
 - (ii) Subject to the provisions of each plan, the nurse may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the nurse to the Employer's pension plan, dental plan, and D & R plan and group life insurance plan as if the nurse was not disabled. If the supplement is not sufficient, or where the nurse elects to receive an advance, the nurse may, subject to the provisions of each plan, forward self-payments to the Employer to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the nurse contributes.
 - (iii) Further to this, the Employer shall notify Workers Compensation/Manitoba Public Insurance of salary adjustments at the time they occur.
 - (iv) If at any time it is decided by the WCB/MPI that any payment to be made to the nurse by the Employer must be offset against benefits

otherwise payable by the WCB/MPI, then such payment shall not be payable.

- (c) Where the WCB/MPI recommends a work assessment period or a modified return to work period, the provisions of Article 7A06 shall apply.

2304 The Employer shall be entitled to recover any income protection paid to a nurse if their employment is not continued beyond their probationary period, from the nurse's final termination cheque.

2305 A nurse who is unable to report for work due to illness shall inform their supervisor or designate prior to the commencement of their next scheduled shift. A nurse who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift in question.

Prior to Day shift – one (1) hour

Prior to Evening shift – three (3) hours

Prior to Night shift – three (3) hours

A nurse returning to work following an absence of one week or more shall inform the Employer by 1200 hours the day prior to returning to work.

2306 The Employer, either at the time of notification by the nurse of claiming income protection credits, or by advance notice prior to future income protection claims, may require a medical certificate or report as proof of the validity of any claim for income protection and as proof of the nurse's ability to perform their regular duties. Failure to provide such a certificate when requested may disqualify a nurse from receiving paid income protection or may result in a refusal of permission for the nurse to resume their duties.

2307 Days off and Recognized Holidays or days given in lieu of Recognized Holidays, which fall within a period of paid income protection, shall not be considered a part of, or charged to, the nurse's accumulated income protection credits.

2308 At the effective date of this Collective Agreement, each nurse will retain income protection credits accumulated and not used to that date.

2309 As soon as a nurse is aware of a date upon which surgery will occur, they shall notify the Employer, in writing, of this date and any change thereto so that staff coverage for their intended absence may be arranged.

Where a nurse has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing to cover the anticipated absence, the Employer shall have the right to cancel the relief shifts.

These relief shifts shall be clearly identified as being subject to twenty four (24) hours notice of cancellation.

2310 If hospitalized due to accident or illness while on scheduled vacation, a nurse may utilize income protection to cover the hospitalization and/or post-hospitalization period, and the displaced vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time periods remaining during the vacation year. Proof of such hospitalization and/or post-hospitalization period shall be provided if requested.

2311 The Employer will annually, on written request, provide each nurse with a statement of their accrued income protection credits.

2312 A nurse who has completed the probationary period and who is unable to perform their work by reason of an accident or illness not fully covered by income protection credits, upon providing an acceptable medical certificate, shall be granted unpaid leave of absence as required for recovery. Such unpaid leave of absence shall be subject to review at three (3) months or lesser intervals at the discretion of the Employer.

2313 Subject to the provisions of Article 2302, a nurse may use up to ten (10) days of income protection in any one (1) calendar year for the purpose of providing care in the event of an illness of a spouse, child or parent.

2314 A nurse who is on D&R/WCB/MPI prior to the commencement of their scheduled vacation shall, upon their request, have their vacation displaced. Such vacation shall be re-scheduled at a time mutually agreed between the nurse and the Employer within the available time period remaining during the vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year, or pay out any monies owing.

ARTICLE 24 -- LEAVE OF ABSENCE

2401

- (a) The nurse will be required to submit a written request for any leave of absence unless otherwise stipulated in Article 24. The request will specify:
- (i) the reason for the leave,
 - (ii) the start date of the leave, and
 - (iii) the anticipated end date of the leave.
- (b) Leave of absence requests will be considered on an individual basis and may be allowed at the discretion of the Employer unless otherwise indicated in the Collective Agreement; however, requests for education leave will be given special consideration.

- (c) Except in emergencies, leave of absence requests must be made at least four (4) weeks in advance of the start date.
- (d) The Employer shall notify the nurse of their decision in writing, within two (2) weeks receipt of the request.
- (e) Requests for extension of educational leave, maternity leave, paternity leave, adoption leave and bereavement leave will be granted if reasonably possible.
- (f) Where a nurse requests to return to work prior to the expiry of the leave of absence as set out in the approved request, the Employer shall have no obligation to return the nurse to work until such time that the leave of absence would have expired except as per Article 2408C. 6
- (g) Where a nurse has been granted a leave of absence from their entire EFT, they shall be eligible to work additional available shifts. However, the nurse shall not have preference over part-time nurses or casual nurses who offer to work these shifts. When the nurse is awarded additional available shifts, they are compensated in accordance with Article 2705 (a) – (f).
- (h) Where a nurse has requested and been granted a partial leave of absence, they will be entitled to accrual of vacation, income protection credits and Recognized Holiday pay on a pro-rata basis in accordance with Article 34.

2402 Overstaying of leave of absence without valid reason may be deemed as a resignation.

2403 The Employer shall make every reasonable effort to assure that a nurse granted leave of absence for any reason shall return to the same position. For leaves of absence of sixty (60) weeks or less, or eighty (80) weeks or less in the case of Parenting Leave or Parental Leave, the nurse is assured of being placed in the same employment status and at the same step on their salary scale on their return, but the nurse cannot be assured of being placed in the same nursing unit or shift. In the case of longer leaves of absence, a nurse may be placed in any position covered by this Collective Agreement and shall be reinstated at their previous basic salary, provided that such basic salary shall not exceed the maximum for the position in which the nurse is placed. Notwithstanding Article 3001, a nurse not placed in their former position will be given consideration over other nurses for the first vacancy made available to the nurse in a similar position.

2404 There shall be no loss of income protection accumulations or vacation accumulations up to the date of any leave of absence whether granted with or without pay.

2405 Income protection and vacation benefits will continue to accrue during any period of an unpaid leave of absence approved by the Employer of four (4) weeks or less.

2406 Professional Leave: If in the opinion of the Employer it is in the best interests of resident care, nurses may, whenever practicable, be granted time off with regular pay in order to attend professional or educational meetings, conventions, workshops and institutes.

2407 Education Leave:

(a) Where the Employer requires a nurse who is scheduled to work to attend educational conferences, workshops or programs, the nurse shall be without loss of regular salary, and the Employer shall pay registration or tuition fees and related expenses.

(b) Where the Employer requires a nurse who is not scheduled to work to attend educational conferences, workshops or programs, the nurse shall be without loss of regular salary, and the Employer shall pay registration or tuition fees and related expenses.

(c) Employer Sponsored Educational Development:

A nurse shall be granted, upon written request, funding up to a maximum of \$200 annually, to attend approved workshops, courses, and other programs that are relevant to nursing practice. Such requests must be submitted to the senior nursing manager or designate prior to attendance at such program. The two hundred dollar (\$200) allowance referenced herein shall be for reimbursement of tuition or registration and recommended/required books/software and shall occur upon satisfactory completion of the workshop, course, or educational program.

(d) Where a nurse is unable to complete all of their mandatory training during working hours, the nurse will advise their supervisor of such by no later than September 30th. Should the Employer be unable to arrange for the training to be done during working hours, the Employer will pay the nurse up to 5 hours at their regular rate of pay on the first pay period in December, subject to the completion of mandatory training.

2408 Parenting Leave:

Parenting Leave consists of Maternity and Parental Leave. Parental Leave includes Paternity and Adoption Leave. A nurse shall be granted leave of absence for up to eighty (80) weeks where the nurse qualifies for Parenting Leave.

A nurse who qualifies for Maternity Leave may apply for such leave in accordance with either Maternity Leave Plan 'A' or Maternity Leave Plan 'B', but not both.

(i) Maternity Leave Plan "A":

1. Up to seventeen (17) weeks of Maternity Leave without pay will be granted subject to the following conditions:

 - (b) If requested by the nurse, Maternity Leave of shorter duration may be granted at the discretion of the Employer.
 - (c) The Employer is entitled to require a nurse to stop work in the case of unsatisfactory job performance or if the state of the nurse's health as verified by a duly qualified medical practitioner becomes incompatible with the requirements of her job.
- (ii) Maternity Leave Plan "B" (Plan B):
1. In order to qualify for Plan B, a pregnant nurse must:
 - (a) submit a written request for Maternity Leave under Plan B to the Employer at least four (4) weeks before the date specified in her application as the date on which she intends to commence such leave;
 - (b) provide the Employer with a certificate from a duly qualified medical practitioner certifying that the nurse is pregnant and specifying the estimated date of their delivery;

 2. A nurse applying for Maternity Leave under Plan B must sign an agreement with the Employer providing that:

- (a) the nurse will return to work and remain in the employ of the Employer in either full-time or part-time status for at least six (6) months following their return to work, except that where a full-time nurse is the successful applicant for a part-time position which commences on the date of their return from Maternity Leave or at any time during the six (6) months following the nurse return from Maternity Leave, she must remain in the employ of the Employer and work the working hours remaining in the balance of the six (6) months of the full-time employment; and
- (b) the nurse will return to work on the date of the expiry of their Maternity Leave and, where applicable, their Parental Leave unless this date is modified as per Article 2408(g) below.
- (c) Should the nurse fail to return to work as provided under (a) or (b) above, the nurse shall be indebted to the Employer for the full amount of the Maternity Leave allowance paid to them by the Employer during the nurse's entire period of Maternity Leave. Accordingly, the nurse shall re-pay to the Employer the full amount of the Maternity Leave allowance.
- (d) In the event the nurse does not complete the full period of service as required under Part (a) and (b) above, the nurse shall repay a portion of the "top up" as follows:

$$\begin{array}{l}
 \text{Monetary value of top up provided} \\
 \text{(value is based on hours paid at regular} \\
 \text{rate of pay in 6 months prior to leave)} \\
 \hline
 \text{Hours of service required to be worked} \\
 \text{(based on monetary value)}
 \end{array}
 \quad \times \quad \text{no. of hours not worked}$$

- 3. A nurse who qualifies is entitled to a Maternity Leave consisting of:
 - (a) a period not exceeding seventeen (17) weeks if delivery occurs on or before the date of delivery specified in the certificate as in B (1) (b);
 - (b) a period of seventeen (17) weeks plus an additional period equal to the period between the date of delivery specified in the certificate and the actual date of delivery, if delivery occurs after the date mentioned in that certificate as in B. 1 (b).

- (c) The Employer may, notwithstanding the above, vary the length of Maternity Leave upon receipt of a certificate from a duly qualified medical practitioner.
4. Within twelve (12) weeks of receiving the Employment and Social Development Canada (ESDC) approval for Employment Insurance benefits pursuant to the Employment Insurance Act, the nurse must provide proof to the Employer. Reasonable consideration will be given to extending the above period of time for the nurse in exceptional circumstances.

Following receipt of the above proof, the Employer shall provide the nurse a Maternity Leave allowance with the SUB Plan as follows:

- (a) for the first two (2) weeks a nurse shall receive ninety-three percent (93%) of their weekly rate of pay;
 - (b) for up to a maximum of sixteen (16) additional weeks, payments equivalent to the difference between the EI benefits the nurse is eligible to receive and ninety-three percent (93%) of their normal weekly earnings;
 - (c) All other time as may be provided under this Article shall be on a leave without pay basis.
5. Plan B does not apply to a newly hired nurse occupying a term position.
6. Maternity Leave under Plan B shall be an unpaid leave of absence. Income protection credits and vacation entitlement shall not accrue during this leave of absence.

C. 1. Parental Leave -

- (i) in order to qualify for Parental Leave a nurse must be the natural mother of a child; or be the natural father of a child or must assume actual care and custody of their newborn child (Paternity Leave) or adopt a child under the law of the province (Adoption Leave), or be a partner in a same sex relationship who assumes care and custody of a child.

If requested by the nurse, extensions to leaves under this Article will be granted in accordance with Article 2401.

2. Except as outlined below, any nurse must use current annual vacation, (which was earned during the previous vacation year), during the current vacation year. If the current annual vacation is not used, then the Employer has the right to schedule the vacation prior to the end of the current vacation year or pay out any monies owing.

Where Parenting Leave is forty-eight (48) weeks or less, vacation shall be scheduled and taken in accordance with the provisions of the Collective Agreement. No carry-over of vacation is permitted.

Where Maternity and/or Parental leave exceeds forty-eight (48) weeks, the nurse may elect to carry over to the next vacation year, up to five (5) days of current annual vacation. The balance of the current annual vacation will be paid out at a time immediately following the period during which EI benefits were payable (even if this period extends into the following vacation year).

If the nurse is taking a Maternity, Paternity, or Adoption Leave, the nurse will use this three (3) days

of paid leave to replace scheduled hours of work immediately prior to the Sunday of the week the Maternity, Paternity, or Adoption Leave commences.

Part-time nurses shall be entitled to a pro rata amount of this leave based on their hours paid at regular rate of pay in the previous six (6) months.

6. A nurse may end Maternity or Parental Leave earlier than the expiry date of the leave by giving the Employer written notice at least two (2) weeks or one pay period, whichever is longer, before the day the nurse wants to end the leave. This provision includes the cancellation of any term position. Subject to the above, pre-retirement leave for any period of layoff with the Employer up to a maximum of five (5) years will be calculated on a pro rata basis, based on the following formula:

ARTICLE 25 -- SENIORITY

2501 "Seniority" shall be defined as the length of the nurse's continuous employment from the last date on which the nurse commenced work at the Facility, subject to Article 34 herein.

2502 Seniority shall be considered as a factor in vacancy selection (including promotion and transfer), and if all other posted selection criteria are equal, it shall be considered as the governing factor. Seniority of a nurse relates to the seniority of other nurses in the same occupational classification and shall transfer with the nurse when moving from one classification to another.

2503 The seniority of a nurse will be retained but will not accrue if:

- (i) the nurse is on any unpaid leave of absence in excess of four (4) consecutive weeks except those referenced in (ii) below, and those referenced in Article 2504;
- (ii) the nurse is on an unpaid leave of absence due to injury or illness which may be compensable by Workers Compensation, MPI or LTD, for a period of more than two (2) years from the date of the first absence from work related to the injury or illness;

- (vii) the nurse is absent for three (3) consecutive working days without valid reason.

2506 If a nurse is retained beyond the probationary period, the nurse's seniority will date from their first day of employment at the Facility.

2507 The Employer shall once annually, by January 31st, provide the Union with a seniority listing of names of nurses within the scope of this Collective Agreement together with the length of each nurse's continuous employment with the facility. Any alleged errors in the list will be reviewed by the Employer and confirmed errors will be corrected as soon as possible.

ARTICLE 26 -- NOTICE OF TERMINATION OF EMPLOYMENT

2601 Employment may be terminated voluntarily by a nurse or by the Employer subject to four (4) weeks written notice, exclusive of any vacation due, except where any of the provisions of Article 2602 apply.

2602 Employment may be terminated with less notice or without notice:

- (a) by mutual agreement between the nurse and the Employer for special circumstances, or
- (b) during the probationary period of a newly hired nurse subject to Article 31 herein, or

2603 The Employer may give equivalent regular pay in lieu of notice.

2604 Subject to other provisions contained in this Agreement relative to termination of employment, each nurse shall, unless otherwise mutually agreed, upon termination of their employment receive pay in lieu of unused vacation, and all salary earned to date of termination on the pay date applicable to the pay period in which the termination date occurred.

ARTICLE 27 -- LAYOFF AND RECALL

2701 Should the Employer plan to alter the delivery of health care and/or reduce the current complement of nurses, it will notify the Union in writing at least ninety (90) days in advance.

1. In the event of planned employee reductions, the Union and the Employer will meet within twenty (20) days of the above date to examine the issue.
2. Should the Employer decide to proceed with the reduction of nurses, it will meet with the Union within five (5) days to develop the process for the reductions.
3. The principle of attrition in the process will be examined by the Employer and the Union.
4. Where reductions cannot be dealt with through attrition, Article 2707 shall apply. Should the nurse choose to not exercise seniority rights under Article 2707, then layoff in accordance with Article 27 shall apply.
5. In the event of #5 above occurring or in the event of the closure of the facility, the Employer and the Union will jointly investigate opportunities for the funding of retraining and redeployment of affected nurses.

2702 When a reduction in the working force becomes necessary, nurses will be laid off in reverse order of seniority within their occupational classification, subject only to more senior nurses being qualified and willing to perform the required work.

2703 Notice of intention of layoff or equivalent pay thereof shall be given by personal service or by registered mail to the nurse(s) concerned and a copy of the notice forwarded to the Union. Notice shall be as follows:

- (a) Layoffs of six (6) weeks or less – two (2) weeks notice;
- (b) Layoffs of longer than six (6) weeks – four (4) weeks notice.

A nurse who is on layoff shall not be entitled to notice of lay off when the nurse comes back to work on an incidental basis.

2708 In the event of a deletion of an occupied position, as much notice as possible shall be given to the incumbent who will be entitled to exercise their seniority rights, subject to their ability, performance and qualification, to displace a nurse in a position of equal or lower occupational classification. The nurse may be accompanied at the meeting by a Union representative(s) chosen by the nurse which may include a member of the Local Executive and/or a MNU Labour Relations Officer. The Union agrees that any related delay in imposition of discipline shall not prejudice the Employer's ability to discipline the nurse when the meeting is eventually held.

2902 If the disciplinary action referred to Article 2901 results in a written warning, or the suspension or the demotion or the dismissal of a nurse, the Employer shall notify the nurse in writing of the action taken and the reasons either by personal service, registered mail, or confirmed electronic mail. Confirmation includes indication of receipt of such communication.

2903 A nurse who is demoted due to inadequate performance shall be paid at the step of the lower paid occupational classification that corresponds to their level of experience.

The application of this provision as it relates to the layoff/recall procedure shall be limited to a three (3) year period from the date the nurse assumes a position in the lower paid

occupational classification or until the salary scale of the lower paid occupational classification reaches their current basic salary, whichever occurs first.

Upon written request, the nurse shall also receive an exact copy of such document. The Employer agrees to remove and destroy any disciplinary documentation, from the personnel file of a nurse, upon written request from the nurse, after twenty-four (24) months, providing no similar incidents occur within that period. 2906 A nurse shall have recourse to the grievance procedure to dispute any derogatory entry in their personnel file. The Employer agrees not to introduce as evidence any such derogatory entry at any hearing unless the nurse has been made aware of its contents at the time of filing or a reasonable time thereafter. - \$700.00 for full-time nurses
- \$350.00 for part-time nurses

For the purpose of the HSA, a nurse is deemed to qualify for the full-time benefit if the nurse has been paid for a minimum of 1,500 hours in the previous calendar year. Hours paid at overtime rates do not count in the annual determination of whether a nurse qualifies for the full-time benefit.

A “year” or “the annual HSA benefit” is defined as the calendar year – January 1st to December 31st.

In order to be eligible for the HSA, a nurse must be enrolled in the “Enhanced” Extended Health Care Plan.

Nurses who become enrolled in the “Enhanced” Extended Health Care Plan will commence HSA coverage following one (1) year participation in the “Enhanced” Extended Health Care Plan.

Unutilized HSA monies are not carried over to the subsequent year.

3906

- (a) Participation in the benefits plans is subject to the provisions of the individual benefit plan.
- (b) Any problems with regard to the insurer(s) acknowledging or honouring any claim(s) is a matter between the nurse and the insurer. The Employer has no liability to honour claim(s) rejected by the insurer(s).

ARTICLE 40 -- OVERPAYMENTS

4001 The Employer may not make deductions from wages unless authorized by statute, by Court Order, by Arbitration Award, by this Collective Agreement, by the Union or to correct an overpayment error made in good faith. Where an error has been made in good faith, the Employer shall be entitled to recover any overpayment made, for a period of time that does not extend further back than twelve (12) months from date of discovery, provided:

- (a) Once the error is discovered, notice and a detailed breakdown of the error is given by the Employer to the affected nurse and the Union within twenty (20) business days of discovery;
- (b) The proposed recovery is made in as fair and reasonable a manner as possible; and,
- (c) The proposed recovery is made over a period of time which is no less than the period during which the overpayment was made unless otherwise agreed between the Employer and the nurse.

In the event the nurse retires from, or leaves the employ of the Employer before the Employer is able to fully recover an overpayment as contemplated in this Article, the Employer shall be entitled to make a full recovery at the time of retirement or termination of employment of that nurse and reduce accordingly any payments that might be owing to that nurse to recover the overpayment.

4002 “Under deduction” shall include, but is not limited to, any statutory deduction, or any other amount for which the nurse has provided their consent to be deducted from their wages, that has not been deducted by the Employer as a result of a good faith error on the part of the Employer.

It is understood that where the Employer is required, or has received consent, to remit a deduction from the wages of a nurse, that the Employer is responsible to ensure those deductions are remitted appropriately and in compliance with the necessary conditions of such remittance. Where the Employer has failed to remit as required and as a result of that failure the nurse has been denied access to a benefit which they would otherwise have received but for the failure to remit, the Union on behalf of the nurse is able to seek, through the grievance process, appropriate redress for any and all incurred losses. All appeal processes under the applicable plan must be exhausted prior to any grievance being initiated through the grievance process. The jurisdiction of an arbitrator appointed pursuant to the grievance process to interpret and apply any applicable benefit plan shall be limited to the application of this provision.

4003 All under deductions are considered to be an accounts receivable and will be deducted from a nurse’s wages when discovered by the Employer.

The deduction will be made in a fair and reasonable manner after notification to the nurse and taking into consideration the amount of the account receivable and the purpose of the amount under deducted.

Where an error has been made in good faith, the Employer shall be entitled to recover any under deduction made, for a period of time that does not extend further back than twelve (12) months from date of discovery.

ARTICLE 41 -- STAFF DEVELOPMENT

4101 The Employer shall provide during the normal hours of work a planned orientation program for nurses newly employed including such essential information as policies and procedures that apply in the place of employment, location of supplies and equipment, fire and disaster plans. Further, an orientation program shall be provided upon request for nurses returning from an extended leave of absence.

4102 The Employer shall provide, on a continuing basis, and during the normal hours of work, a program of inservice education for nurses.

4103 The Employer shall provide in a central location, such reference materials as are required in relation to maintaining up to date knowledge of geriatric care.

APPENDIX "A" -- SALARIES

Each nurse currently employed within Extendicare (Canada) Inc on date of ratification shall be entitled to a one-time lump sum payment calculated on the following basis:

\$0.50 per hour for all hours paid at the nurse's regular rate of pay between October 1, 2020 and September 30, 2021, subject to a minimum payment of \$500 total between all employers for which the nurse is employed.

For the purposes of this calculation, hours paid excludes all overtime worked.

All statutory deductions will apply to this payment. The lump-sum payment is deemed non-pensionable and is not subject to benefit deductions.

Nurses on a leave of absence shall be deemed to be paid their regular rates based on their pre leave EFT subject to the time period above. Such nurses will receive the payment and will be required to report all earnings to any applicable third party payer/insurer.

As it relates to the minimum \$500 total, where a nurse has not received a minimum payment of \$500 as a total for all Extendicare Facilities from which the nurse has received such payment, the nurse shall have ninety (90) days to provide documentation of all information relevant to entitlements under signing bonus to their Employer(s) and the MNU in order to be appropriately compensated.

Note: Any nurse who attains 20 years of service with the employer (as defined in Article 2105) but is not on the top step of their current classification scale due to reclassification (LPN to RN/RPN) or promotion, will be moved to the exact same step of the “20 Year Scale” for their current classification (i.e. Step 4 to Step 4). Increments will apply as per the normal terms of the Collective Agreement.

Any nurse who has attained 20 years of service with the employer (as defined in Article 2105) and who is at the 20 year step of their classification and who subsequently upgrades their skills (LPN to RN/RPN) or is promoted, will have the appropriate terms of the collective agreement applied for the purpose of setting basic salary in the new classification. The nurse will then be moved to the exact same step on the “20 Year Scale” for the new classification (i.e. Step 4 to Step 4). Increments will apply as per the normal terms of the Collective Agreement.

Re: Agency Nurses

The Employer commits to making best efforts to minimize to the greatest degree possible the use of nurses employed by outside agencies ("agency nurses") to fill occasional available shifts.

The Employer affirms its commitment that such shifts, including those which result from not filling term or permanent positions for a period of time, will be offered first to facility nurses in accordance with the provisions of the Collective Agreement. Only when nurses at the facility are not available will the Facility resort to seeking assistance from outside agencies.

The Employer further agrees to meet with the Union on a quarterly basis through the NAC meeting process, to review trends and data (number of agency nurses used, reasons for use and process management used to attempt to obtain facility nurses) and explore alternatives to minimize the use of agency nurses to the greatest degree possible.

Included in the data provided will be hours of agency nurses used by classification. Such report will be provided to MNU Central on a quarterly basis to facilitate discussion. It is understood that the information provided may only be discussed at the NAC meetings, and shall not be disclosed or relied upon in any other forum other than the grievance/arbitration procedure.

Re: Provisions for Part-time Nurse Occupying more than one Position Within a Facility

For the term of the Collective Agreement expiring October 31, 2024, the Employer and the Union agree to the following terms for a part-time nurse occupying more than one (1) position within a Facility:

- (a) Part-time nurses shall be eligible to apply for and be awarded more than one (1) part-time position within the Facility. Where it is determined that it is not feasible for the nurse to work in more than one (1) position, the nurse will have the option of assuming the position applied for and relinquishing their former position. If approved, it is understood that at no time will arrangements arising under this Memorandum be considered in violation of the Collective Agreement.
- (b) At no time shall the sum of the positions occupied exceed the equivalent of one (1.0) EFT. Notwithstanding the above, it is understood that a nurse who works more than the normal full-time hours in two (2) consecutive bi-weekly periods shall be compensated for the excess hours in accordance with Article 16.
- (c) Where the sum of the positions occupied equals one (1.0) EFT, the status of the nurse will continue to be part-time (i.e., their status will not be converted to full-time), and the provisions of Article 34 will apply based on the total of all active positions occupied, unless specified in this Article.
- (d) All salary-based benefits, i.e., pension and D&R, as applicable, shall be administered pursuant to the Collective Agreement on the basis of the total of all positions occupied.
- (e) All accrued benefits, i.e., vacation and income protection credits, shall be maintained and utilized on the basis of the total of all positions occupied.

- (f) Requests for scheduling of vacation shall be submitted to the Director of Care (or designate) and the said requests will be considered by the Director of Care (or designate) in accordance with the provisions of Article 2109 based upon the nurse's seniority within each nursing unit/department where her positions are regularly scheduled.
- (g) Requests for unpaid or paid leaves of absence shall be submitted to the Director of Care (or designate) and shall be considered by the Director of Care (or designate) in accordance with the appropriate provisions of the Collective Agreement.
- (h) A nurse may hold more than one (1) position only within the same occupational classification.
- (i) Where a part-time nurse is later found to be unable to fulfill the commitment and responsibilities of the position(s), the affected nurse may be required by the Employer to or may, themselves, relinquish one (1) of the positions occupied without any recourse to layoff provisions of the Collective Agreement. In any event, the nurse will be given or will give two (2) weeks written notice to relinquish the position.
